ARTICLE III. GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.1 Medium of Payment; Form and Date. The Bonds shall be issuable only as fully registered Bonds without coupons in Authorized Denominations. Unless the Authority shall otherwise direct, the Bonds shall be numbered as determined by the Trustee.

The Bonds, the designation of such Bonds, the forms of Bonds, the certificate of authentication to be endorsed on the Bonds and the form of assignment to be endorsed on the Bonds are to be in substantially the form set forth in Exhibit A attached hereto and hereby made a part of this Indenture, with necessary and appropriate variations, omissions and insertions as permitted or required by this Indenture.

The Bonds shall initially be dated as of the Closing Date. Regularly scheduled interest on the Bonds shall be payable on the applicable Interest Payment Date.

Each Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof to which interest has been duly paid or provided for, unless a Bond is

authenticated on or before the first Record Date, in which case interest will accrue from the Closing Date, or unless authenticated as of a date during the period from the Record Date to and including the next Interest Payment Date, in which case it shall bear interest from such Interest Payment Date.

The Trustee shall insert the date of authentication of each Bond in the place provided for such purpose in the form of certificate of authentication to be printed on each Bond. Each Bond shall bear interest on overdue principal at the rate then in effect on such Bond.

The principal of, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America, being any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. Interest on each Bond shall be paid on each Interest Payment Date to the Bondowner of such Bond at the close of business on the Record Date with respect to such interest payment and shall be paid by check or draft mailed on such Interest Payment Date to such Bondowner at his address as it appears on the registration books of the Trustee or, upon the written request of a Bondowner of at least \$500,000 in principal amount of Bonds received by the Trustee not later than fifteen days prior to the Record Date for such payment, by wire transfer to an account in the United States designated by such Bondowner, irrespective of the cancellation of such Bond upon any transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date, unless the Authority shall default in the payment of interest due on such Interest Payment Date. Payment of principal and premium, if any, due on any Bond shall be paid only upon surrender of such Bond at the office designated by the Trustee in writing, or its successor in interest. In the event of any default in the payment of interest, such defaulted interest shall be payable to the Bondowner of such Bond on a special Record Date for the payment of such defaulted interest, which date shall be established by the Trustee by notice mailed by or on behalf of the Authority to the Owners of Bonds not less than fifteen (15) days preceding such special Record Date.

The Bonds shall be executed in the name of the Authority by the manual or facsimile signature of the President thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of an Authorized Officer or the Secretary of the Authority. Each of the Bonds shall bear thereon a certificate of authentication, in the form set forth in the form of Bond set forth in Exhibit A hereto, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this Indenture and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the

Trustee upon any Bond executed on behalf of the Authority shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

The Bonds, together with interest thereon, shall be limited obligations of the Authority, giving rise to no pecuniary liability of the Authority, members of the Authority, the State of California or any political subdivision thereof, nor any charge against its general credit, shall be payable solely from and shall be a valid claim of the respective Owners thereof only against the Trust Estate. The Bonds shall not constitute an indebtedness or loan of the credit of the Authority, members of the Authority or the State of California or any political subdivision thereof within the meaning of any constitutional or statutory provisions. Neither the faith and credit nor the taxing power of the Authority, members of the Authority or the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or any other costs incident thereto.

No recourse shall be had for the payment of the principal of, or premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained herein, against any past, present or future member of the Board of Directors of the Authority, officer, employee or agent of the Authority, any member of the Authority or any officer, employee or agent of any member of the Authority, under any rule of law or equity, or statutory or constitutional provision or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member of the Board of Directors of the Authority, officer, employee, agent, member or officer, employee or agent of any member of the Authority, as such is hereby expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bonds.

Each Bond shall be transferable only upon the books of the Trustee, at the request of the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his duly authorized attorney. Bonds may be exchanged at the Designated Office of the Trustee for an equal aggregate Principal Amount of Bonds of the same series and maturity of other authorized denominations. In each case in which Bonds are transferred or exchanged, the Authority shall execute and the Trustee shall authenticate, as required, and deliver Bonds to the transferee or the Bondowner making the exchange. The Authority and the Trustee may deem and treat the person in whose name any outstanding Bond shall be registered upon the books of the Trustee as the absolute

Owner of such Bond, whether such Bonds shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or premium, if any, and interest on such Bond and for all other purposes, and all such payments so made to any such Owner or upon his written order or to his legal representative shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The cost of printing the Bonds required for any such exchange or transfer shall be paid by the Authority subject to reimbursement from the Administration Fund or the Surplus Fund.

Section 3.5 Record Date; Special Record Date. Interest on each Bond shall be payable to the Owner in whose name such Bond is registered at the close of business on the first (1st) day (whether or not a Business Day) of the calendar month in which such Interest Payment Date occurs (the "Record Date"), without regard to any transfer or exchange of such Bond after such day, unless the Authority shall default in the payment of interest due on such Bond on such Interest Payment Date. If the Authority shall default in the payment of interest due on any Bond, such defaulted interest shall be payable to the Owner in whose name such Bond is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Trustee to the Owners of such Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the Owners in whose names such Bonds are registered at the close of business on the fifth day (whether or not a Business Day) preceding the date of mailing.

Section 3.6 Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Authority shall execute, and the Trustee shall authenticate and deliver, a new Bond of like series, maturity and Principal Amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Trustee that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Trustee with indemnity for the Authority and the Trustee satisfactory to the Trustee and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Authority and the Trustee may incur and any expenses related to any such indemnification required to be provided herein.

Section 3.7 Temporary Bonds. Until the definitive Bonds are prepared, the Authority may execute, in the same manner as is provided in Section 3.2 and, upon the request of the Authority,

the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for Bonds, one or more temporary Bonds which shall be registered as to principal and interest. Such temporary Bonds shall be substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in Authorized Denominations, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds shall be payable only upon presentation of such temporary Bonds for notation thereon of the payment of such interest. The Authority at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds, for exchange and cancellation, the Trustee shall authenticate and, without charge to the Owner thereof, deliver in exchange therefor, at the principal or corporate trust office of the Trustee, definitive Bonds, of the same aggregate Principal Amount, series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Indenture.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith canceled and destroyed by the Trustee.

Section 3.8 Cancellation. All Bonds surrendered for redemption, payment, replacement or exchange, if surrendered to the Trustee, shall be promptly canceled by it, and, if surrendered to any person other than the Trustee, shall be delivered to the Trustee and, if not already canceled, shall be promptly canceled by it. The Authority may at any time deliver to the Trustee for cancellation any Bonds previously authenticated and delivered hereunder, which Bonds so delivered shall be promptly canceled by the Trustee. All canceled Bonds held by the Trustee shall be destroyed by a method selected by the Trustee in accordance with its customary procedures. The Trustee shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed and one such executed certificate shall be filed with the Authority and the other such executed certificate shall be retained by the Trustee.

Section 3.9 Book-Entry System for the Bonds.

(a) Unless the Authority otherwise directs the Trustee, the Bonds shall be initially issued in the form of a separate single certificate fully registered Bond for each maturity of each such series of the Bonds. The Trustee shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Bond Register, as provided in Section 3.3 hereof, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificated Bond evidencing the obligation of the Authority to make payments of principal of and interest on the Bonds, pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) The delivery of the Representation Letter by the Authority shall not in any way limit the provisions of Section 3.9(b) hereof or in any other way impose upon the Authority or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners, as shown on the Bond Register.

(d) (i) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(ii) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the Authority determines that:

(A) DTC is unable to discharge its responsibilities with respect to the Bonds, or

(B) a continuation of the requirement that all Outstanding Bonds be registered in the Bond Register in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of such Bonds.

(C) Upon the termination of the services of DTC with respect to the Bonds pursuant to subsection 3.9(d)(ii)(B) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subsection 3.9(d)(i) or subsection 3.9(d)(ii)(A) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver bond certificates, as described in this Indenture and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede

& Co. as nominee of DTC, but may be registered in whatever name or names Owners transferring or exchanging Bonds shall designate to the Trustee in writing, in accordance with the provisions of this Indenture.

(e) Notwithstanding any other provisions of this Indenture to the contrary, as long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 3.10 CUSIP Numbers. The Authority in issuing the Bonds may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Owners; provided that the Trustee shall have no liability for any defect in the “CUSIP” numbers as they appear on any Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. In the event notice of redemption shall have been given as provided in Section 4.5, such redemption shall be effective only if, on the date of redemption, the Trustee shall hold an amount in immediately available funds which, in addition to other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Bonds to be redeemed and to pay the accrued interest on such Bonds to the redemption date.

Section 4.3 Redemption Other Than at the Authority's or Borrower's Election or Direction. Whenever by the terms of this Indenture the Trustee is required to redeem Bonds other than at the election or direction of the Authority or the Borrower, the Trustee shall select the Bonds to be redeemed and give the notice of such redemption in accordance with the terms of this Article 4.

