

PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER __, 2021

NEW ISSUE (BOOK-ENTRY ONLY)

NOT RATED

In the opinion of Bond Counsel to the Authority, the interest on the Bonds (i) is excludable from gross income for federal income tax purposes, (ii) is exempt from State of California personal income taxes, and (iii) is not an item of tax preference for purposes of computing the federal alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the Authority and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Authority and the Borrower have covenanted to comply with all of these requirements. Failure to comply with certain of these requirements may cause the interest on the Bonds to be included in gross income for federal and State of California income tax purposes retroactive to the date of issuance of the Bonds. Bond Counsel expresses no opinion regarding any other tax consequences relating to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See "TAX MATTERS" herein.

AUTHORITY MOBILE HOME PARK
REVENUE REFUNDING BONDS (RANCHO
ROBLES MOBILE HOME PARK)
SERIES 2021**

INTRODUCTION

General

This Official Statement, including the cover page and Appendices hereto, provides certain information concerning the sale and delivery by the Independent Cities Finance Authority (the “Authority”) of its Mobile Home Park Revenue Refunding Bonds (Rancho Robles Mobile Home Park) Series 2021 (the “Bonds”) in the initial aggregate principal amount of \$ _____*.

THE BONDS ARE SUBJECT TO CERTAIN RISKS, INCLUDING THE RISK THAT THE PROJECT MAY NOT GENERATE NET OPERATING REVENUES SUFFICIENT TO PAY THE PRINCIPAL OF AND INTEREST ON THE BONDS. SEE THE SECTION HEREIN ENTITLED “RISK FACTORS” FOR A DISCUSSION OF SPECIAL RISK FACTORS THAT SHOULD BE CONSIDERED IN EVALUATING THE INVESTMENT QUALITY OF THE BONDS.

The Bonds are payable from, and secured by, the Trust Estate.

The summaries and references to documents, statutes, reports and other instruments referred to herein do not purport to be complete, comprehensive or definitive, and each such summary and reference is qualified in its entirety by reference to each document, statute, report or instrument. Capitalized terms not defined elsewhere in this Official Statement or in Appendix A hereto have the meanings assigned to such terms in the Indenture.

The Authority previously issued its Mobile Home Park Revenue Bonds (Mooney Grove Mobile Manor) Series 2016A in the initial principal amount of \$11,330,000 (the “Prior Series A Bonds”) and its Mobile Home Park Revenue Bonds (Mooney Grove Mobile Manor) Series 2016B (Federally Taxable) in the initial principal amount of \$345,000 (the “Prior Series B Bonds” and, together with the Prior Series A Bonds, the “Prior Bonds”) pursuant to an Indenture of Trust, dated as of January 1, 2016 (the “Prior Indenture”), between the Authority and U.S. Bank National Association, in such capacity (the “Prior Trustee”), and loaned the proceeds of the Prior Bonds (the “Prior Loan”) to Augusta Communities III LLC, a California limited liability company (formerly known as Villa del Arroyo Moorpark LLC) (the “Borrower”) (the “Borrower”), in order to provide financing with respect to the acquisition and improvement of a mobile home park known as Rancho Robles Mobile Home Park (formerly known as Mooney Grove Mobile Manor) (the “Project”) located within the City of Visalia, California (the “City”).

The Bonds will be issued by the Authority pursuant to an Indenture of Trust, dated as of November 1, 2021 (the “Indenture”), between the Authority and U.S. Bank National Association, as trustee (the “Trustee”). The proceeds of the sale of the Bonds will be used to fund a loan (the “Loan”) to Augusta Communities III LLC, a California limited liability company (the “Borrower”), pursuant to a Loan Agreement, dated as of November 1, 2021 (the “Loan Agreement”) among the Authority, the

* Preliminary, subject to change.

Borrower and the Trustee. The Borrower will use the proceeds of the Loan to, along with other funds available to the Borrower, (i) prepay the Prior Loan and refund the Prior Bonds in full and (ii) make deposits to various Accounts and Funds established under the Indenture. Specifically, the proceeds of the Bonds will be used to make deposits to the Project Fund, the Costs of Issuance Fund, the Replacement Reserve Fund and the Debt Service Reserve Fund. See “THE PLAN OF FINANCING” and “ESTIMATED SOURCES AND USES OF FUNDS.”

The Bonds are special limited obligations of the Authority, payable solely from and secured as to the payment of the interest on and the principal of and the redemption premium, if any, from Pledged Revenues (as hereinafter defined) and other funds and property including the Deed of Trust (as defined herein) as provided therefor in the Indenture. “Pledged Revenues,” in turn, consist primarily of the Operating Revenues of the Project, the principal source of which is the monthly rental income for mobile home spaces (the “Spaces”) within the Project and certain other required deposits under the Indenture. See “SECURITY FOR THE BONDS” and “THE PROJECT” herein. THE BONDS ARE NOT A DEBT OF THE AUTHORITY, MEMBERS OF THE AUTHORITY, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS FOR PURPOSES OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION, NOR IN ANY EVENT SHALL THE BONDS BE PAYABLE OUT OF FUNDS OR PROPERTIES OTHER THAN AS PLEDGED PURSUANT TO THE INDENTURE.

Pursuant to the Loan Agreement, the Authority will agree to loan the proceeds of the Bonds to the Borrower (the “Loan”) by causing such proceeds to be deposited with the Trustee and applied in accordance with the Indenture. Under the Loan Agreement, the Borrower is obligated to make payments to the Trustee at such times and in such amounts as are required to enable the Trustee to pay the principal and premium, if any, of and interest on the Bonds. The obligations of the Borrower under the Loan Agreement and the Note are limited recourse obligations of the Borrower secured by a first lien deed of trust on the Project (the “Deed of Trust”). See “THE LOAN AGREEMENT” and “SECURITY FOR THE BONDS” herein.

Other than the Project and revenues received by virtue of its ownership of the Project, the Borrower currently has no other property or sources of revenues that are available or that have been pledged to repay its obligations under the Loan Agreement. See “THE BORROWER —Operations.”

The Project has been appraised by John P. Neet, MAI as of October __, 2021 at a market value of \$_____. Further, the appraisal estimates the “value in use” of the Project to a 501(c)(3) non-profit corporation to be \$_____. See “THE PROJECT” and “APPENDIX C—Appraisal” herein.

The Authority, the Borrower and the Trustee will enter into a Regulatory Agreement and Declaration of Restrictive Covenants dated as of November 1, 2021 (the “Regulatory Agreement”) with respect to the operation of the Project. Under the Regulatory Agreement, the Borrower is to rent at least 20% of the Spaces in the Project to Very Low Income Residents (all as defined in the Regulatory Agreement).

The monthly rental rate which the Borrower may charge some of the Very Low Income Residents is also restricted by the Regulatory Agreement, as discussed herein. The Borrower will also agree in the Regulatory Agreement to rent an additional 55% of the Spaces in the Project (not including any Spaces required to be occupied by Very Low Income Residents) to Low Income Residents during the Qualified Project Period. See “THE REGULATORY AGREEMENT” and “RISK FACTORS—Value of Project, Economic Feasibility” herein.

Forward Looking Statements

Certain statements included or incorporated by reference in this Official Statement constitute “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995, Section 21E of the United States Securities Exchange Act of 1934, as amended, and Section 27A of the United States Securities Act of 1933, as amended. Such statements are generally identifiable by the terminology used such as “plan,” “expect,” “estimate,” “project,” “budget” or other similar words. Such forward-looking statements include, but are not limited to, certain statements contained in the information under the caption “THE PROJECT—Projected Operating Results.”

The achievement of certain results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. The Borrower does not plan to issue any updates or revisions to those forward-looking statements if or when its expectations, or events, conditions or circumstances on which such statements are based occur, other than as described under “CONTINUING DISCLOSURE” herein.

THE PLAN OF FINANCING

The proceeds of the Bonds will be used to fund the Loan to the Borrower pursuant to the Loan Agreement. The proceeds of the Loan, along with other funds available to the Borrower, will be used by the Borrower to refund in full the Prior Bonds, to make certain improvements to the Project, and to make certain deposits required under the Indenture.

The Project consists of certain real property and title to certain Improvements thereon (which consist of the structures, site improvements, facilities and fixtures at the Project), commonly known as the Rancho Robles Mobile Home Park located in the City of Visalia. The Project does not include the mobile homes located on the Project site, and such mobile homes are not security for the Bonds. See “THE PROJECT.”

THE BONDS

General

The Bonds will be delivered in fully registered form only and, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). DTC will act as securities depository for the Bonds. Ownership interests in the Bonds may be purchased, in book entry form only, initially in denominations of \$5,000 or any integral multiple thereof. See “THE BONDS-Book-Entry System.”

The Bonds will mature on the respective dates and in the respective principal amounts, and will bear interest at the respective rates, all as set forth on the inside cover page of this Official Statement. The Bonds will be dated their date of delivery. Interest on the Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months and will be payable semiannually on November 15 and May 15 of each year, commencing May 15, 2022* (each such date an “Interest Payment Date”), by check or draft mailed on such Interest Payment Date to the Owners of Bonds as they appear on the registration books of the Trustee, or, upon the written request of a Bondowner of at least \$1,000,000 in principal amount of Bonds received by the Trustee not later than fifteen (15) days prior to the Record Date for such payment, by wire transfer to an account in the United States designated by such Bondowner.

Each Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof to which interest has been duly paid or provided for, unless a Bond is authenticated before the first Record Date, in which case interest will accrue from the Closing Date, or unless authenticated as of a date during the period from the Record Date to and including the next Interest Payment Date, in which case it shall bear interest from such Interest Payment Date. Each Bond shall bear interest on overdue principal at the rate then in effect on such Bond. In the event of any default in the payment of interest, such defaulted interest shall be payable to the Bondowner of such Bond on a special Record Date for the payment of such defaulted interest, which date shall be established by the Trustee, in accordance with the Indenture.