Section 4.4 Selection of Bonds to be Redeemed. Except as may be otherwise provided in this Indenture, in the event of redemption of less than all of the Outstanding Bonds of like maturity, the Trustee shall assign to each such Outstanding registered Bond of the maturity to be redeemed a distinctive number for each \$5,000 of the Principal Amount of such Bond and shall select by lot from the numbers assigned to such Bonds as many numbers as, at \$5,000 for each number, shall equal the Principal Amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the Principal Amount of each such registered Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding.

Section 4.5 Notice of Redemption. When the Trustee receives notice from the Authority of its election or direction to redeem Bonds pursuant to Section 4.2 (including redemption pursuant to Sections 4.1(b) and 4.1(c)), and when redemption of Bonds is required pursuant to Section 4.3 (including redemption pursuant to Section 4.1(a)), the Trustee shall give notice, which notice shall specify the series and maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable, whether such redemption is conditioned upon the availability of funds for such purpose on the redemption date (in the case of redemption pursuant to Section 4.1(b) and 4.1(c)(i)) and, if less than all of the Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the Principal Amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the Principal Amount thereof in the case of Bonds to be redeemed in part only, together with interest accrued on such Bonds to the redemption date, and that from and after such date interest on such Bonds shall cease to accrue and be payable; provided that, if the redemption is conditioned upon funds being available therefor no later than the opening of business on the Business Day prior to the redemption date, the notice shall so state. The Trustee shall mail a copy of such notice, by first class mail, postage prepaid, not less than thirty (30) days nor more than forty-five (45) days before the redemption date, to the Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration book. Failure to give such notice with respect to any Bonds, or any defect therein, shall not affect the validity of the proceedings for redemption of any other Bonds.

Section 4.6 Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 4.5 (and if said notice shall have been conditioned on the availability of funds on the redemption date, then to the extent such funds are so available), the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid on such Bonds to the redemption date, and, upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the Owner, a written instrument of transfer duly executed by the Owner or his attorney duly authorized in writing, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid on such Bonds to the redemption date. If there shall be called for redemption less than all of a registered Bond, the Authority shall execute and deliver, upon the surrender of such Bond, without charge to the

Owner thereof, for the unredeemed balance of the Principal Amount of the registered Bond so surrendered, registered Bonds of like maturity in any of the authorized denominations. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds or portions thereof of such maturity so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate they would have borne had they not been called for redemption.

Section 4.7 Redeemed Bonds as Satisfaction of Sinking Fund Installments. Upon any purchase or redemption of Term Bonds (other than by application of Sinking Fund Installments) an amount equal to the applicable Redemption Prices thereof (as specified below) shall be credited towards a part or all of any one or more of such Sinking Fund Installments, as directed by a certificate of a Borrower Representative, with a copy to the Authority. Such applicable Redemption Prices shall be the respective Redemption Prices which would be applicable upon the redemption of such Bonds from the respective Sinking Fund Installments on the due dates thereof. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of the calculation of Principal Installments due on a future date.

Section 4.8 Purchase of Bonds. In lieu of redemption of Bonds of a series as provided in this Indenture, amounts held by the Trustee for such redemption will, at the written request of the Borrower set forth in a certificate of a Borrower Representative, with a copy to the Authority, received by the Trustee prior to the selection of Bonds of such series for redemption, be applied by the Trustee to the purchase of Bonds of such series at public or private sale as and when and at such prices (including brokerage, accrued interest and other charges) as the Borrower may in its discretion direct, but not to exceed the redemption price which would be payable if such Bonds of such series were redeemed. The aggregate principal amount of Bonds of such series of the same maturity purchased in lieu of redemption may not exceed the aggregate principal amount of Bonds of such series of such maturity which would otherwise be subject to such redemption.

ARTICLE V. PLEDGES; ESTABLISHMENT OF FUNDS AND ACCOUNTS AND APPLICATIONS THEREOF

Section 5.1 Pledges.

(a) With respect to the Bonds, (i) the Pledged Revenues and (ii) all the rights, title and interest of the Authority in and to the Loan, the Loan Agreement and the Deed of Trust, the proceeds and collections of the Authority therefrom and all Funds and Accounts created or established by or maintained pursuant to this Indenture for the benefit of the Bonds and any other property pledged to the payment of any Bonds in the granting clauses hereof, are hereby pledged to the payment of the principal, Redemption Price, if any, and interest on the Bonds in

(b) Notwithstanding the foregoing Section 5.1(a), there are hereby reserved to the Authority, and not in any way pledged to the Bondowners, the Authority's rights under Sections 6.6, 6.8 and 7.4 of the Loan Agreement.

(c) In the event that the Borrower acquires or has acquired additional assets not subject to the liens and pledges described in Section 5.1(a) above ("Other Assets"), such Other Assets shall not be pledged to the payment of the Bonds. To the extent that Bondowners are deemed to have any interest in the Borrower's Other Assets, the Bondowners agree that their interest in those Other Assets is subordinate to the claims or rights of other lenders or creditors, as applicable. The provisions of this Section 5.1(d) constitute a subordination agreement as defined in the U.S. Bankruptcy Code.

Section 5.2 Project Fund. The Authority hereby establishes and creates a special trust fund designated as the Independent Cities Finance Authority Castle Mobile Estates Project Fund (the "Project Fund"), which shall be held by the Trustee. Except as set forth in Section 5.4 hereof, amounts in the Project Fund shall be expended and applied only for making the Loan. On the Closing Date, the Trustee shall pay out moneys in the Project Fund for the purpose of making the Loan, upon receipt by the Trustee of a written direction of the Authority signed by an Authorized Officer.

Upon receipt of such written direction, the Trustee shall make the payments as directed by such direction from the Project Fund. When all monies in the Project Fund have been disbursed, the Trustee shall close the fund.

Section 5.3 Establishment of Other Funds.

(a) The Authority hereby establishes and creates with the Trustee a series of special trust funds to be held as hereinafter set forth in this Article V and designated as follows:

- (1) Revenue Fund;

- (3) Debt Service Reserve Fund;
- (4) Redemption Fund (to be established by the Trustee when needed);
- (5) Rebate Fund (to be established by the Trustee when needed);
- (6) Administration Fund with the General Account, and Borrower Administration Fee Account therein;
- (7) Repair and Replacement Fund (and within such Fund, the Restricted Account and the Unrestricted Account);

Section 5.4 Deposit of Bond Proceeds and Other Moneys.

(a) Bonds. The proceeds of the sale of the Bonds in the amount of \$_____ (representing \$_____ in aggregate principal amount, plus net original issue premium of \$_____, less an Underwriter's discount of \$_____, less proceeds of the Bonds in the amount of \$_____ being delivered by the Underwriter directly to the title company on the Closing Date) shall be deposited with the Trustee on the Closing Date and credited to the Project Fund. The proceeds of the Bonds on deposit in the Project Fund shall be disbursed in accordance with the provisions of Section 5.2 hereof and the terms of the Loan Agreement as follows:

[(3) on the Closing Date, to the City an amount equal to \$_____ to prepay in full the loan between the Borrower and the City.]

Section 5.5 Cost of Issuance Fund. Moneys in the Cost of Issuance Fund shall be applied to the payment of Costs of Issuance, upon receipt of an Officer's Certificate stating the person to whom and the purpose for which each payment is to be made, and the amount of such payment. Upon receipt of an Officer's Certificate stating that the Costs of Issuance have been fully paid

and in any event within six months after the Closing Date, the Trustee shall transfer any remaining balance to the Revenue Fund and such Fund shall be closed.

Section 5.6 Deposits. By its execution of the Loan Agreement, the Authority has caused the Borrower to collect and deposit or cause to be collected and deposited with the Trustee, (i) on or prior to the thirteenth (13th) day of each month, commencing in June 2021, from budgeted Net Operating Revenues from the prior month, amounts sufficient to make the monthly deposits required by paragraphs (a) through (e) of Section 5.7 hereof and (ii) on or prior to the date that is 45 days following the end of each Bond Year, all remaining budgeted Net Operating Revenues from such prior Bond Year. The Trustee shall notify the Authority and the Oversight Agent in the event that Net Operating Revenues sufficient to make the monthly deposits required by paragraphs (a) through (e) of Section 5.7 hereof have not been deposited by the thirteenth (13th) day of each month. The Trustee shall be accountable only for moneys actually so deposited or held. All Net Operating Revenues received by the Trustee shall be deposited for credit to the Revenue Fund to be held by the Trustee. All Prepayments and Net Proceeds with respect to the Loan shall be separately identified by the Borrower to the Trustee, shall be deposited in the Redemption Fund for the benefit of the Owners of Bonds.

Section 5.7 Revenue Fund. The Revenue Fund shall be held by the Trustee for the benefit of the Bonds.

All interest and other income from time to time received from the deposit of moneys in the Revenue Fund shall be retained in such fund and applied pursuant to this Section 5.7. On or before the Business Day preceding the fifteenth (15th) day of each month, the Trustee shall provide a written notice or electronic notice to the Authority and the Oversight Agent of the amount deposited in the Revenue Fund. Except as otherwise set forth below, on the Business Day preceding the fifteenth (15th) day of each month, commencing June 15, 2021, the Trustee shall withdraw from the Revenue Fund and transfer to the following funds the amounts indicated in the following tabulation, in the following order of priority, or so much thereof as remains after first making all prior transfers:

(a) into the Debt Service Fund, (i) commencing on the Business Day preceding June 15, 2021, an amount equal to one-sixth of the interest due on the Bonds on the next Interest Payment Date, (ii) commencing on the Business Day preceding June 15, 2021 to and including the Business Day preceding _____ 15, 20__, an amount equal to one-twelfth of the principal coming due, if any, on the Bonds on the next Principal Payment Date, and commencing on the Business Day preceding June 15, 20__ and thereafter, an amount equal to one-sixth of the principal coming due, if any, on the Bonds on the next Principal Payment Date, and (iv) an amount due on the next redemption date on the Bonds to be redeemed (other than pursuant to mandatory sinking fund redemption), provided that such payments may be net of accrued interest on investments of funds held under this Indenture;

(b) into the Debt Service Reserve Fund, the amount, if any, required by Section 6.25 of the Loan Agreement;

(c) into the Rebate Fund, the amount, if any, required to be deposited therein pursuant to Section 5.11 hereof;

(d) commencing on the Business Day preceding _____ 15, 2022, into the General Account of the Administration Fund, (i) the amount, if any, necessary to pay or provide for one-twelfth of the Trustee Fee, including expenses in connection with the purchase or redemption of any Bonds, all as provided and contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement and specified by the Borrower in writing to the Trustee, (ii) the amount, if any, necessary to pay or provide for one-twelfth of the annual Oversight Agent Fee, and (iii) the amount, if any, necessary to pay or provide for one-twelfth of the other Fees and Charges, if any, all as provided and contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement and specified by the Borrower in writing to the Trustee (any fees and expenses of the Fiduciaries above and beyond the amount contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement shall be paid from the Surplus Fund);

(e) commencing on the Business Day preceding _____ 15, 2022, into the General Account of the Administration Fund, the amount, if any, necessary to pay or provide for one-twelfth of the Authority Annual Fee (not including amounts, if any, due to the Authority for certain audit costs as set forth in the Regulatory Agreement);

(f) into the Borrower Administration Fee Account of the Administration Fund an amount equal to the Borrower Administration Fee as such amount is set forth in writing from the Borrower to the Trustee, which Borrower Administration Fee is authorized hereunder, plus any amounts for previous periods not paid to the Borrower. Any such amounts so deposited to be paid to the Borrower on the last day of each month;

(g) on or after the 60th day following the end of a Bond Year, to the extent of available budgeted Net Operating Revenues from such prior Bond Year, into the Unrestricted Account of the Repair and Replacement Fund, the amount, if any, necessary to bring the aggregate amount on deposit in the Unrestricted Account of the Repair and Replacement Fund to at least \$150,000; and

(h) on or after the 60th day following the end of a Bond Year, after making all of the foregoing transfers, to the Borrower to be used for any lawful purpose.

Notwithstanding the foregoing, so long as the Borrower has monthly Net Operating Revenues that are at least equal to said month's portion of items (a) through (e) of this Section 5.7, then the Borrower may retain from Net Operating Revenues for such month the Borrower Administration Fee for such month, in accordance with the annual budget filed with the Trustee.

Notwithstanding the foregoing paragraphs (d) and (e) of this Section 5.7, the Borrower may at any time elect to deposit additional amounts, including, without limitation, transfers from the Surplus Fund, into the General Account of the Administration Fund. No additional deposits to the General Account of the Administration Fund shall be required under paragraphs (d) and (e) if, on the Business Day preceding the fifteenth (15th) day of any month, sufficient funds have previously been deposited into such accounts.

Section 5.8 Debt Service Fund.

(a) The Debt Service Fund shall be held by the Trustee for the benefit of the Bonds. The Trustee shall withdraw from the Debt Service Fund, on or prior to each Interest Payment Date, an amount equal to the unpaid interest due on the Bonds on that date and shall cause it to be applied to the payment of such interest when due.

(b) If the withdrawals required under subsection (a) of this Section on the same and every prior Interest Payment Date have been made, the Trustee shall withdraw from the Debt Service Fund, on or prior to each Principal Payment Date, an amount equal to the Principal Amount of the Outstanding Bonds, if any, maturing on that date and shall cause it to be applied to the payment of the principal of the Bonds when due.

(c) Each withdrawal from the Debt Service Fund under subsections (a) and (b) of this Section shall be made on or immediately prior to the Interest Payment Date or Principal Payment Date to which it relates, and the amount so withdrawn shall be deemed to be part of the Debt Service Fund until such Interest Payment Date or Principal Payment Date. In the event that amounts on deposit in the Debt Service Fund are insufficient to make the transfers under subsections (a) and (b) when required thereunder, the Trustee shall transfer to the Debt Service Fund the amount of such insufficiency first from the Surplus Fund, and then from the Debt Service Reserve Fund.

(d) The Trustee shall apply money in the Debt Service Fund to the purchase or the redemption of the Term Bonds in the manner provided in this Section and Article IV, provided that no such Bonds shall be so purchased in lieu of redemption during the period of 45 days next preceding each Sinking Fund Installment due date established for such Term Bonds. The price paid by the Trustee (including any brokerage and other charges) for any Term Bond purchased pursuant to this subsection (d) shall not exceed the Redemption Price applicable on the next date on which such Term Bond could be redeemed in accordance with its terms as part of a Sinking Fund Installment. Subject to the limitations set forth and referred to in this Section, the Trustee shall purchase Term Bonds at such times, for such prices, in such manner (whether after advertisement for tenders or otherwise) as the Trustee shall be directed by a certificate of a Borrower Representative, with a copy to the Authority, and as may be possible with the amount of money available in the Debt Service Fund therefor.

(e) As soon as practicable after the 45th day but not later than the 30th day prior to the due date of any Sinking Fund Installment, the Trustee shall proceed pursuant to Section 4.3 to call for redemption on that date a Principal Amount of Term Bonds subject to such Sinking Fund Installment in such amount as shall be necessary to complete the retirement of the Principal Amount of the Term Bonds of such maturity specified for such Sinking Fund Installment. The Trustee shall withdraw from the Debt Service Fund, on or prior to the due date of the next Sinking Fund Installment, an amount equal to the Principal Amount of the Term Bonds called for redemption on such date pursuant to this subsection; and shall cause it to be applied to the payment of the Redemption Price thereof on such date.

If, by application of moneys in the Debt Service Fund, the Trustee shall purchase in any Bond Year Term Bonds subject to redemption from moneys in the Debt Service Fund in excess

of the aggregate Sinking Fund Installment in respect of such Term Bonds for such Bond Year, the Trustee shall file with the Authority and the Borrower not later than the 20th day preceding the close of such Bond Year, a statement identifying such Term Bonds purchased and called for redemption during such Bond Year. The Borrower shall thereafter cause a certificate of a Borrower Representative, with a copy to the Authority, to be filed with the Trustee not later than the 10th day preceding the close of such Bond Year setting forth with respect to the amount of such excess the years in which Sinking Fund Installments are to be reduced and the respective amounts by which such Sinking Fund Installments are to be reduced; provided that such reduction shall be as nearly as practicable allocated pro rata among remaining Sinking Fund Installments so as to be in increments of \$5,000.

Upon the retirement of any Term Bonds by purchase or redemption pursuant to this Section, the Trustee shall file with the Authority and the Borrower a statement identifying such Bonds and setting forth the date of their purchase or redemption, the amount of the purchase price or the Redemption Price of such Term Bonds and the amount paid as interest thereon.

(f) All interest and other income from time to time received from the deposit and investment of moneys in the Debt Service Fund shall be transferred upon receipt to the Revenue Fund.

(g) No amount shall be withdrawn or transferred from or paid out of the Debt Service Fund except as provided in this Section.

Section 5.9 Debt Service Reserve Fund.

(a) The Debt Service Reserve Fund shall be held by the Trustee for the benefit of the Bonds. If available moneys in the Debt Service Fund and the Surplus Fund shall be insufficient to pay in full the interest on and principal of any Bonds becoming due on any Interest Payment Date, Principal Payment Date or any date on which Bonds have been called for redemption, the Trustee shall transfer an amount equal to the deficiency, from the Debt Service Reserve Fund to the Debt Service Fund for such purpose unless the Authority shall, by an Officer's Certificate delivered to the Trustee prior to the Interest Payment Date, designate one or more Funds or Accounts from which an amount equal to the deficiency in the Debt Service Fund is required to be transferred to the Debt Service Fund.

(b) All interest and other income from time to time received from the deposit and investment of moneys in the Debt Service Reserve Fund shall be transferred upon receipt to the Revenue Fund.

(c) If, on or before an Interest Payment Date, the amount in the Debt Service Reserve Fund exceeds the Debt Service Reserve Fund Requirement, the Trustee shall withdraw the amount therein in excess of the Debt Service Reserve Fund Requirement and transfer such amount to the Revenue Fund.