Principal and premium, if any, due on the Bonds shall be paid only upon surrender of such Bond at the office designated by the Trustee.

Redemption

Optional Redemption. The Bonds maturing on or after November 15, ____* are subject to optional redemption by the Authority, at the request of the Borrower, prior to the stated maturities thereof as may be directed by the Authority in whole, or in part from among maturities as may be directed by the Authority, at the request of the Borrower, on any date on or after November 15, ____* at a Redemption Price equal to the principal amount to be redeemed, subject to the availability of funds for such purpose on the redemption date, plus accrued interest thereon to the date fixed for redemption, without premium.

Such redemption will be effective only if, on the date of redemption, the Trustee holds money in accordance with requirements of the Indenture sufficient to pay the principal of and accrued interest on all Outstanding Bonds to be redeemed.

Special Redemption Generally. In accordance with and for purposes of the Indenture, the Bonds shall be subject to mandatory redemption, at the option of the Authority, at the request of the Borrower, prior to the stated maturities thereof on a pro rata basis, in whole or in part at any time, on the earliest

* Preliminary, subject to change.

practicable date for which notice of redemption can be given as provided in the Indenture at a Redemption Price equal to 100% of the Principal Amount of such Bonds or portions thereof to be redeemed, together with accrued interest, thereon to the date of redemption, without premium, in a Principal Amount having an aggregate Redemption Price equal to the amount of moneys which are deposited in or transferred to the Redemption Fund, (x) from any Net Proceeds or any prepayment made by the Borrower in order to fully retire the Loan in connection with a condemnation or casualty loss which results in Net Proceeds, and (y) from excess amounts in the Debt Service Reserve Fund resulting from a reduction in the Debt Service Reserve Fund Requirement after giving effect to any special redemption under the aforementioned provisions of the Indenture. The Trustee shall apply any such amounts described above in accordance with applicable provisions of the Indenture from time to time as directed by a certificate of a Borrower's Representative, with notice to the Authority; provided, however, that (i) such amount to be applied to such redemption shall be rounded to the next lower authorized denomination, and (ii) unless otherwise directed by a certificate of a Borrower's Representative, with notice to the Authority, no such redemption of Bonds shall be effected unless the total amount to be applied to redeem Bonds on such date shall be at least \$25,000.

Mandatory Sinking Fund Redemption*. The Bonds maturing on November 15 in each of the years ____*, ____* and ____*, are subject to mandatory sinking fund redemption by application of the Sinking Fund Installments as provided in the Indenture, commencing on the respective dates set forth below, at a Redemption Price equal to 100% of the Principal Amount of each such Bond or portion thereof to be redeemed, plus accrued interest to the date of redemption thereof, without premium, on the respective dates and in the amounts set forth in the following tables:

Bonds Maturing on November 15, ____*

Sinking Fund Redemption Date (November 15)	Principal Amount To Be Redeemed
---	------------------------------------

Redeemed Bonds as Satisfaction of Sinking Fund Installments. Upon any purchase or redemption of Term Bonds (other than by application of Sinking Fund Installments) an amount equal to the applicable Redemption Prices thereof shall be credited towards a part of all of any one or more of the above-listed Sinking Fund Installments, as directed by a certificate of a Borrower Representative, with a copy to the Authority or, failing such direction by November 1 of each year, toward such Sinking Fund Installments pro rata. Such applicable Redemption Prices shall be the respective Redemption Prices which would be applicable upon the redemption of such Bonds from the respective Sinking Fund Installments on the due dates thereof. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of the calculation of Principal Installments due on a future date.

Selection of Bonds to be Redeemed by Lot. Except as may be otherwise provided in the Indenture, in the event of redemption of less than all of the Outstanding Bonds of like maturity, the Trustee shall assign to each such Outstanding registered Bond of the maturity to be redeemed a distinctive number for each \$5,000 of the Principal Amount of such Bond and shall select by lot, using such method

* Preliminary, subject to change.

of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at \$5,000 for each number, shall equal the Principal Amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the Principal Amount of each such registered Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For purposes of this paragraph, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding.

Notice of Redemption. When the Trustee receives notice from the Authority of its election or direction to redeem Bonds pursuant to the Indenture, and when redemption of Bonds is required pursuant to the Indenture, the Trustee shall give notice, which notice shall specify the maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable, whether such redemption is conditioned upon the availability of funds for such purpose on the redemption date (in the case of optional redemption and special redemption pursuant to the Indenture) and, if less than all of the Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the Principal Amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portion of the Principal Amount thereof in the case of Bonds to be redeemed in part only, together with interest accrued on such Bonds to the redemption date, and that from and after such date interest on such Bonds shall cease to accrue and be payable; provided, that, if the redemption is conditioned upon funds being available therefor no later than the opening of business on the Business Day prior to the redemption date, the notice shall so state. The Trustee shall mail a copy of such notice, by first class mail, postage prepaid, not less than thirty (30) days nor more than forty-five (45) days before the redemption date, to the Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration book. Failure to give such notice with respect to any Bonds, or any defect therein, shall not affect the validity of the proceedings for redemption of any other Bonds.

Purchase of Bonds

In lieu of redemption of Bonds as provided in the Indenture, amounts held by the Trustee for such redemption will, at the written request of the Borrower set forth in a certificate of a Borrower Representative, with a copy to the Authority, received by the Trustee prior to the selection of Bonds for redemption, be applied by the Trustee to the purchase of Bonds at public or private sale as and when and at such prices (including brokerage, accrued interest and other charges) as the Borrower may in its discretion direct, but not to exceed the redemption price which would be payable if such Bonds were redeemed. The aggregate principal amount of Bonds of the same maturity purchased in lieu of redemption may not exceed the aggregate principal amount of Bonds of such maturity which would otherwise be subject to such redemption.

Book-Entry System

The Bonds will be initially delivered in the form of one fully registered Bond for each of the maturities of the Bonds, each Bond registered in the name of Cede & Co., as nominee of DTC, as registered owner of all the Bonds. The Bonds will be retained and immobilized in the custody of DTC. So long as the Bonds are held in book-entry only form, all references herein to the holders or owners of the Bonds shall mean DTC, and shall not mean beneficial owners of the Bonds.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a

member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company of DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a S&P Global Ratings rating of AA+. The rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

THE AUTHORITY, THE TRUSTEE AND THE UNDERWRITER HAVE NO RESPONSIBILITY OR LIABILITY FOR ANY ASPECTS OF THE RECORDS RELATING TO OR PAYMENTS MADE ON ACCOUNT OF BENEFICIAL OWNERSHIP, OR FOR MAINTAINING, SUPERVISING OR REVIEWING ANY RECORDS RELATING TO BENEFICIAL OWNERSHIP, OF INTERESTS IN THE BONDS.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant on accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and distributions on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners are governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and distributions to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Paying Agent, and disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

THE AUTHORITY, THE TRUSTEE AND THE UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE PAYMENTS TO DTC PARTICIPANTS, OR THAT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS WITH RESPECT TO THE BONDS RECEIVED BY DTC OR ITS NOMINEES AS THE REGISTERED OWNER, ANY REDEMPTION NOTICES OR OTHER NOTICES TO THE BENEFICIAL OWNERS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL SERVICE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

In the event the Authority and the Trustee determine not to continue the DTC book-entry only system or DTC determines to discontinue its services with respect to the Bonds and the Authority does not select another qualified securities depository, the Authority and the Trustee will deliver one or more Bonds in such principal amount or amounts, in denominations permitted under the Indenture, and registered in whatever name or names, as DTC shall designate. In such event, transfers and exchanges of Bonds will be governed by the provisions of the Indenture.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority and the Underwriter believe to be reliable, but they take no responsibility for the accuracy thereof.

SECURITY FOR THE BONDS

The Bonds are special limited obligations of the Authority, payable solely from Pledged Revenues (as hereinafter defined) and secured as to the payment of the interest on and the principal of and the redemption premiums, if any, on the Bonds in accordance with their terms and the terms of the Indenture, from Pledged Revenues and other funds and the Deed of Trust, as provided therefor in the Indenture. The Bonds are not a debt of the Authority, members of the Authority, the State of California or any of its political subdivisions, for purposes of any constitutional or statutory debt limitation or restriction, nor in any event shall the Bonds be payable out of funds or properties other than as described in the preceding sentence.

Net Operating Revenues

The Bonds are secured by a pledge of Pledged Revenues (as defined below) and are payable principally from Operating Revenues of the Project. "Operating Revenues" include all rents, income, receipts and other revenues derived by the Borrower arising from the operation of the Project, including rental income from mobile home spaces and rental assistance provided to project tenants, determined in accordance with Generally Accepted Accounting Principles, interest earnings in funds held by the Trustee and all other money howsoever derived by the Borrower from the operation of the Project or arising from the Project, but not including resident security deposits. In the manner described herein, the Borrower will deposit to the Trustee "Net Operating Revenues" which include Operating Revenues less Operation and Maintenance Costs, consisting of the reasonable and necessary costs and expenses of operating the common areas of the Project and of managing and repairing and other expenses necessary to maintain and preserve the common areas of the Project in good repair and working order, determined in accordance with Generally Accepted Accounting Principles. See "APPENDIX A—Definitions."

Under the Regulatory Agreement, the Borrower is to rent at least 20% of the Spaces in the Project to Very Low Income Residents. The monthly rental rate which the Borrower may charge some of the Very Low Income Residents is also restricted by the Regulatory Agreement, as discussed herein. The Borrower will also agree in the Regulatory Agreement to rent an additional 55% of the Spaces in the Project (not including any Spaces required to be occupied by Very Low Income Residents) to Low Income Residents during the Qualified Project Period. See "THE REGULATORY AGREEMENT" and "RISK FACTORS—Value of Project, Economic Feasibility" herein. These provisions may limit the Net Operating Revenues available to pay debt service on the Bonds. See "RISK FACTORS" herein.

Pledge

Pursuant to the Indenture, the following are pledged to the payment of the principal of, Redemption Price, if any, and interest on the Bonds: (i) the Pledged Revenues, and (ii) the rights, title and interest of the Authority in the Loan, the Loan Agreement (other than certain specified rights reserved by the Authority) and the Deed of Trust, all Funds and Accounts created under the Indenture for the benefit of the Bonds, and any other property pledged to the payment of the Bonds in the granting clauses of the Indenture. Pursuant to the "granting clauses" referred to in the Indenture, the Authority pledges and assigns to the Trustee, for the benefit of the Bonds, the "Trust Estate," which consists of all proceeds, Funds, Accounts, Revenues, Prepayments, the Loan, the Loan Agreement (other than certain rights to fees and indemnity reserved by the Authority), the Deed of Trust, rights, interests, collections, and other property pledged to the payment of the Bonds pursuant to the Indenture.

“Pledged Revenues” by definition consist of the Revenues, but excluding therefrom amounts on deposit in the Unrestricted Account of the Repair and Replacement Fund, the Administration Fund, and the Rebate Fund. “Revenues,” in turn, by definition consist of: (i) Operating Revenues; (ii) Prepayments; (iii) the proceeds of any insurance, including the proceeds of any self-insurance covering loss relating to the Project provided, however, that the Net Proceeds of any public liability insurance, casualty insurance or title insurance required to be maintained pursuant to the Loan Agreement will be applied as specified in the Loan Agreement and the Indenture; (iv) all amounts on hand from time to time in the funds and accounts established by the Trustee under the Indenture; (v) all proceeds of rental interruption insurance policies, if any, carried with respect to the Project pursuant to the Loan Agreement; (vi) any proceeds derived from the exercise of remedies under the Deed of Trust; and (vii) any additional property that may from time to time, by delivery or by writing of any kind, be subjected to the lien of the Indenture by the Authority or by anyone on its behalf, subject only to the provisions of the Indenture.

In the event that the Borrower acquires or has acquired additional assets not subject to the liens and pledges described in the Indenture (“Other Assets”), such Other Assets will not be pledged to the payment of the Bonds.

The Loan Agreement and the Note

Pursuant to the Loan Agreement, the Authority will make the Loan for the benefit of the Borrower in an amount equal to the aggregate principal amount of the Bonds. The Borrower’s obligation to repay the Loan will be evidenced by the Note. The Borrower is obligated under the Loan Agreement, notwithstanding the schedule of payments under the Loan Agreement and the Note, to make such payments at such times as shall be sufficient, when added to the amounts otherwise available under the Indenture, to pay the principal and premium, if any, of and interest on the Bonds when due, whether at maturity, by optional or mandatory redemption or by acceleration.

Under the Loan Agreement the Borrower agrees to pay, in repayment of the Loan, all Net Operating Revenues for the immediately preceding calendar month to the Trustee until the principal of, premium (if any) and interest on the Bonds shall have been paid or provision for payment shall have been made in accordance with the Indenture. As security for the repayment of the Loan, the Borrower grants the Authority a security interest in the Project pursuant to the terms of the Deed of Trust relating to the Project. See “THE LOAN AGREEMENT” herein.

The Project has been appraised by John P. Neet, MAI as of October __, 2021 at a market value of \$_____. Further, the appraisal estimates the “value in use” of the Project to a 501(c)(3) non-profit corporation to be \$_____. See “THE PROJECT” and “APPENDIX C—Appraisal” herein.

Borrower Obligations Non-Recourse

None of the Borrower’s members, officers, employees or agents has or is intended to have any liabilities under or in respect of the Loan Agreement, the Indenture, the Note, the Deed of Trust, the Regulatory Agreement, or any of the other documents or transactions contemplated by any of them. See “**RISK FACTORS.**”

Debt Service Reserve Fund

For a discussion of the Debt Service Reserve Fund, see “THE INDENTURE—Debt Service Reserve Fund.” The moneys held in the Debt Service Reserve Fund may be invested in a guaranteed investment contract or other investment which satisfies the requirements of clause (j) of the definition “Qualified Investments” in the Indenture. See “APPENDIX A—Definitions.”

THE INDENTURE

The following is a summary of certain provisions of the Indenture relevant to the Bonds. The summary does not purport to be complete and is qualified in its entirety by reference to the Indenture which is available from the Trustee upon request, and to Appendix A for the definition of certain terms used herein. Any capitalized terms not otherwise defined herein or in Appendix A are as defined in the Indenture.

Application of Bond Proceeds*

On the Closing Date, the Authority will cause the proceeds of the sale of the Bonds (less underwriter's discount and less proceeds of the Bonds in the amount of \$_____ being delivered by the Underwriter directly to the title company on the Closing Date) to be deposited with the Trustee in the Project Fund. The proceeds of the Bonds on deposit in the Project Fund will be disbursed in accordance with the Indenture and the Loan Agreement as follows:

- (a) the Trustee will deposit the amount of \$_____ in the Restricted Account of the Repair and Replacement Fund;
- (b) the Trustee will deposit the amount of \$_____ in the Cost of Issuance Fund.
- (c) the Trustee will deposit the amount of \$_____ in the Debt Service Reserve Fund; and
- (d) the balance of \$_____ will be transferred to the Prior Trustee to refund the Prior Bonds.

On the Closing Date, funds available to the Borrower shall be transferred from the Prior Indenture and deposited with the Trustee as follows:

- (a) to the Coverage Fund, \$_____;
- (b) to the Unrestricted Account of the Repair and Replacement Fund, \$_____;
and
- (c) to the Cost of Issuance Fund, \$_____.

Project Fund

The Authority will establish and maintain a special fund designated as the Independent Cities Finance Authority Rancho Robles Mobile Home Park Project Fund (the "Project Fund"), which shall be held by the Trustee. Amounts in the Project Fund will be expended and applied to fund the Loan which will allow the Borrower to finance the Project. See "Application of Bond Proceeds," above. On the Closing Date, the Trustee will pay out moneys in the Project Fund for the purpose of making the Loan, upon receipt by the Trustee of a written direction of the Authority signed by an Authorized Officer.

* Preliminary, subject to change.

Cost of Issuance Fund

The Trustee will establish, maintain and hold in trust a separate fund designated as the “Cost of Issuance Fund.” Moneys in the Cost of Issuance Fund shall be applied to the payment of Cost of Issuance, upon receipt of an Officer’s Certificate stating the person to whom and the purpose for which each payment is to be made, and the amount of such payment. Upon receipt of an Officer’s Certificate stating that the Cost of Issuance have been fully paid and in any event within six months of the Closing Date, the Trustee shall transfer any remaining balance to the Project Fund or to the Revenue Fund, as directed by such Officer’s Certificate, and such Fund shall be closed.

Deposits

Pursuant to the Loan Agreement, the Authority is to cause the Borrower to collect and deposit or cause to be collected and deposited with the Trustee, not later than the thirteenth (13th) day of each month, commencing December 13, 2021, all Net Operating Revenues from the prior month and not otherwise remitted in the prior month, and to forward promptly to the Trustee statements of each amount deposited. The Trustee will notify the Authority and the Oversight Agent in the event that Net Operating Revenues have not been deposited by the thirteenth (13th) day of each month. The Trustee will be accountable only for moneys actually so deposited or held. All Net Operating Revenues received by the Trustee will be deposited for credit to the Revenue Fund to be held by the Trustee. All Prepayments and Net Proceeds with respect to the Loan will be separately identified by the Borrower to the Trustee and will be deposited in the Redemption Fund for the benefit of the Owners of the Bonds.

Revenue Fund

The Revenue Fund shall be held by the Trustee for the benefit of the Bonds. All interest and other income from time to time received from the deposit of moneys in the Revenue Fund shall be retained in such fund and applied pursuant to the Indenture. On or before the third Business Day preceding the fifteenth (15th) day of each month, the Trustee shall provide a written notice or electronic notice to the Authority and the Oversight Agent of the amount deposited in the Revenue Fund. Except as otherwise set forth below, on the Business Day preceding the fifteenth (15th) day of each month, commencing December, 2021, the Trustee shall withdraw from the Revenue Fund and transfer to the following funds the amounts indicated in the following tabulation, in the following order of priority, or so much thereof as remains after first making all prior transfers:

(a) into the Debt Service Fund, (i) an amount equal to one-sixth of the interest due on the Bonds on the next Interest Payment Date, (ii) an amount equal to one-twelfth of the principal coming due, if any, on the Bonds on the next Principal Payment Date, (iii) an amount equal to one-twelfth of the mandatory sinking fund payment due on the Bonds on the next Principal Payment Date and (iv) an amount due on the next redemption date on the Bonds to be redeemed (other than pursuant to mandatory sinking fund redemption), provided that such payments may be net of accrued interest on investments of funds held under the Indenture;

(b) into the Debt Service Reserve Fund, the amount, if any, needed to increase the balance therein to the Debt Service Reserve Fund Requirement;

(c) into the Rebate Fund, the amount, if any, required to be deposited therein pursuant to the Indenture;