(d) Whenever the Authority shall receive a Prepayment or Net Proceeds and shall transfer the proceeds thereof to the Redemption Fund, which in any such case would result in the reduction of the Debt Service Reserve Fund Requirement upon application of the moneys so transferred to the purchase or redemption of Bonds, the Trustee shall, immediately prior to and in

connection with each such purchase or redemption, withdraw from the Debt Service Reserve Fund and deposit in the Redemption Fund an amount of moneys equal to the reduction of the Debt Service Reserve Fund Requirement which would result upon the purchase or redemption of such Bonds (including the purchase or redemption of such Bonds utilizing the moneys being transferred from the Debt Service Reserve Fund and deposited in the Redemption Fund pursuant to the provisions of this paragraph), but only to the extent that any such withdrawal would not reduce the amount of the Debt Service Reserve Fund below the Debt Service Reserve Fund Requirement. The amount of moneys to be withdrawn from the Debt Service Reserve Fund in each instance pursuant to the provisions of this paragraph shall be as determined by a certificate of a Borrower Representative filed with the Trustee, with a copy to the Authority.

Section 5.10 Redemption Fund.

(a) The Redemption Fund shall be held by the Trustee for the benefit of the Bonds. The Trustee shall deposit into the Redemption Fund any Prepayments or Net Proceeds pursuant to Section 5.6. Any moneys on deposit in the Redemption Fund shall be used and applied, as soon as practicable following the receipt thereof, but not later than twelve months after such receipt, for either or both of the following purposes:

(1) to the redemption of Bonds as may be designated in an Officer's Certificate; or

(2) to the purchase of Bonds at the price specified by the Borrower, but only upon receipt of a certificate of a Borrower Representative, with a copy to the Authority, stating the Principal Amounts and maturities of the Bonds to be purchased; provided that no such purchase shall be made at a price in excess of the Redemption Price applicable on the next ensuing redemption date, and that no such purchase shall be made during the period of 45 days next preceding a redemption date from moneys to be applied pursuant to paragraph (1) above to the redemption of Bonds on such date.

(b) Accrued interest on purchased Bonds shall be paid from the Debt Service Fund.

(c) All interest and other income from time to time received from the deposit and investment of moneys in the Redemption Fund shall be transferred upon receipt to the Revenue Fund.

(d) No amount shall be withdrawn or transferred from or paid out of the Redemption Fund except as provided in this Section.

Section 5.11 Rebate Fund.

(a) The Rebate Fund shall be established when needed and administered in accordance with the provision of Section 7.14 hereof. The Rebate Fund shall not be subject to the lien or encumbrance of this Indenture and shall be held in trust by the Trustee for the benefit of the United States of America. The amounts deposited in the Rebate Fund shall be subject to the claim of no other person, including that of the Trustee and Bondowners. Moneys transferred to the Rebate Fund pursuant to Section 7.14 hereof shall be used for no other purpose than to

make payments to the United States Treasury, at the time and manner and in the amount and as more fully provided in Section 7.14 hereof.

(b) The Trustee shall be deemed conclusively to have complied with the provisions of this Indenture and the Tax Certificate with respect to Rebatable Arbitrage if it follows the directions of the Borrower, and the Trustee shall have no independent responsibility to, or liability resulting from its failure to, enforce compliance by the Borrower or the Authority with the Tax Certificate or the provisions of this Indenture and the Tax Certificate with respect to Rebatable Arbitrage.

Section 5.12 Administration Fund.

(a) The Trustee shall establish the Administration Fund and establish therein the General Account and the Borrower Administration Fee Account to be administered as provided in this Indenture. Moneys deposited in the Accounts of the Administration Fund pursuant to Section 5.7, shall be held therein in segregated Accounts until disbursed for the purposes hereafter provided.

(b) \$0 shall be deposited into the General Account of the Administration Fund on the Closing Date. Moneys deposited in the General Account of the Administration Fund shall be applied by the Trustee to the Authority Annual Fee (payable on a monthly basis to the Authority commencing on _____ 15, 2022; provided that amounts, if any, due to the Authority for certain audit costs as set forth in the Regulatory Agreement shall be payable upon receipt of an invoice from the Authority) and the Oversight Agent Fee (payable on a quarterly basis to the Oversight Agent commencing on _____ 15, 2022) and, from time to time as directed by a certificate of a Borrower Representative, with a copy to the Authority, to the payment of ordinary fees and expenses of Fiduciaries, including expenses of purchase or redemption of Bonds. Any fees and expenses of the Fiduciaries and amounts payable to the Authority above and beyond the amount contemplated in the final annual budget prepared by the Borrower shall be paid from the Surplus Fund, or if the Surplus Fund is insufficient, shall be paid by the Borrower.

(c) Moneys deposited in the Borrower Administration Fee Account of the Administration Fund shall be applied by the Trustee, on a monthly basis, to the payment of the Borrower Administration Fee per the written direction of a Borrower Representative.

(d) All interest and other income from time to time received from the deposit and investment of moneys in the Accounts of the Administration Fund shall be transferred upon receipt to the Revenue Fund.

(e) No amount shall be withdrawn or transferred from or paid out of the Administration Fund except as provided in this Section 5.12.

Section 5.13 Repair and Replacement Fund. The Trustee shall establish and hold the Repair and Replacement Fund for the financial benefit of the Project and shall deposit into the accounts therein such amounts specified in Section 5.4 on the Closing Date and thereafter into the Unrestricted Account thereof the amounts specified in Section 5.4 and in Section 5.7(g). Moneys deposited in the Repair and Replacement Fund shall be held therein segregated from

other funds held by the Trustee until disbursed for the purposes hereafter provided. Expenditures from the Repair and Replacement Fund which are not included in the annual budget and Exhibit C of the Loan Agreement shall be subject to the Oversight Agent's approval. Disbursements from the Restricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower and approved in writing by the Oversight Agent solely for the purpose of funding capital improvements to the Project, including certain of the items set forth in Exhibit C to the Loan Agreement and capital improvements to the Project identified in the annual budget filed by the Borrower pursuant to the Loan Agreement, or to redeem Bonds. Disbursements from the Unrestricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower for the purpose of effecting the remaining items set forth in Exhibit C to the Loan Agreement or for any other purpose for the benefit of the Project in accordance with the annual budget filed by the Borrower pursuant to the Loan Agreement or for such other similar purposes which the Oversight Agent shall reasonably direct, including maintenance costs, replacement of machinery and appliances and including, if necessary, making payments for debt service on the Bonds. Moneys in the Repair and Replacement Fund shall be disbursed upon the written request of the Borrower in accordance with the provisions of Section 6.22 of the Loan Agreement. Interest earnings on moneys in the Repair and Replacement Fund will be deposited to the Revenue Fund. The Trustee shall also accept for deposit into the Unrestricted Account of the Repair and Replacement Fund, any other moneys delivered from time to time by the Borrower, including, without limitation, transfers from the Surplus Fund, with directions for deposit to such account of the Repair and Replacement Fund.

Moneys in the Repair and Replacement Fund shall be expended in accordance with the written instruction of the Borrower which instructions shall comply with the terms of the Tax Certificate.

Section 5.14 Surplus Fund.

(a) The Surplus Fund shall be held by the Trustee. The Trustee shall deposit into the Surplus Fund the amounts specified in Section 5.7(h) hereof. Annually, following computation and deposit of the Rebateable Arbitrage for the preceding Bond Year (if required for such Bond Year by Section 7.14 hereof) in the Rebate Fund in accordance with Section 7.14 hereof and provided there is no deficiency in the Debt Service Fund, the Debt Service Reserve Fund, the Rebate Fund, the Administration Fund or the Repair and Replacement Fund, any moneys in the Surplus Fund shall be released from the lien hereof, not less frequently than annually, upon delivery to the Trustee of the semi-annual Coverage Requirement Certificate and provided no Event of Default has been declared hereunder or pursuant to the Loan Agreement, the amounts on deposit in the Surplus Fund as of the conclusion of the immediately preceding Bond Year shall, at the written direction of a Borrower Representative, remain on deposit in the Surplus Fund, be transferred to the Borrower or be transferred to any other party at the direction of the Borrower for use for any lawful purpose.

(b) If at any time there is a deficiency in the Debt Service Fund, the Debt Service Reserve Fund, the Rebate Fund, the Administration Fund or the Repair and Replacement Fund, the Trustee shall withdraw from the Surplus Fund, to the extent there are any moneys therein and deposit in such Fund in the order described in Section 5.7 hereof, the amount necessary to remedy such deficiency and shall give written notice to the Authority of such withdrawal.

(c) All interest and other income from time to time received from the deposit and investment of moneys in the Surplus Fund shall be transferred upon receipt to the Revenue Fund.

In determining the appropriate Qualified Investments, the Borrower Representative, with a copy to the Authority of any written directions given to the Trustee, shall review and comply with the following investment restrictions with respect to each Fund:

Section 7.10 Enforcement and Foreclosure of Deed of Trust.

(a) The Authority shall cooperate with the Trustee in connection with the enforcement, and take all reasonable action necessary for the enforcement of all terms, covenants and conditions of the Deed of Trust securing the Loan, including the prompt payment of Revenues.