(d) commencing on the Business Day preceding November 15, 2022, into the General Account of the Administration Fund, (i) the amount, if any, necessary to pay or provide

for one-twelfth of the Trustee Fee, including expenses in connection with the purchase or redemption of any Bonds, all as provided and contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement and specified by the Borrower in writing to the Trustee, (ii) the amount, if any, necessary to pay or provide for one-twelfth of the Oversight Agent Fee, and (iii) the amount, if any, necessary to pay or provide for one-twelfth of the other Fees and Charges, if any, all as provided and contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement and specified by the Borrower in writing to the Trustee (any fees and expenses of the Fiduciaries above and beyond the amount contemplated in the annual budget filed by the Borrower pursuant to the Loan Agreement shall be paid from the Surplus Fund);

(e) commencing on the Business Day preceding November 15, 2022, into the General Account of the Administration Fund, the amount, if any, necessary to pay or provide for one-twelfth of the Authority Annual Fee (not including the amount, if any, due to the Authority for certain audit costs as set forth in the Regulatory Agreement);

(f) into the Borrower Administration Fee Account of the Administration Fund an amount equal to the Borrower Administration Fee as such amount is set forth in writing from the Borrower to the Trustee, which Borrower Administration Fee is authorized under the Indenture, plus any amounts for previous periods not paid to the Borrower. Any such amounts so deposited to be paid to the Borrower on the last day of each month;

(g) annually, into the Unrestricted Account of the Repair and Replacement Fund, the amount, if any, necessary to bring the aggregate amount on deposit in the Repair and Replacement Fund (including the Restricted Account therein) to \$150,000; and

(h) only on the 15th day of the last calendar month of each Bond Year, after making all of the foregoing transfers, into the Surplus Fund, the amount, if any, remaining in the Revenue Fund.

Notwithstanding the foregoing, so long as the Borrower has monthly Net Operating Revenues that are at least equal to said month's portion of items (a) through (e) above, then the Borrower may retain from Net Operating Revenues for such month the Borrower Administration Fee for such month and shall notify the Trustee in writing of the amount so retained.

Debt Service Fund

The Debt Service Fund will be held by the Trustee. The Trustee will withdraw from the Debt Service Fund, on or prior to each Interest Payment Date, an amount equal to the unpaid interest due on the Bonds on that date and shall cause it to be applied to the payment of such interest when due. If the withdrawals required in the previous sentence on the same and every prior Interest Payment Date have been made, the Trustee will withdraw from the Debt Service Fund, on or prior to each Principal Payment Date, an amount equal to the Principal Amount of the Outstanding Bonds, if any, maturing on that date and will cause it to be applied to the payment of the principal of the Bonds when due. Each withdrawal from the Debt Service Fund as described above will be made on or immediately prior to the Interest Payment Date or Principal Payment Date to which it relates, and the amount so withdrawn shall be deemed to be part of the Debt Service Fund until such Interest Payment Date or Principal Payment Date. In the event that amounts on deposit in the Debt Service Fund are insufficient to make transfers under the foregoing sentences when required, the Trustee will transfer to the Debt Service Fund, the amount of such insufficiency first from the Surplus Fund, then from the Coverage Fund and then from the Debt Service Reserve Fund.

The Trustee shall apply money in the Debt Service Fund to the purchase or the redemption of the Term Bonds in the manner provided in the Indenture, provided that no such Bonds shall be so purchased in lieu of redemption during the period of 45 days next preceding each Sinking Fund Installment due date established for such Term Bonds. The price paid by the Trustee (including any brokerage and other charges) for any Term Bond purchased pursuant to this paragraph will not exceed the Redemption Price applicable on the next date on which such Term Bond could be redeemed in accordance with its terms as part of a Sinking Fund Installment. Subject to the limitations set forth and referred to in the Indenture, the Trustee shall purchase Term Bonds at such times, for such prices, in such manner (whether after advertisement for tenders or otherwise) as the Trustee will be directed by a certificate of a Borrower Representative, with a copy to the Authority, and as may be possible with the amount of money available in the Debt Service Fund therefor.

As soon as practicable after the 45th day but not later than the 30th day prior to the due date of any Sinking Fund Installment, the Trustee will proceed pursuant to the Indenture to call for redemption on that date a Principal Amount of Term Bonds subject to such Sinking Fund Installment in such amount as shall be necessary to complete the retirement of the Principal Amount of the Term Bonds of such maturity specified for such Sinking Fund Installment. The Trustee will withdraw from the Debt Service Fund, on or prior to the due date of the next Sinking Fund Installment, an amount equal to the Principal Amount of the Term Bonds called for redemption on such date pursuant to this paragraph, and will cause it to be applied to the payment of the Redemption Price thereof to such date.

If, by application of moneys in the Debt Service Fund, the Trustee will purchase in any Bond Year Term Bonds subject to redemption from moneys in the Debt Service Fund in excess of the aggregate Sinking Fund Installment in respect of such Term Bonds for such Bond Year, the Trustee shall file with the Authority and the Borrower not later than the 20th day preceding the close of such Bond Year, a statement identifying such Term Bonds purchased and called for redemption during such Bond Year. The Borrower will thereafter cause a certificate of a Borrower Representative, with a copy to the Authority, to be filed with the Trustee not later than the 10th day preceding the close of such Bond Year setting forth with respect to the amount of such excess the years in which Sinking Fund Installments are to be reduced and the respective amounts by which such Sinking Fund Installments are to be reduced; provided that such reduction shall be as nearly as practicable pro rata among remaining Sinking Fund Installments so as to be in increments of \$5,000.

All interest and other income from time to time received from the deposit and investment of moneys in the Debt Service Fund will be transferred upon receipt to the Revenue Fund.

Redemption Fund

The Redemption Fund shall be held by the Trustee. The Trustee shall deposit into the Redemption Fund any Prepayments or Net Proceeds pursuant to the Indenture. Any moneys on deposit in the Redemption Fund shall be used and applied as soon as practicable following the receipt thereof, but not later than twelve months after such receipt, for either or both of the following purposes: (a) to the redemption of Bonds as may be designated in an Officer's Certificate; or (b) the purchase of Bonds at a price specified by the Borrower, but only upon receipt of a certificate of a Borrower Representative, with a copy to the Authority, stating the Principal Amounts and maturities of the Bonds to be purchased; provided that no such purchase shall be made at a price in excess of the Redemption Price applicable on the next ensuing redemption date, and that no such purchase shall be made during the period of 45 days next preceding a redemption date from moneys to be applied pursuant to clause (a) above to the redemption of Bonds on such date. All interest and other income from time to time received from the deposit and investment of moneys in the Redemption Fund shall be transferred upon receipt to the Revenue Fund.

Debt Service Reserve Fund

The Debt Service Reserve Fund shall be held by the Trustee. If available moneys in the Debt Service Fund and the Surplus Fund shall be insufficient to pay in full the interest on and principal of any Bonds becoming due on any Interest Payment Date, Principal Payment Date or any date on which Bonds have been called for redemption, the Trustee shall transfer an amount equal to the deficiency from the Debt Service Reserve Fund to the Debt Service Fund for such purpose unless the Authority shall, by an Officer's Certificate delivered to the Trustee prior to the Interest Payment Date, designate one or more Funds or Accounts from which an amount equal to the deficiency in the Debt Service Fund is required to be transferred to the Debt Service Fund.

All interest and other income from time to time received from the deposit and investment of moneys in the Debt Service Reserve Fund shall be transferred upon receipt to the Revenue Fund.

If, on or before an Interest Payment Date the amount in the Debt Service Reserve Fund exceeds the Debt Service Reserve Fund Requirement, the Trustee shall withdraw the amount therein in excess of the Debt Service Reserve Fund Requirement and transfer such amount to the Revenue Fund.

Whenever the Authority shall receive a Prepayment or Net Proceeds and shall transfer the proceeds thereof to the Redemption Fund, which in any such case would result in the reduction of the Debt Service Reserve Fund Requirement upon application of the moneys so transferred to the purchase or redemption of Bonds, the Trustee shall, immediately prior to and in connection with each such purchase or redemption, withdraw from the Debt Service Reserve Fund and deposit in the Redemption Fund an amount of moneys equal to the reduction of the Debt Service Reserve Fund Requirement which would result upon the purchase or redemption of such Bonds (including the purchase or redemption of such Bonds utilizing the moneys being transferred from the Debt Service Reserve Fund and deposited in the Redemption Fund pursuant to the provisions of this paragraph), but only to the extent that any such withdrawal would not reduce the amount of the Debt Service Reserve Fund below the Debt Service Reserve Fund Requirement. The amount of moneys to be withdrawn from the Debt Service Reserve Fund in each instance pursuant to the provisions of this paragraph shall be as determined by a certificate of a Borrower Representative, with a copy to the Authority.

Rebate Fund

The Rebate Fund will be administered in accordance with the provisions of the Indenture. The Rebate Fund will not be subject to the lien or encumbrance of the Indenture and will be held in trust by the Trustee for the benefit of the United States of America. The amounts deposited in the Rebate Fund will be subject to the claim of no other person, including that of the Trustee and Bondowners. Moneys transferred to the Rebate Fund pursuant to the Indenture will be used for no other purpose than to make payments to the United States Treasury, at the time and manner and in the amount and as more fully provided in the Indenture.

The Trustee will be deemed conclusively to have complied with the provisions of the Indenture and the Tax Certificate related to Rebateable Arbitrage if it follows the directions of the Borrower, and the Trustee will have no independent responsibility to, or liability resulting from its failure to, enforce compliance by the Borrower or the Authority with the provisions of the Indenture and the Tax Certificate with respect to Rebateable Arbitrage.

Administration Fund

The Trustee shall establish the Administration Fund and establish therein the General Account and the Borrower Administration Fee Account. Moneys deposited in the Accounts of the Administration Fund shall be held therein in segregated Accounts until disbursed.

Moneys deposited in the General Account of the Administration Fund shall be applied by the Trustee to the Authority Annual Fee and the Oversight Agent Fee, and from time to time as directed by a certificate of a Borrower Representative, with a copy to the Authority, to the payment of ordinary fees and expenses of Fiduciaries, including expenses of purchase or redemption of Bonds. Any fees and expenses of the Fiduciaries and amounts payable to the Authority above and beyond the amount contemplated in the final annual budget prepared by the Borrower shall be paid from the Surplus Fund, or if the Surplus Fund is insufficient, shall be paid by the Borrower.

Moneys deposited in the Borrower Administration Fee Account of the Administration Fund shall be applied by the Trustee, on a monthly basis, to the payment of the Borrower Administration Fee.

All interest and other income from time to time received from the deposit and investment of moneys in the Accounts of the Administration Fund shall be transferred upon receipt to the Revenue Fund.

Repair and Replacement Fund

The Trustee shall establish and hold the Repair and Replacement Fund for the financial benefit of the Project and shall deposit therein the amounts provided in the Indenture. Moneys deposited in the Repair and Replacement Fund shall be held therein segregated from other funds held by the Trustee until disbursed.

Disbursements from the Restricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower and approved in writing by the Oversight Agent solely for the purpose of funding the design, approval, development, repair and construction of capital improvements to the Project, including certain of the items set forth in Exhibit C to the Loan Agreement and in the annual budget filed by the Borrower pursuant to the Loan Agreement, or to redeem Bonds.

Disbursements from the Unrestricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower for the purpose of effecting the remaining items set forth in Exhibit C to the Loan Agreement or for any other purpose for the benefit of the Project in accordance with the annual budget filed by the Borrower pursuant to the Loan Agreement or for such other similar purposes, including the design, approval, development, repair and construction of capital improvements, maintenance costs, replacement of machinery and appliances and including, if necessary, making payments for debt service on the Bonds (subject to satisfaction of the requirements of the Indenture in connection with such use). Interest earnings on moneys in the Repair and Replacement Fund will be deposited to the Revenue Fund.

Surplus Fund

The Surplus Fund shall be held by the Trustee. The Trustee shall deposit into the Surplus Fund the amounts specified in the Indenture. Annually, following computation and deposit of the Rebateable Arbitrage for the preceding Bond Year (if required for such Bond Year under the Indenture) in the Rebate Fund and provided there is no deficiency in the Debt Service Fund, the Debt Service Reserve Fund, the Rebate Fund, the Administration Fund, or the Repair and Replacement Fund, any moneys in the Surplus

Fund shall be released from the lien of the Indenture, not less frequently than annually, upon delivery to the Trustee of the semi-annual Coverage Requirement Certificate and provided no Event of Default has been declared under the Indenture or pursuant to the Loan Agreement, and the amounts on deposit in the Surplus Fund as of the conclusion of the immediately preceding Bond Year shall be released to the Borrower for use for any lawful purpose.

If, at any time, there is a deficiency in the Debt Service Fund, the Debt Service Reserve Fund, the Rebate Fund, the Administration Fund or the Repair and Replacement Fund, the Trustee shall withdraw from the Surplus Fund and deposit in such Fund, in the order set forth for disposition of Revenues generally under the Indenture, the amount necessary to remedy such deficiency and shall give written notice to the Authority of such withdrawal.

All interest and other income from time to time received from the deposit and investment of moneys in the Surplus Fund shall be transferred upon receipt to the Revenue Fund.

Coverage Fund

The Trustee shall establish the Coverage Fund into which there shall be deposited on the Closing Date the amount of \$_____.

Moneys the Coverage Fund shall be transferred, if required, to the Debt Service Fund as provided in the Indenture.

Moneys on deposit in the Coverage Fund are subject to release from the pledge and lien of the Indenture at the direction of the Borrower on any date after the Borrower has delivered to the Oversight Agent, for two consecutive fiscal years, Coverage Requirement Certificates showing a Coverage Ratio of at least 1.3. Moneys in the Coverage Fund shall be excluded from such Coverage Ratio calculation for purposes of releasing moneys in the Coverage Fund.

Upon redemption or defeasance of all of the Bonds, or if the Bonds are otherwise paid off pursuant to the terms of this Indenture, all moneys in the Coverage Fund shall be remitted to the Borrower.

Moneys in the Coverage Fund shall not be invested at a yield in excess of the yield on the Bonds.

Investment and Deposit of Funds

The Trustee will keep all money held by it, as continuously as reasonably possible, invested and reinvested in Qualified Investments maturing at the times and in the amounts required by the Indenture, all as instructed in writing by a Borrower Representative and subject to the specific requirements of the Indenture. In the event that written investment instructions of a Borrower Representative are not received by the Trustee in a timely manner, the Trustee shall invest the amounts deposited in the Funds and Accounts in those investments defined in clause (g) of the definition of "Qualified Investments." See "APPENDIX A—DEFINITIONS." Except for Investment Agreements, Repurchase Agreements and Forward Delivery/Forward Purchaser Agreements described in clauses (j), (k) and (l) of the definition of "Qualified Investments" in the Indenture all investments made by the Trustee shall provide for payment of principal and interest which will be payable no later than the earlier to occur of six (6) months from the date of investment or the date on which it is estimated that such moneys will be required by the Trustee.

Moneys in any Fund or Account created and established by, or maintained, pursuant to, the Indenture and held by a Fiduciary may be invested in common with moneys held in any other such Fund

or Account; provided, however, that the common investments with such other moneys constitute Qualified Investments and provided, further, that such investments are held by the same Fiduciary acting in the same capacity.

Obligations purchased as an investment of moneys in any Fund or Account held by a Fiduciary under the Indenture will be deemed at all times to be a part of such Fund or Account and the income or interest earned by, or incremented to, any such Fund or Account due to the investment and reinvestment thereof shall be retained in such Fund or Account as part thereof, except as otherwise provided in the Indenture and subject to the required transfer thereof from such Fund or Account pursuant to the Indenture. A Fiduciary will sell in any commercially reasonable name, or present for redemption, any obligation purchased by it as an investment whenever it will be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made; provided, however, that in lieu of liquidating any such investment obligations and transferring the proceeds thereof, the Trustee may transfer investment obligations which will mature and the proceeds of which will be available on or before the date such proceeds are required for the purposes of the Indenture. The Authority and the Borrower acknowledge that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Authority or the Borrower the right to receive brokerage confirmations of security transactions, the Authority and the Borrower waive receipt of such confirmations. The Trustee will furnish to the Authority and the Borrower periodic statements which include detail of all investment transactions made by the Trustee. Each Fiduciary will advise the Authority and the Borrower in writing, on or before the fifteenth (15th) day of each calendar month, of the details of all investments held for the credit of each Account in its custody under the provisions of the Indenture as of the end of the preceding month. The Trustee or an affiliate may act as principal or agent in the acquisition or disposition of investments and purchase and sell investments through its investment department or that of its affiliates, each of which shall be entitled to its customary fee therefor.

In computing the amount in any Fund or Account held by a Fiduciary or the Trustee under the provisions of the Indenture, the Trustee will value obligations purchased as an investment of moneys therein as of the end of each month, calculated as follows: (a) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in the *New York Times*), the average of the bid and asked prices for such investments so published on or most recently prior to such time of determination; (b) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such price at such time of determination for such investments by any two nationally recognized governmental securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or the bid price published by a nationally recognized pricing service; (c) as to certificates of deposit and bankers acceptances, the face amount thereof, plus accrued interest; and (d) as to any investment not specified above, the value thereof established by prior agreement among the Borrower and the Trustee. As an alternative to any of the foregoing, the value of any investment may be determined as of the end of each month by the manner currently employed by the Trustee or any other manner consistent with industry standard, including, without limitation, use of any computer pricing service selected by the Trustee. Notwithstanding the foregoing, the Trustee shall determine the value of the Debt Service Reserve Fund and the Coverage Fund investments no less frequently than semiannually (and monthly from the date of any deficiency until such deficiency is cured).

No Fiduciary shall be liable or responsible for making or failing to make any investment authorized by the provisions of the Indenture, in the manner provided in the Indenture, or for any loss resulting from any such investment so made or failure to so make, except for its own negligence. The Trustee may deem investments directed as provided in the Indenture as Qualified Investments without independent investigation thereof.

Covenants of the Authority

Payment of Bonds. The Authority will duly and punctually pay or cause to be paid, but solely from the Trust Estate, the principal or Redemption Price, if any, of every Bond and the interest thereon, at the dates and places and in the manner provided in the Bonds according to the true intent and meaning thereof.

Offices for Payment and Registration of Bonds. The Authority may designate an additional Paying Agent located within or out of the State where Bonds may be presented for payment.

Further Assurances. At any and all times the Authority will, so far as it may be authorized or permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolution, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning, confirming and effecting all and singular the proceeds, moneys, rights, interests and collections in the Indenture pledged or assigned or intended so to be, or which the Authority may hereafter become bound to pledge or assign.

Power to Issue Bonds and Make Pledges. The Authority is duly authorized pursuant to law to authorize and issue the Bonds and to adopt the Indenture and to pledge the Trust Estate in the manner and to the extent provided in the Indenture. The Trust Estate is and will remain free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Indenture. The Bonds and the provisions of the Indenture are and will be the valid and legally enforceable obligations of the Authority in accordance with the terms of the Indenture. The Authority will at all times, to the extent permitted by law, defend, preserve and protect said pledge of the Trust Estate and all the rights of the Bond Owners under the Indenture against all claims and demands of all persons whomsoever.