(b) Whenever it shall be necessary in order to protect and enforce the rights of the Authority under the Deed of Trust securing the Loan and to protect and enforce the rights and interest of Bondowners under this Indenture, the Trustee shall commence foreclosure proceedings or pursue other appropriate remedies against the Borrower in default under the provisions of the Deed of Trust and, in protection and enforcement of its rights under the Deed of Trust, may bid for and purchase the Project at any foreclosure or other sale thereof and pursuant thereto or otherwise acquire and take possession of such Project.

Neither the Borrower nor any related person (as defined in Section 147(a) of the Code) of the Borrower shall, pursuant to an arrangement, formal or informal, purchase any Bonds in an amount related to the amount of the Loan to be made to or acquired from such Borrower by the Authority.

The Authority shall assure that, from the aggregate proceeds of the Bonds received from the Underwriter on the Closing Date and investment earnings thereon, an amount not in excess of two percent (2%) of the aggregate face amount of the shall be used to pay for, or provide for the payment of Cost of Issuance. For this purpose, if the fees of the Underwriter are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for said fees.

The Authority shall take no action nor permit nor suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code.

No portion of the proceeds of the Bonds shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Bonds shall be used for an office unless the office is located on the premises of the facilities constituting the Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(ii) Transfer. Within 55 days of the end of each fifth Bond Year, the Authority shall cause the Borrower to transfer to the Trustee for deposit an amount in the Rebate Fund, if and to the extent required so that the balance in the Rebate Fund equals the amount of Rebatable Arbitrage so calculated in accordance with (i) of this Subsection (c). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, the Borrower may direct the Trustee to withdraw the excess from the Rebate Fund and credit the excess to the Revenue Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed by the Borrower, to the United States Treasury, out of amounts in the Rebate Fund,

(iv) Deficiencies. In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Authority shall direct the Borrower to calculate or cause to be calculated the amount of such deficiency and transfer to the Trustee for deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made

pursuant to this Subsection (iv) shall be made to the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038T, or shall be made in such other manner as provided under the Code.

(e) As set forth in the Loan Agreement, the Borrower shall be responsible for any fees and expenses incurred by the Authority, the Trustee, and the Rebate Analyst under or pursuant to this Section.

(f) The provisions of this Section may be amended or deleted from this Indenture upon receipt by the Authority and the Trustee of a Counsel’s Opinion that such amendment or deletion will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes. Any moneys on deposit in the Rebate Fund may be applied by the Trustee as permitted in such opinion. As set forth in the Loan Agreement, fees and expenses incurred in connection with the determination of Rebateable Arbitrage shall be paid by the Borrower pursuant to the provisions of the Loan Agreement.

The Trustee shall not be under any obligation or duty to perform any act which would cause the Trustee to incur or be subject to any expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful default. The Trustee shall not be under any responsibility or duty with respect to the application of any moneys paid to any one of the others. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Bondowners pursuant to this Indenture, unless such Bondowners shall have offered to the Trustee compensations, reimbursement of its reasonable attorneys' fees and costs, and security or indemnity satisfactory to it against further costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Authority, personally or by agent or attorney.

The Trustee shall not be responsible for the recording or filing of any document relating to this Indenture or the Loan Agreement or of financing statements or continuation statement or of any supplemental instruments or documents of further assurance as may be required by law in order to perfect the security interests in any collateral given to or held by it.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

The Trustee shall not be deemed to have knowledge of an Event of Default, or an "event of default" as defined by the Loan Documents, unless a responsible officer of the Trustee has actual knowledge thereof at its Designated Office.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

The Trustee is authorized and directed to execute in its capacity as Trustee the Regulatory Agreement and the Loan Agreement.

Anything to the contrary notwithstanding, the Trustee shall not be required to enter, take possession of, or take any other action whatsoever with respect to the Project, and shall not be required to initiate foreclosure proceedings with respect to the Project and the Deed of Trust unless the Trustee is satisfied that the Trustee will not be subject to any liability under any local, state or federal environmental laws or regulations of any kind whatsoever or from any circumstances present at the Project relating to the presence, use, management, disposal of, or contamination by any environmentally hazardous materials or substances of any kind whatsoever.

Before taking any action under Article XI hereof, the Trustee may require indemnity satisfactory to the Trustee be furnished from any expenses and to protect it against any liability it may incur hereunder.

The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of a majority (or other percentage provided for herein) in aggregate principal amount of Bonds outstanding relating to the exercise of any right, power or remedy available to the Trustee.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

The Trustee may request that the Authority deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 8.5 Compensation. The Authority shall approve payment to the Trustee and each Paying Agent from time to time of compensation for all services rendered under this Indenture as set forth in a written agreement, and also all reasonable expenses, charges, counsel fees and expenses and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture. In

addition, the Authority shall pay the Trustee's reasonable compensation and reimburse its reasonable expenses, including attorneys' and agent's fees and expenses, for any extraordinary services performed in the exercise of its powers and duties under this Indenture. Subject to the provisions of Section 14.3, the Authority further agrees to indemnify and save the Trustee and each Paying Agent harmless against any and all losses, damages, expenses, claims, liabilities which any of them may incur in the exercise and performance of its powers and duties hereunder, and which are not due to the negligence or willful default. The provisions of this Section shall survive the termination of this Indenture.

Section 8.6 Permitted Acts and Functions. The Trustee and any Paying Agent may buy, own, hold and sell (including acting as an underwriter in respect of) any bonds, coupons or notes of the Authority, whether heretofore or hereafter issued or created; and may engage or be interested in any financial or other transaction with the Authority, with like effect and with the same rights it would have if it were not the Trustee. The Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondowners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in Principal Amount of the Bonds then Outstanding.

Section 8.7 Replacement of Trustee. The Trustee may resign by notifying the Authority in writing at least 60 days prior to the proposed effective date of the resignation. The Owners of a majority in Principal Amount of the Bonds may remove the Trustee upon 30 days' prior written notice to the Trustee and the Authority (with a copy of same to the Borrower).

No resignation or removal of the Trustee under this Section shall be effective until a new Trustee has taken office.

If the Trustee resigns or is removed or for any reason is unable or unwilling to perform its duties under this Indenture, the Authority shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Authority. Immediately thereafter, the retiring Trustee shall transfer, in strict compliance with the terms thereof, all property held by it as Trustee to the successor Trustee and the resignation or removal of the retiring Trustee shall then (but only then) become effective and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture.

If a Trustee is not performing its duties hereunder and a successor Trustee does not take office within 60 days after the retiring Trustee delivers notice of resignation or the Authority delivers notice of removal, the retiring Trustee, the Authority or the Owners of a majority in Principal Amount of the Bonds may petition, at the expense of the Borrower, any court of competent jurisdiction for the appointment of a successor Trustee.

Section 8.8 Successor Trustee or Agent by Merger. If the Trustee or any Paying Agent consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business (or, in the case of a national association bank or trust company, its corporate trust

assets) to, another corporation, bank, or national association, the resulting, surviving or transferee corporation, bank, or national association without any further act shall be the successor Trustee or Paying Agent.

Section 8.9 Several Capacities. Anything in this Indenture to the contrary notwithstanding, the same entity may serve hereunder as the Trustee, the Paying Agent and any other agent as appointed to perform duties or obligations under this Indenture, under a Supplemental Indenture, or in any combination of such capacities, to the extent permitted by law.

Section 8.10 Resignation or Removal of Paying Agents and Appointment of Successors. Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' written notice to the Authority and the Trustee. Any Paying Agent may be removed at any time by an instrument filed with the Trustee and signed by an Authorized Officer. Any initial or successor Paying Agent shall be appointed by the Authority and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having capital and surplus aggregating at least Five Million Dollars (\$5,000,000), and willing and able to accept the office of Paying Agent on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it to its successor, or if there be no successor then appointed, to the Trustee until such successor be appointed.

Section 8.11 Co-Trustees. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular in case of the enforcement thereof on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section shall govern the appointment of separate or co-trustees.

The Trustee may, in its discretion, appoint one or more additional individuals or institutions as separate or co-trustees by written instrument. The Trustee may from time to time, in writing, prescribe the powers, duties and rights of each separate or co-trustee and may remove any such separate or co-trustee. Each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall, to the extent provided by the Trustee, be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable the separate or co-trustee to exercise the powers, rights and duties so provided by the Trustee, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either the Trustee or such separate or co-trustee.

Should any deed, conveyance or other instrument from the Authority be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, owners, trusts, duties and obligations, any and all such deeds, conveyances and other instruments shall on request, be executed, acknowledged and delivered by the Authority. In case any separate trustee or co-trustee, or successor to either, shall die, become incapable of acting, resign or be separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

Section 8.12 Continuing Disclosure. Pursuant to Section 6.15 of the Loan Agreement, the Borrower has undertaken all responsibility for compliance with continuing disclosure requirements, and the Authority shall have no liability to the Owners of the Bonds or any other person with respect to such disclosure matters. Notwithstanding any other provision of this Indenture, failure of the Borrower or the Authority to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, any Bondowner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Borrower and the Authority to comply with its obligations under Section 6.15 of the Loan Agreement.

Section 8.13 Representations of Trustee in Connection With Bond Closing. In connection with the execution and delivery of this Indenture, the Trustee represents and warrants that:

(a) The Trustee has full power and authority to carry on its business as now being conducted and to enter into this Indenture, the Loan Agreement and the Regulatory Agreement (the “Bond Documents”) and the transactions contemplated thereby;

(b) The Bond Documents have been duly executed and delivered by the Trustee;

(c) The Bond Documents constitute valid, legal, binding, and enforceable obligations of the Trustee (subject to bankruptcy, insolvency or creditor rights laws generally, and principles of equity generally) without offset, defense, or counterclaim;

(d) The execution, delivery, and performance of the Bond Documents by the Trustee will not cause or constitute, including due notice or lapse of time or both, a default under or conflict with organizational documents of the Trustee or other agreements to which the Trustee is a party or otherwise materially or adversely affect performance of the Trustee’s duties;

(e) The execution, delivery, and performance of the Bond Documents by the Trustee will not violate any law, regulation, order, or decree of any governmental authority to which the Trustee is subject;

(f) All consents, approvals, authorizations, orders, or filings of or with any court or governmental agency or body, if any, required for the execution, delivery, and performance of the Bond Documents by the Trustee have been obtained or made; and

(g) There is no pending action, suit, or proceeding, arbitration or governmental investigation against the Trustee, an adverse outcome of which materially affects performance by the Trustee under the Bond Documents.

ARTICLE IX. SUPPLEMENTAL INDENTURE

Section 9.1 Supplemental Indentures Effective Without Consent of Bondowners. The Authority may adopt, without the consent of or notice to Bondowners, at any time or from time to time Supplemental Indentures for any one or more of the following purposes, and any such Indenture or Supplemental Indenture shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer:

(a) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in this Indenture;

(b) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority;

(c) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Indenture, provided that no such surrender is contrary to or inconsistent with the covenants and agreements of the Authority contained in this Indenture;

(d) To confirm as further assurance any pledge under, and the subjection to any lien, claim or pledge created or to be created by, the provisions of this Indenture;

(e) To modify any of the provisions of this Indenture or any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective until after all Bonds Outstanding as of the date of adoption of such Indenture or Supplemental Indenture shall cease to be Outstanding, and all Bonds issued after the date of adoption of such Indenture shall contain a specific reference to the modifications contained in such Indenture;

(f) To amend this Indenture to add such provisions as may be necessary or advisable in connection with the substitution of any additional security; provided that any such modification does not materially adversely affect interests of any Bondholders;

(g) To amend the Indenture in any and all respects as may be necessary or advisable to implement any amendment of the Code or the provision of any tax legislation enacted in place thereof;

(h) To make such amendments to add such other provisions in regard to matters or questions arising out of this Indenture which shall not materially adversely affect the interests of the Owners of the Bonds affected thereby; or

(i) To cure any ambiguity or defect or inconsistent provision in this Indenture or to insert such provisions clarifying matters or questions arising under this Indenture as are

necessary or desirable; provided that any such modifications do not materially adversely affect the interests of any Bondowners.

Section 9.2 Supplemental Indenture Effective with Consent of Bondowners. The provisions of this Indenture may be modified at any time or from time to time supplemented by a Supplemental Indenture, subject to the consent of Bondowners in accordance with and subject to the provisions of Article X hereof.

Section 9.3 General Provisions Relating to Indenture and Supplemental Indentures. This Indenture shall not be modified or amended in any respect except in accordance with and subject to the provisions this Article IX and Article X. Nothing contained in this Article IX or Article X shall affect or limit the right or obligations of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provision of Section 7.3 hereof or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in this Indenture provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Indenture and Supplemental Indenture adopted by the Authority when filed with the Trustee shall be accompanied by a Counsel's Opinion stating that such Indenture or Supplemental Indenture has been duly and lawfully adopted in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and is valid and binding upon the Authority and enforceable in accordance with its terms, except as to enforcement of remedies which may be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally, and, if applicable, is not materially adverse to the interests of any Bondholders.

The Trustee is hereby authorized to accept delivery of a certified copy of any Supplemental Indenture permitted or authorized pursuant to the provisions of this Indenture and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on Counsel's Opinion that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

No Indenture or Supplemental Indenture changing, amending or modifying any of the rights or obligations of the Trustee, Paying Agent or any Fiduciary may be adopted by the Authority without the written consent of such Trustee, Paying Agent or Fiduciary affected thereby.

ARTICLE X. AMENDMENTS OF INDENTURE

Section 10.1 Powers of Amendment. Any modification or amendments of this Indenture and of the rights and obligations of the Authority and of the Owners of the Bonds, may be made by a Supplemental Indenture, with, except as provided in Section 9.1 hereof, the written consent given as hereinafter provided in Section 10.2, of the Owners of at least two-thirds in Principal Amount of the Bonds outstanding at the time such consent is given; provided, however, that if any such modification or amendment will, by its terms, not take effect so long as any series of Bonds of any maturity remain Outstanding, the consent of the Owners of such series of Bonds and maturity shall not be required and such series of Bonds shall not be deemed to be

Outstanding for the purpose of any calculation of the Principal Amount of Outstanding Bonds under this Section. In the event that the Supplemental Indenture shall contain provisions which affect the rights and interests of one series of Bonds (but not the others), then the Owners of not less than two-thirds of the Principal Amount of the series of Bonds which are affected by such changes shall have the right from time to time to consent to and approve the execution by the Authority of any Supplemental Indenture deemed necessary or desirable by the Authority for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in the Indenture and affecting only the Bonds of such series; provided, however, unless approved by the Owners of all the Bonds of all the affected series then Outstanding, nothing herein shall permit or be construed as permitting such items as further provided in this Section 10.1. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the Principal Amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owners of which is required to effect any such modification or amendment. The Trustee may determine whether or not in accordance with the foregoing provisions Bonds of any particular maturity would be affected by any modification or amendment of this Indenture and any such determination shall be binding and conclusive on the Authority and all Owners of Bonds. The Trustee may receive an opinion of counsel, including a Counsel's Opinion, as conclusive evidence as to whether Bonds of any particular maturity of such series would be so affected by any such modification or amendment of this Indenture.

Section 10.2 Consent of Bondowners. The Authority may at any time adopt a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.1 to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto) together with a request to Bondowners for their consent thereto by the Authority to Bondowners, shall be mailed by the Trustee by first class mail, postage prepaid to the Owners of all Outstanding Bonds. Such Supplemental Indenture shall not be effective unless and until (a) there have been filed with the Trustee (i) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 10.1 and (ii) a Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and is valid and binding upon the Authority and enforceable in accordance with its terms, and (b) a notice shall have been given as hereinafter in this Section 10.2 provided. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.1. A certificate or certificates by the Authority filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 12.1 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates of the Authority. Any such consent shall be binding upon the Owner of the Bonds giving such consent and, anything in Section 12.1 to the contrary notwithstanding, upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof), unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing with the Trustee prior to the time when the written statement of the Authority hereinafter in this Section 10.2 provided for is filed, such revocation. At any time after the Owners of the required percentages of Bonds shall have filed

their consents to the Supplemental Indenture, the Authority shall make and file with the Trustee a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section 10.2, may be given to Bondowners by the Authority by mailing such notice to Bondowners (but failure to make such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section 10.2 provided) not more than ninety (90) days after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture and the written statement of the Authority hereinabove provided for is filed. The Authority shall file with the Trustee proof of the mailing of such notice. A transcript, consisting of the papers required or permitted by this Section 10.2 to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Authority, each Fiduciary and the Owners of all Bonds at the expiration of thirty (30) days after the filing with the Trustee of the proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the Authority during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient.

Section 10.3 Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the Authority and of the Owners of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Authority of a Supplemental Indenture and the consent of the Owners of all of the Bonds then Outstanding, such consent to be given as provided in Section 10.2, except that no notice to Bondowners shall be required.

Section 10.4 Mailing. Any provision in this Article for the mailing of a notice or other document to Bondowners shall be fully complied with if such notice or document is mailed postage prepaid only (i) to each Owner of Bonds then Outstanding at his or her address, appearing upon the registration books held by the Trustee and (ii) to the Trustee.

Section 10.5 Exclusion of Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or other action or any calculation of the Principal Amount of Outstanding Bonds provided for in this Article, and the Authority shall not be entitled with respect to such Bonds to give any consent or take any other action provided for taken under this Article. The Authority shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 10.6 Notation on Bonds. Bonds delivered after the effective date of any action taken as in Article IX or this Article provided may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to

such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and upon presentation of such Bond for the purpose at the Designated Office of the Trustee, suitable notation shall be made on such Bond by the Trustee as to any such action. If the Authority shall so determine as set forth in a certificate of an Authorized Officer, new Bonds so modified as in the opinion of the Authority to conform to such action shall be prepared and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, upon surrender of such Bonds.

Section 10.7 Consent of Borrower. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such Supplemental Indenture.