Use of Proceeds. The Authority will use and apply the proceeds of Bonds, to the extent not otherwise required by the Indenture to make the Loan for the purposes specified in the Act and the Indenture, and will do all such acts and things necessary to receive and collect when due, all Revenues, and will diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Authority for the enforcement of all terms, covenants and conditions of the Loan.

The Loan will be made by the Authority from the proceeds of the Bonds concurrently with the issuance of the Bonds and the Deed of Trust securing the Loan will have been executed and recorded either concurrently or prior to the issuance and delivery of the Bonds; provided that:

(a) the Deed of Trust will constitute and create a mortgage lien on the Project subject only to Permitted Encumbrances, which further provides a valid security interest in the personal property acquired with proceeds of the Loan and attached to or used or to be used in connection with the operation of the Project, and in all rents, revenues, receipts, income and other moneys received by or payable to the Borrower; and

(b) the Borrower shall have marketable title in fee simple to the Property, free and clear of all liens and encumbrances, other than Permitted Encumbrances, which would materially affect the value or usefulness of such Property, as set forth in the policy of title insurance delivered in connection therewith and in a form which is satisfactory to the Authority.

Fees and Charges. The Authority shall review and approve such Fees and Charges as it shall deem appropriate to pay each Fiduciary acting in connection with the Indenture and the Bonds. Subject to prior review by the Authority or its Oversight Agent on the Authority's behalf, the Borrower shall provide

the Trustee with a schedule of the Fees and Charges to be paid by the Borrower and of each revision of such schedule, and shall require the Borrower to make payment of such Fees and Charges directly to the Trustee. The Trustee shall promptly deposit all such Fees and Charges so collected in the Administration Fund. The Trustee shall promptly advise the Authority of each and every failure of the Borrower to make payment of Fees and Charges when due.

Modification of the Terms of Deed of Trust. The Authority will not consent to the modification of, or modify, the rate or rates of interest of, or the amount or time of payment of any installment of principal of or interest on the Loan on the Project, or the amount or time of payment of any Fees and Charges payable with respect to such Loan, or the security for or any terms or provisions of the Loan on the Project or the Deed of Trust securing the same in a manner detrimental to the Trustee or the Bondowners.

Disposition of Net Proceeds and Prepayments. Net Proceeds constituting proceeds of a condemnation award, sale of land, or casualty insurance claim with respect to the Project shall be deposited in an account to be established and held by the Trustee for the Project and the Trustee upon receipt of Net Proceeds shall give written notice to the Authority of such event. Such amounts shall either be applied to the redemption of Bonds or the repair, replacement, restoration or rebuilding of the Project or part thereof as determined in accordance with the Indenture. Prior to the receipt of Net Proceeds by the Trustee, the Trustee will first receive a written direction from the Borrower as to whether such proceeds shall be used to redeem the Bonds or to rebuild the Project as set forth in the Loan Agreement. Upon receipt of such written direction from the Borrower that such Net Proceeds will be used to redeem the Bonds, the Trustee will notify the Authority and the Borrower shall cause the Net Proceeds to be paid to the Trustee no more than 30 days from the date that such Net Proceeds will be used to redeem the Bonds.

Amounts in the account described above shall be applied to the repair, replacement, restoration or rebuilding of the Project if the Borrower will deliver or cause to be delivered to the Trustee within ninety (90) days or such longer period as approved by the Authority of the event giving rise to the Net Proceeds written notice of its determination that such proceeds may be applied to the repair, replacement, restoration or rebuilding of the Project or part thereof in an economical manner, and that such proceeds shall be sufficient, together with any other moneys deposited into such account for such purpose together with (1) evidence of the Authority's written consent thereto, and (2) with a report of a management consultant to the effect that following such repair or restoration, the tests set forth in the Loan Agreement with respect to coverage levels in the Coverage Requirement Certificate will be met. Upon compliance with these conditions, the Trustee shall disburse the moneys so deposited for such repair, replacement, restoration or rebuilding, but not in an aggregate amount exceeding the cost thereof, upon receipt of a certificate of a Borrower Representative approved by the Oversight Agent, with a copy to the Authority, stating (i) the amount to be paid, (ii) the name of the person to which payment is to be made, and (iii) that such amount, together with all prior payments from such account, do not exceed the cost of such repair, replacement, restoration or rebuilding; provided that prior to making any such payments, the Trustee shall first have received a certificate of a Borrower Representative approved by the Oversight Agent, with copies to the Authority, stating (i) the estimated cost of such repair, replacement, restoration or rebuilding, (ii) that such repair, replacement, restoration or rebuilding is, in the signer's opinion, economically practicable with the proceeds of such condemnation award, sale of land or hazard insurance claim, and other moneys, if any, deposited in such account, and (iii) that the plans and specifications, if any, prepared for such repair, replacement, restoration and rebuilding have been approved by the Authority. All disbursements made by the Trustee pursuant to such Borrower's Certificate shall be presumed to be made properly, and the Trustee shall not be required to see to the application of any payments so made or inquire into the purposes for which such disbursements are made.

Any amounts remaining in a special restoration account and not required for the repair, replacement, restoration or rebuilding of the Project, all other Net Proceeds and Prepayments, less the cost and expenses of the Authority incurred in collecting the same and in effecting the purchase or redemption of the Bonds to be purchased or redeemed, shall be deposited in the Redemption Fund and shall be applied to the purchase, payment, retirement or redemption of the Bonds all in accordance with the provisions of the Indenture, provided, however, that any portion of such Net Proceeds or Prepayment which represents due and unpaid principal of, or interest on, or Fees and Charges with respect to, the Loan in each case as determined by the Authority in an Officer's Certificate delivered to the Trustee, shall be deposited in the Revenue Fund in such amount, if any, as shall be set forth in such Certificate.

Enforcement and Foreclosure of Deed of Trust. The Authority will cooperate with the Trustee in connection with the enforcement of all terms, covenants and conditions of the Deed of Trust, including the prompt payment of Revenues.

Whenever it shall be necessary in order to protect and enforce the rights of the Authority under the Deed of Trust securing the Loan and to protect and enforce the rights and interest of Bondowners under the Indenture, the Trustee, subject to the provisions of the Indenture, shall commence foreclosure proceedings or pursue other appropriate remedies against the Borrower in default under the provisions of the Deed of Trust and, in protection and enforcement of its rights under the Deed of Trust, may bid for and purchase the Project at any foreclosure or other sale thereof and pursuant thereto or otherwise acquire and take possession of the Project.

The Authority (and the Trustee, if acting in enforcing the Deed of Trust) shall be entitled to payment of all of its costs incurred in connection with enforcement of the Deed of Trust, including, but not limited to, legal fees and expenses, from Revenues prior to the use of Revenues for any other purpose under the Indenture.

It is expressly understood and acknowledged that, since the Note and Deed of Trust are assigned to the Trustee under the Indenture, it is not intended that the Authority will have any responsibility for foreclosure proceedings. Rather, foreclosure proceedings will be conducted by the Trustee. Any and all liability of the Authority under the Indenture is expressly limited as set forth in the Indenture.

Accounts and Reports. The Trustee will keep, or cause to be kept, proper books of record and account in which complete and correct entries shall be made of its transactions and all Funds and Accounts established by or maintained pursuant to the Indenture, which will at all times during normal business hours and upon reasonable notice, be subject to inspection by the Authority, the Trustee, the Borrower and the Owners of an aggregate of not less than five percent (5%) in Principal Amount of the Bonds then Outstanding or their agents or representatives duly authorized in writing.

The Authority, or the Oversight Agent on behalf of the Authority, shall, upon receipt from the Borrower of sufficient moneys to provide the same, furnish, without charge, upon written request of any Bondowner, to such Bondowner, (i) a report showing, for the Fiscal Year, with respect to the Bonds, outstanding balances by maturity, redemption history including redemption dates, amount, source of funds, and distribution of the call to the maturities, (ii) a report showing the current status of insurance coverages with respect to the Project, and (iii) the most currently available annual report submitted by the Borrower. For the purposes of this paragraph, "Bondowner" shall mean, in addition to the registered owner of any Bond, any person or entity that claims in writing to the reasonable satisfaction of the Authority to be a beneficial holder of Bonds and specifically requests that reports be sent to it.

Creation of Liens. The Authority will not issue any bonds or other evidences of indebtedness, other than the Bonds, secured by a pledge of the proceeds, moneys, rights, interests and collections pledged or held aside by the Authority or by a Fiduciary under the Indenture and, except as may be otherwise provided in the Indenture or a Supplemental Indenture with respect to any supplemental security, shall not create or cause to be created any lien or charge on proceeds, moneys, rights, interests and collections or such moneys on a subordinate, parity or senior basis to the lien created by the Indenture for the benefit of the Bonds; provided, however, that nothing in the Indenture will prevent the Authority from issuing evidences of indebtedness secured by a pledge of such proceeds, moneys, rights, interests and collections to be derived on and after such date as the Trust Estate shall be discharged and satisfied as provided in the Indenture or from issuing notes or bonds of the Authority secured by assets and revenues of the Authority other than the Trust Estate.

Tax Covenants. The Authority covenants that it will at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid on the Tax-Exempt Bonds be and remain excluded from gross income for federal income tax purposes.

The Authority covenants and agrees that it will not make or permit any use of the proceeds of the Bonds or other funds of the Authority which would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code, and further covenants that it will observe and not violate the requirements of Sections 145 and 148 of the Code. The Trustee will be entitled to receive and to rely upon a Counsel’s Opinion as to the conformity of any use or proposed use of the proceeds of the Bonds with the requirements of said Sections 145 and 148 of the Code.