ARTICLE XI. DEFAULTS AND REMEDIES

Section 11.1 Events of Default. Each of the following events is hereby declared a “Event of Default”, that is to say; if

(i) the Authority shall fail to make payment of the principal of, or Redemption Price of, or Sinking Fund Installment on, any Bond from the Trust Estate after the same shall become due, whether at maturity or upon call for redemption, or otherwise; or

(ii) the Authority shall fail to make payment of interest on any Bond from the Trust Estate when and as the same shall become due; or

(iii) the Authority shall default in the performance or observance of any other of the covenants, agreements or conditions on its part in this Indenture, any Supplemental Indenture, or in the Bonds contained, and such default shall continue for a period of ninety (90) days after written notice thereof by the Trustee or the Owners of not less than five percent (5%) in Principal Amount of the Outstanding Bonds.

Section 11.2 Remedies.

(a) Upon the happening and continuance of any Event of Default specified in Section 11.1, then, and in each such case, subject in any event to the provisions of Section 7.10 hereof, the Trustee may proceed, and upon the written request of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds shall, subject to Section 8.4 hereof, proceed in its own name, to protect and enforce its rights and the rights of the Bondowners by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(i) by suit, action or proceeding, enforce all rights of the Bondowners hereunder, including the right to require the Borrower to receive and collect Pledged Revenues adequate to carry out the covenants and agreements as to, and pledge of, such Pledged Revenues, and to require the Borrower to carry out any other covenant or agreement with Bondowners and to perform its duties under the Loan Agreement;

(ii) by bringing suit upon the Bonds;

(iii) by action or suit, require the Borrower to account as if the Borrower were the trustee of an express trust for the Owners of the Bonds; or

(iv) by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds hereunder.

(b) Upon the happening and continuance of any Event of Default specified in clause (i) or (ii) of Section 11.1, then, and in each such case, subject in any event to the provisions of Section 7.10 hereof, the Trustee may, and upon the written request of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds, shall declare all Bonds due and payable, and if all defaults shall be made good, then, with the written consent of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds, annul such declaration and its consequences.

(c) In the enforcement of any remedy under this Indenture, the Trustee shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming, and any time remaining, due from the Borrower for principal, Redemption Price, interest or otherwise, under any provision of this Indenture, the Loan Agreement or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under the Bonds, including reasonable attorneys' fees.

Section 11.3 Priority of Payments after Event of Default. In the event that the funds held by the Trustee and Paying Agents shall be insufficient for the payment of principal or Redemption Price of and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Trustee acting pursuant to this Article XI, after making provision for the payment of any expenses necessary in the opinion of the Trustee or the Authority to protect the interests of the Owners of the Bonds, and for the payment of the fees, charges and expenses and liabilities incurred and advances made by the Trustee or the Authority in the performance of their duties under this Indenture, including reasonable attorneys' fees, shall be applied as follows:

(a) Unless the principal of all the Bonds shall not have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid Principal Amounts or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of Principal Amounts or Redemption

Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatsoever to the Authority, to any Bondowner or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the Owner of any unpaid Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 11.4 Termination of Proceedings. In the case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every case the Authority, the Trustee and the Bondowners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 11.5 Bondowners' Direction of Proceedings. Subject to the provisions of Section 7.10 hereof, the Owners of a majority in Principal Amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Indenture and that the Trustee shall have the right to decline to follow any direction which in the opinion of the Trustee would be unjustly prejudicial to Bondowners not parties to such direction.

Section 11.6 Limitations on Rights of Bondowners. No Owner of any Bond of any series shall have any right to institute any suit, action or other proceedings hereunder, or for the protection or enforcement of any right under this Indenture or any right under law, unless such Owner shall

have given to the Trustee written notice of the Event of Default or breach of duty on account of which suit, action or proceeding is to be taken, and unless the Owners of not less than twenty-five percent (25%) in Principal Amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case at the option of the Trustee to be conditions precedent to the execution of the powers under this Indenture or for any other remedy hereunder or under law. It is understood and intended that no one or more Owners of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture, or to enforce any right hereunder or under law with respect to the Bonds or this Indenture, except in the manner herein provided, and that all proceedings shall be instituted, had and maintained in the manner herein provided and for the benefit of all Owners of the Outstanding Bonds. Notwithstanding the foregoing provisions of this Section or any other provisions of this Article XI, the obligation of the Authority shall be absolute and unconditional to pay the principal and Redemption Price of and interest on the Bonds to the respective Owners thereof at the respective due dates thereof, and nothing herein shall affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Owners).

Anything to the contrary contained in this Section 11.7 or any other provision of this Indenture notwithstanding, each Owner of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under the Indenture or any Supplemental Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing of any party litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondowner, or group of Bondowners, holding at least twenty-five percent (25%) in Principal Amount of the Bonds Outstanding, or to any suit instituted by any Bondowner for the enforcement of the payment of the principal or Redemption Price of or interest on any Bond on or after the respective date thereof expressed in such Bond.

Section 11.7 Possession of Bonds by Trustee Not Required. All rights of action under this Indenture or under any of the Bonds, enforceable by the Trustee, may be enforced by it without possession of any of the Bonds or the production thereof in the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Owners of such Bonds, subject to the provisions of this Indenture.

Section 11.8 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Owners of the Bonds is intended to be exclusive of any other remedy or

remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 11.9 No Waiver of Default. No delay or omission of the Trustee or of any Owner of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee and the Owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.10 Notice of Event of Default. The Trustee shall give to the Bondowners, the Authority and S&P, if S&P is then rating the Bonds, notice of each Event of Default hereunder known to the Trustee within three (3) Business Days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided that, except in the cases of (i) default in any payment of the principal or Redemption Price of, or interest on any of the Bonds, or (ii) in the making of any payment required to be made into any of the Debt Service Fund or the Debt Service Reserve Fund the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Bondowners. Each such notice of Event of Default shall be given by mailing written notice thereof to all registered Owners of Bonds, as the names and address of such Owners appear upon the books of registration as kept by the Trustee.

ARTICLE XII. EXECUTION OF INSTRUMENTS BY BONDOWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 12.1 Evidence of Signatures of Bondowners and Ownership of Bonds. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondowners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Bondowners in person or by their attorneys or agents appointed by an instrument in writing for that purpose. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the holding and ownership of Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein provided), if made in the following manner: The fact and date of the execution by any Bondowner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by delivery of a certificate, which need not be acknowledged or verified, of an officer of any bank, trust company, or investment banking firm or of any notary public, or other officer authorized to take acknowledgments. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which may seem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done or suffered to be done by the Authority, the Trustee or any Paying Agent pursuant to such request or consent.

ARTICLE XIII. DEFEASANCE

Section 13.1 Defeasance.

(a) If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds then Outstanding, the principal of and interest on and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Indenture, then and in that event the covenants, agreements and other obligations of the Authority to the Bondowners shall be discharged and satisfied. In such event, the Trustee shall, (i) upon request of the Authority, execute and deliver to the Authority and the Borrower all such instruments as may be reasonably requested by the Authority to evidence such release and discharge, and (ii) if S&P is then rating the Bonds, give written notice to S&P of the date on which such payments were made. In addition, the Trustee and the Paying Agents shall pay over to or deliver to the Borrower all moneys or securities held by them pursuant to the Indenture which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment of any amounts owed to the Trustee or for the payment or redemption.

(b) If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of the Bonds then Outstanding, the principal of and interest on and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Indenture, then and in that event such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture and the covenants, agreements and other obligations of the Authority to the Owners of such Bonds shall be discharged and satisfied, except for the Authority's obligations under Section 7.14 hereof and its obligations under Section 8.5, to the extent of any amounts owed to the Trustee.

(c) Any Bonds or interest installments for the payment or redemption of which moneys shall then be held by the Trustee or the Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section 13.1. Any Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section 13.1 if (i) in case such Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give notice of redemption as provided in Article IV of this Indenture on said date of such Bonds, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Government Obligations the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, as verified by an Accountant's Certificate to pay when due the principal or Redemption Price, if applicable, of such Bonds and interest due and to become due on such Bonds on and prior to the Principal Payment Date or Dates or redemption date or dates thereof, as the case may be, and (iii) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instruction to give notice by mail, as soon as practicable, to the Owners of such Bonds and to S&P, if S&P is then rating the Bonds, that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with paragraph (a) of this Section 13.1

and stating such Principal Payment Date or Dates or redemption date or dates upon which moneys are to be available for the payment of the principal of, Redemption Price, if applicable, on such Bonds. Neither Government Obligations nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Government Obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in Principal Amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on and prior to such Principal Payment Date or Dates or redemption date or dates thereof, as the case may be, all as further provided in an escrow agreement relating to the defeasance of the Bonds.

(d) Other Government Obligations may be substituted for those originally deposited with the Trustee pursuant to paragraph (c) of this Section 13.1; provided that there shall have been furnished to the Trustee a Counsel's Opinion to the effect that such substitution will not adversely affect the exclusion from federal gross income of interest on any Bonds and an Accountant's Certificate verifying the sufficiency of the moneys and Government Obligations to pay or redeem any Bonds deemed to have been paid pursuant to paragraph (c) of this Section 13.1.