Arbitrage Covenants; Rebate Fund. Moneys and securities held by the Trustee in the Rebate Fund are not pledged or otherwise subject to any security interest in favor of the Trustee to secure the Bonds or any other payments required to be made under the Indenture or any other document executed and delivered in connection with the issuance of the Bonds.

Moneys in the Rebate Fund shall be held separate and apart from all other Funds and Accounts established under the Indenture and shall be separately invested and reinvested by the Trustee, solely at the written direction of the Borrower, in Qualified Investments. The interest accruing thereon and any profit realized therefrom shall be credited to the Rebate Fund, and any loss resulting therefrom shall be charged to the Rebate Fund. The Trustee shall sell and reduce to cash a sufficient amount of such Qualified Investments whenever the cash balance in the Rebate Fund is insufficient for its purposes.

Absent a Counsel’s Opinion that the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds will not be adversely affected, the Authority shall cause the Borrower to deposit in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Indenture and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment to the United States Treasury.

In order to provide for the administration of the Arbitrage Covenants of the Indenture, the Borrower shall provide for the employment of independent attorneys, accountants and consultants (the “Rebate Analyst”) compensated on such reasonable basis as the Borrower may deem appropriate and in addition and without limitation of the provisions of the Indenture, the Trustee and the Authority may rely conclusively upon and be fully protected from all liability in relying upon the opinions, determinations, calculations and advice of such Rebate Analyst employed under the Indenture.

Supplemental Indentures

The Authority may adopt, without the consent of or notice to Bondowners, at any time or from time to time Supplemental Indentures for any one or more of the following purposes, and any such Indenture or Supplemental Indenture will become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer: (1) to add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Indenture; (2) to prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority; (3) to surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of the Indenture, provided that no such surrender is contrary to or inconsistent with the covenants and agreements of the Authority contained in the Indenture; (4) to confirm as further assurance any pledge under, and the subjection to any lien, claim or pledge created or to be created by, the provisions of the Indenture; (5) to modify any of the provisions of the Indenture or any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective until after all Bonds Outstanding as of the date of adoption of such Indenture or Supplemental Indenture shall cease to be Outstanding, and all Bonds issued after the date of adoption of such Indenture shall contain a specific reference to the modifications contained in such Indenture; (6) to amend the Indenture to add such provisions as may be necessary or advisable in connection with the substitution of any additional security; provided that any such modification does not materially adversely affect interests of any Bondholders; (7) to amend the Indenture in any and all respects as may be necessary or advisable to implement any amendment of the Code or the provision of any tax legislation enacted in place thereof; (8) to make such amendments to add such other provisions in regard to matters or questions arising out of the Indenture which shall not materially adversely affect the interests of the Owners of the Bonds affected thereby; or (9) to cure any ambiguity or defect or inconsistent provision in the Indenture or to insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable; provided that any such modifications do not materially adversely affect the interests of any Bondowners.

Powers of Amendment

Any modification or amendments of the Indenture and of the rights and obligations of the Authority and of the Owners of the Bonds in any particular may be made by a Supplemental Indenture with, except as set forth in the preceding section entitled "Supplemental Indentures," the written consent required by the Indenture, of the Owners of at least two-thirds in Principal Amount of the Bonds Outstanding at the time such consent is given; provided, however, that if any such modification or amendment will, by its terms, not take effect so long as any series of Bonds of any maturity remain Outstanding, the consent of the Owners of such series of the Bonds and maturity shall not be required and such series of Bonds shall not be deemed to be Outstanding for the purpose of any calculation of the Principal Amount of Outstanding Bonds under the Indenture. In the event that the Supplemental Indenture shall contain provisions which affect the rights and interest of one series of Bonds (but not the others), then the Owners of not less than two-thirds of the Principal Amount of the series of Bonds which are affected by such changes shall have the right from time to time to consent to and approve the execution by the Authority of any Supplemental Indenture deemed necessary or desirable by the Authority for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in the Indenture and affecting only the Bonds of such series; provided, however, unless approved by the Owners of all of the Bonds of all affected series then Outstanding, nothing therein shall permit or be construed as permitting such items as further provided in the Indenture. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the Principal Amount or the Redemption Price thereof or in the rate of interest thereon without the

consent of the owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owners of which is required to effect any such modification or amendment. The Trustee may in its discretion determine whether or not in accordance with the foregoing provisions Bonds of any particular maturity would be affected by any modification or amendment of the Indenture and any such determination shall be binding and conclusive on the Authority and all Owners of Bonds. The Trustee may receive an opinion of counsel, including a Counsel's Opinion, as conclusive evidence as to whether Bonds of any particular maturity would be so affected by any such modification or amendment of the Indenture.

Events of Default

Each of the following events is declared under the Indenture to be an "Event of Default," that is to say; if

(a) the Authority shall fail to make payment of the principal or Redemption Price of, or Sinking Fund Installment on, any Bond from the Trust Estate after the same shall become due, whether at maturity or upon call for redemption, or otherwise; or

(b) the Authority shall fail to make payment of interest on any Bond from the Trust Estate when and as the same will become due; or

(c) the Authority shall default in the performance or observance of any other of the covenants, agreements or conditions on its part in the Indenture, any Supplemental Indenture, or in the Bonds contained, and such default shall continue for a period of ninety (90) days after written notice thereof by the Trustee or the Owners of not less than five percent (5%) in Principal Amount of the Outstanding Bonds.

Remedies

Upon the happening and continuance of any Event of Default, then, and in each such case, subject in any event to the provisions set forth in the paragraph entitled "Enforcement and Foreclosure of Deed of Trust" under the Section entitled "Covenants of the Authority," the Trustee may proceed, and upon the written request of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds shall, subject to the Indenture, proceed in its own name, to protect and enforce its rights and the rights of the Bondowners by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights: (a) by suit, action or proceeding, enforce all rights of the Bondowners, including the right to require the Borrower to receive and collect Pledged Revenues adequate to carry out the covenants and agreements as to, and pledge of, such Pledged Revenues, and to require the Borrower to carry out any other covenant or agreement with Bondowners and to perform its duties under the Loan Agreement; (b) by bringing suit upon the Bonds; (c) by action or suit, require the Borrower to account as if the Borrower were the trustee of an express trust for the Owners of the Bonds; or (d) by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Upon the happening and continuance of any Event of Default specified in clause (a) or (b) under the heading "Events of Default" above, then, and in each such case, subject in any event to the provisions set forth in the paragraph entitled "Enforcement and Foreclosure of Deed of Trust" under the Section entitled "Covenants of the Authority," the Trustee may, and upon the written request of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds, shall declare all Bonds due and payable, and if all defaults shall be made good, then, with the written consent of the Owners of not less than twenty-five percent (25%) in Principal Amount of the Outstanding Bonds, annul such declaration and its consequences.

Priority of Payments After Event of Default

In the event that the funds held by the Trustee and Paying Agent will be insufficient for the payment of principal or Redemption Price of and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Trustee acting pursuant to the Indenture, after making provision for the payment of any expenses necessary in the opinion of the Trustee or the Authority to protect the interests of the Owners of the Bonds, and for the payment of the fees, charges and expenses and liabilities incurred and advances made by the Trustee or the Authority in the performance of their duties under the Indenture, including reasonable attorneys' fees, will be applied as follows:

(a) Unless the principal of all the Bonds shall not have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid Principal Amounts or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of Principal Amounts or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

Money to be applied by the Trustee as set forth above shall be applied at such times as the Trustee shall determine.

Limitations of Rights of Bondowners

The Owners of a majority in Principal Amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Indenture, provided that such direction shall not be otherwise than in accordance with law or the provisions of the Indenture and that the Trustee shall have the right to decline to follow any directions which in the opinion of the Trustee would be unjustly prejudicial to Bondowners not parties to such direction.

No Owner of any Bond will have any right to institute any suit, action or other proceedings under the Indenture, or for the protection or enforcement of any right under the Indenture or any right under law, unless such Owner will have given to the Trustee written notice of the Event of Default or breach of duty

on account of which suit, action or proceeding is to be taken, and unless the Owners of not less than twenty-five percent (25%) in Principal Amount of the Bonds of the series affected then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, will have accrued, and will have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers in the Indenture granted or granted under law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are in every such case at the option of the Trustee conditions precedent to the execution of the powers under the Indenture or for any other remedy under the Indenture or under law.

It is understood and intended that no one or more Owners of the Bonds secured under the Indenture shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Indenture, or to enforce any right under the Indenture or under law with respect to the Bonds or the Indenture, except in the manner therein provided, and that all proceedings shall be instituted, had and maintained in the manner herein provided and for the benefit of all Owners of the Outstanding Bonds. The obligation of the Authority shall be absolute and unconditional to pay the principal and Redemption Price of and interest on the Bonds to the respective Owners thereof at the respective due dates thereof, and nothing in the Indenture will affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment.

Remedies Not Exclusive

No remedy conferred upon or reserved to the Trustee or to the Owners of the Bonds under the Indenture is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Indenture or now or hereafter existing at law or in equity or by statute.

Limited Liability of the Authority

The obligations of the Authority with respect to the Bonds and under the Indenture, the Loan Agreement and the Regulatory Agreement are not general obligations of the Authority or its members but are special, limited obligations of the Authority payable by the Authority solely from the Trust Estate and are not a debt, nor a loan of the credit, of the State or any of its political subdivisions, and the Bonds shall not be construed to create any obligation on the part of the Authority, members of the Authority, the State or any political subdivision thereof with respect to the payment thereof. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation, and the issuance of the Bonds shall not directly or indirectly or contingently obligate the Authority, members of the Authority, the State or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment, and no Bondholder has the right to compel any exercise of any taxing power of the Authority, members of the Authority or the State.