(e) Anything in this Indenture to the contrary notwithstanding, any moneys held by the Trustee or Paying Agents in trust for the payment and discharge of any of the Bonds which remain unclaimed for two years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or Paying Agents at such date, or for two years after the date of deposit of such moneys if deposited with the Trustee or Paying Agents after the said date when such Bonds became due and payable, shall, be repaid by the Trustee or Paying Agents to the Borrower and become its absolute property, free from trust, and the Trustee or Paying Agents shall thereupon be released and discharged with respect thereto and the Bondowners thereafter shall look only to the Borrower for the payment of such Bonds.

ARTICLE XIV. MISCELLANEOUS

Section 14.1 Preservation and Inspection of Documents. All documents received by the Trustee or any Paying Agent under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times and upon reasonable notice to the inspection of the Authority, the Trustee or any Paying Agent, and, upon written request of not less than five percent (5%) in Principal Amount of the Owners of the Outstanding Bonds, such Owners and their agents and representatives, any of whom may make copies thereof.

Section 14.2 Parties in Interest. Nothing in this Indenture adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give any person or party other than the Authority, the Fiduciaries and the Owners of the Bonds pertaining thereto any rights, remedies or claims under or by reason of this Indenture or any covenant, condition, stipulation, promise, agreement or obligation thereof; and all covenants, conditions,

stipulations, promises, agreements and obligations contained in this Indenture by or on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the Fiduciaries and the Owners from time to time of the Bonds.

Section 14.3 Limited Liability. Notwithstanding any other provision of this Indenture to the contrary:

(a) the obligations of the Authority with respect to the Bonds and under this Indenture, the Loan Agreement and the Regulatory Agreement are not general obligations of the Authority but are special, limited obligations of the Authority payable by the Authority solely from the Trust Estate and are not a debt, nor a loan of the credit, of the State or any of its political subdivisions, and the Bonds shall not be construed to create any obligation on the part of the Authority, members of the Authority, the State or any political subdivision thereof with respect to the payment thereof; and the Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation; and the issuance of the Bonds shall not directly or indirectly or contingently obligate the Authority, members of the Authority, the State or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment, and no Bondholder has the right to compel any exercise of any taxing power of the Authority, members of the Authority or the State;

(b) nothing contained in the Bonds or in this Indenture shall be considered as assigning or pledging any funds or assets of the Authority other than the Trust Estate;

(c) neither the faith and credit of the Authority, members of the Authority, the State nor of any other political subdivision of the State are pledged to the payment of the principal of or interest on the Bonds;

(d) no failure of the Authority to comply with any term, condition, covenant or agreement in this Indenture or in any document executed by the Authority in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Authority to liability for any claim for damages, costs or other charge except to the extent that the same can be paid or recovered from the Trust Estate; and

(e) the Authority shall not be required to advance any moneys derived from any source other than the Trust Estate for any of the purposes of this Indenture, the Loan Agreement or the Regulatory Agreement, whether for the payment of the principal or redemption price of, or interest on, the Bonds, the payment of any fees or administrative expenses or otherwise.

It is recognized that, notwithstanding any other provision of this Indenture, neither the Borrower, the Trustee nor any Bondholder shall look to the Authority or member of the Authority for damages suffered by the Borrower, the Trustee or such Bondholder as a result of the failure of the Authority to perform any covenant, undertaking or obligation under this Indenture, the Loan Agreement, the Regulatory Agreement, the Bonds or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Authority in any of such documents, nor for any other reason. Although this Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Authority, nothing contained in this Indenture shall be construed to preclude in any way any action or

proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Authority) in any court or before any governmental body, agency or instrumentality or otherwise against the Authority or any of its officers or employees to enforce the provisions of any of such documents which the Authority is obligated to perform and the performance of which the Authority has not assigned to the Trustee or any other person; provided, however, that, as a condition precedent to the Authority proceeding pursuant to this Section, the Authority shall have received satisfactory indemnification. In any event, the Authority shall have no liability under this Indenture or for any actions taken or not taken by the Authority or the Trustee hereunder.

Section 14.4 No Recourse Under Indenture or on Bonds. All covenants, stipulations, promises, agreements and obligations of the Authority continued in this Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Authority and not of any board member, officer or employee of the Authority or members of the Authority in their individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Indenture against any Board member, officers or employee of the Authority or members of the Authority or any person executing the Bonds.

Section 14.5 Severability. If any one or more of the covenants, conditions, stipulations, promises, agreements or obligations provided in this Indenture on the part of the Authority or any Fiduciary to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, condition or conditions, stipulation or stipulations, promise or promises, agreement or agreements, obligation or obligations shall be deemed and construed to be severable from the remaining covenants, conditions, stipulations, promises, agreements, and obligations herein contained and shall in no way affect the validity of the other provisions of this Indenture.

Section 14.6 Headings. Any heading preceding the texts of the several Articles and Sections hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for the convenience of reference and shall not constitute a part of this Indenture, nor shall they affect its meaning, construction or effect.

Section 14.7 Conflict. All resolutions or parts of resolutions or other proceedings of the Authority in conflict herewith be and the same are repealed insofar as such conflict exists.

This Bond and the issue of which it forms a part is a limited obligation of the Authority, giving rise to no pecuniary liability of the State of California or any political subdivision thereof (other than the Authority, to the limited extent set forth in the Indenture), nor any charge against its general credit, is payable solely from, and a valid claim of the Registered Owner hereof only against the Trust Estate. This Bond does not constitute an indebtedness or a loan of the credit of the Authority, members of the Authority or the State of California or any political subdivision thereof within the meaning of any constitutional or statutory debt restrictions. Neither the faith and credit nor the taxing power of the Authority, members of the Authority or the State of California or any political subdivision thereof is pledged to the payment of principal of or interest on this Bond.

This Bond is one of a duly authorized issue of bonds of the Authority designated as “Independent Cities Finance Authority Mobile Home Park Revenue Refunding Bonds (Castle Mobile Estates) Series 2021” (the “Bonds”), in the aggregate principal amount of \$_____ issued pursuant to Chapter 8 of Part 5 of Division 31 of the California Health and Safety Code, as amended and supplemented (the “Act”), and under and pursuant to an Indenture of Trust dated as of May 1, 2021 (the “Indenture”), by and between the Authority and U.S. Bank National Association, as trustee (the “Trustee”), for the purpose of providing funds which will be used to make a loan to refund bonds previously issued to finance or refinance the acquisition and rehabilitation of the Castle Mobile Estates located in the City of Capitola, California, fund the Repair and Replacement Fund, and the Debt Service Reserve Fund securing the Bonds as set forth in the Indenture and pay a portion of the costs of issuance.

The owner of this Bond should make reference to the Indenture and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds with respect thereto and the terms and conditions upon which the Bonds are issued. Copies of the Indenture are on file at the office of the Authority and at the principal corporate trust office of the Trustee, in Los Angeles, California, or its successor as trustee.

To the extent and in the manner permitted by the Indenture, the provisions of the Indenture or any Indenture amendatory thereof or supplemental thereto, may be amended by the Authority with the written consent of the owners of at least two-thirds in principal amount of the Bonds of the series then outstanding to which the amendment applies. No such amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages of principal amount of Bonds without the consent of the owners of which is required to effect any such amendment, or shall change or modify any of the rights or obligations of the Trustee or of any paying agent without its written consent thereto.

The Bonds are issuable only as fully registered bonds without coupons, in denominations of \$5,000 or any integral multiple thereof. If any or all of the Bonds are to be redeemed prior to maturity, the Trustee shall give notice, which notice shall specify the maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable, whether such redemption is conditioned upon the availability of funds for such purpose on the redemption date and, if less than all of the Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the Principal Amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the Principal Amount thereof in the case of Bonds to be redeemed in part only, together with interest accrued on such Bonds to the redemption date, and that from and after such date interest on such Bonds shall cease to accrue and be payable; provided that, if the redemption is conditioned upon funds being available therefor no later than the opening of business on the redemption date, the notice shall so state. The Trustee shall mail a copy of such notice, by first class mail, postage prepaid, not less than thirty (30) days nor more than forty-five (45) days before the redemption date, to the Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration book. With respect to any optional redemption of Bonds, if at the time of mailing such notice of redemption, the Authority shall not have deposited with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Act provides that neither the issuing officer nor any person executing the Bonds shall be liable personally on the Bonds.

The transfer of this Bond is registerable by the Registered Owner hereof in person or by his attorney or legal representative at the principal corporate trust office of the Trustee but only in the manner and subject to the limitations and conditions provided in the Indenture and upon surrender and cancellation of this Bond. It is hereby certified and recited that all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, exist, have happened and have been performed and that the issue of the Bonds, of which this is one, together with all other indebtedness of the Authority is within every debt and other limit prescribed by the laws of the State of California.

This Bond shall not be entitled to any benefit under the Indenture or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the manual execution by the Trustee of the Certificate of Authentication attached hereto.