Nothing contained in the Bonds or in the Indenture shall be considered as assigning or pledging any funds or assets of the Authority other than the Trust Estate; and neither the faith and credit of the Authority, members of the Authority, the State nor of any other political subdivision of the State are pledged to the payment of the principal of or interest on the Bonds.

No failure of the Authority to comply with any term, condition, covenant or agreement in the Indenture or in any document executed by the Authority in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Authority to liability for any claim for damages, costs or

other charge except to the extent that the same can be paid or recovered from the Trust Estate. The Authority shall not be required to advance any moneys derived from any source other than the Trust Estate for any of the purposes of the Indenture, the Loan Agreement or the Regulatory Agreement, whether for the payment of the principal or redemption price of, or interest on, the Bonds, the payment of any fees or administrative expenses or otherwise.

Neither the Borrower, the Trustee nor any Bondholder shall look to the Authority or members of the Authority for damages as a result of the failure of the Authority to perform any covenant, undertaking or obligation under the Indenture, the Loan Agreement, the Regulatory Agreement, the Bonds or any of the other documents, or as a result of the incorrectness of any representation made by the Authority in any of such documents, nor for any other reason. Although such documents shall not give rise to any pecuniary liability of the Authority, an action or proceeding (other than a claim for monetary damages) may be brought against the Authority or any of its officers or employees to enforce the provisions of any such documents which the Authority is obligated to perform and the performance of which the Authority has not assigned to the Trustee or another person. As a condition precedent to the Authority proceeding pursuant to the provisions under this heading, the Authority shall have received satisfactory indemnification.

All covenants, stipulations, promises, agreements and obligations of the Authority contained in the Indenture shall be deemed to be those of the Authority and not of any board member, director, agent, officer or employee of the Authority in its governmental or his or her individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on the Indenture against any board member, director, agent, officer or employee of the Authority or any person executing the Bonds.

THE LOAN AGREEMENT

The following is a summary of the Loan Agreement relating to the Loan. This summary does not purport to be complete and is qualified in its entirety by reference to the Loan Agreement, which is available from the Trustee upon request, and to Appendix A for the definition of certain terms used herein. Any capitalized terms not otherwise defined herein or in Appendix A are as defined in the Indenture, the Loan Agreement or the Regulatory Agreement.

Amount and Source of Loan

The Authority makes to the Borrower and agrees to fund, and the Borrower accepts from the Authority, upon the terms and conditions set forth in the Loan Agreement and in the Indenture, the Loan in an amount equal to the principal amount of the Bonds and agrees that the proceeds of the Loan will be applied and disbursed in accordance with the Indenture and written instructions of the Authority provided to the Trustee on the Closing Date and when the Trustee acknowledges receipt of the proceeds of the Bonds and the conditions specified in the Loan Agreement and in the Indenture have been satisfied.

Loan Repayment

The Loan will be evidenced by the Note which shall be executed by the Borrower in the form attached to the Loan Agreement. The Borrower agrees to pay to the Trustee, on behalf of the Authority, the principal of, premium (if any) and interest on the Loan at the times, in the manner, in the amount and at the rates of interest provided in the Note and the Loan Agreement. To secure its obligations to repay the Loan, the Borrower will grant the Authority a security interest in the Project pursuant to the terms of the Deed of Trust and will take all actions necessary to perfect such security interests in the Project. In order to satisfy its obligations under the Loan Agreement, the Borrower agrees to pay the Trustee not later

than the thirteenth day of each month, commencing December 13, 2021, all budgeted Net Operating Revenues from the prior month, and not otherwise remitted from the prior month. Any budgeted Net Operating Revenues received by the Borrower after the 13th day of each month shall be transferred to the Trustee on the 13th day of the immediately following calendar month.

The Borrower agrees to pay, in repayment of the Loan, all budgeted Net Operating Revenues for the immediately preceding calendar month to the Trustee for the account of the Authority until the principal of, premium (if any) and interest on the Bonds shall have been paid or provision for payment shall have been made in accordance with the Indenture, in federal or other immediately available funds at the corporate trust office designated by the Trustee, on the fifteenth day of each month an amount equal to (i) the interest on the Bonds which will become due on each Interest Payment Date and (ii) the principal of and redemption premium, if any, on the Bonds which will become due (whether at maturity, by prior redemption or otherwise) on each Principal Payment Date. In addition, the Borrower agrees to repay the principal of the Loan, plus interest accrued thereon until the date fixed for redemption of the Bonds to be redeemed with such repayment, in the amounts and at the times specified in the Loan Agreement.

In the event the Net Operating Revenues deposited with the Trustee in any two consecutive months are less than 90% of the amount set forth in the annual budget as described in the Loan Agreement, the Borrower shall, concurrently with its transfer of the amount to the Trustee, provide notice of a written explanation for the variance to the Authority and the Oversight Agent and, upon written request of the Oversight Agent, the Borrower shall submit a written report within 30 days with recommendations to the Authority, and the Oversight Agent with respect to the ability of the Borrower and its recommendations as to how to stay within the amounts contemplated in the final annual budget. The Oversight Agent shall review the Borrower's written recommendations and submit any comments to the Borrower. The Oversight Agent shall notify the Authority in the event the Borrower shall not comply substantially with the recommendations submitted by the Borrower (and as commented on by the Oversight Agent). In such event, the Authority, based on such advice as it may deem appropriate, may direct the Borrower to remove the manager of the Project (the "Project Manager") and approve a new Project Manager acceptable to the Authority. In the event the Net Operating Revenues deposited in the succeeding month are less than 90% of the amount set forth in the annual budget, then the Oversight Agent shall notify the Authority, and the Trustee and, thereafter: (a) upon written order of the Authority determined in its discretion based on the advice of the Oversight Agent and such other information as the Authority may determine to be appropriate, all Operating Revenues of the Project shall be deposited and held by the Trustee and the Trustee shall deposit the budgeted Operation and Maintenance Costs, as contemplated in the annual budget, as directed in writing by the Authority or the Oversight Agent on behalf of the Authority, in a depository account to be established by the Trustee for the benefit of the Borrower's operation and maintenance of the Project; and (b) the Authority, based on such advice of the Oversight Agent as it may deem appropriate, shall have the right to direct the Borrower to remove the Project Manager and approve a new Project Manager acceptable to the Authority. Upon receipt by the Trustee of a certificate from the Oversight Agent which certifies that Net Operating Revenues in a subsequent month are either (i) at least equal to 90% or more of the amount set forth in the annual budget described in the Loan Agreement or (ii) equal or greater than the amount needed to make all payments on the Bonds for the immediately preceding month, the Trustee shall no longer be required to hold the Operating Revenues as set forth above and shall take all necessary action to transfer the receipt of Operating Revenues to another financial institution as directed by the Borrower.

The Borrower further agrees to pay or cause to be paid all taxes and assessments, general or special, including, without limitation, all ad valorem taxes, concerning or in any way related to the Project, or any part thereof, and any other governmental charges and impositions whatsoever, foreseen or unforeseen, and all utility and other charges and assessments; provided, however, that the Borrower

reserves the right to contest in good faith the legality of any tax or governmental charge concerning or in any way related to the Project.

The Borrower agrees to timely pay the premiums or other amounts required to maintain the insurance specified in the Loan Agreement.

The Borrower further agrees to pay, until the principal of and interest on all Outstanding Bonds shall have been fully paid, to the Trustee for deposit in the Accounts of the Administration Fund established by the Indenture such amounts as the Trustee may from time to time request for the fees and ordinary expenses of the Trustee and the Paying Agent, the annual fees and expenses of the Oversight Agent as provided in the Oversight Agreement, and into the Borrower Administration Fee Account of the Administration Fund the Borrower Administration Fee, pursuant to the Indenture; provided that the Trustee fees and expenses incurred in connection with the enforcement of the Regulatory Agreement and reasonable compensation or reimbursement for extraordinary services, indemnification and expenses of the Trustee, as required by the Indenture, shall be paid upon demand of the Trustee. The Borrower agrees to pay the cost of any Rebate Analyst in connection with the calculation of rebate (within the meaning of Section 148(f) of the Code) and to pay to the Trustee all amounts required to be remitted to the United States.

The Borrower agrees to the establishment of the Repair and Replacement Fund and the Surplus Fund. Amounts deposited in the Surplus Fund shall be used to make the deposits to remedy deficiencies in the Debt Service Fund, the Debt Service Reserve Fund, the Rebate Fund, the Administration Fund and the Repair and Replacement Fund.

Nature of the Borrower's Obligations

The Borrower shall repay the Loan pursuant to the terms of the Note irrespective of any rights of set-off, recoupment or counterclaim the Borrower might otherwise have against the Authority, the Trustee or any other person. The Borrower will not suspend, discontinue or reduce any such payment or (except as expressly provided in the Loan Agreement) terminate the Loan Agreement for any cause, including, without limiting the generality of the foregoing, (i) any delay or interruption in the operation of the Project; (ii) the failure to obtain any permit, order or action of any kind from any governmental agency relating to the Loan or the Project; (iii) any event constituting force majeure; (iv) any acts or circumstances that may constitute commercial frustration of purpose; (v) the termination of the Loan Agreement; (vi) any change in the laws of the United States of America, the State or any political subdivision thereof; or (vii) any failure of the Authority to perform or observe any covenant whether expressed or implied, or to discharge any duty, liability or obligation arising out of or connected with the Note, the Loan Agreement, the Regulatory Agreement or any other contract with the Borrower; it being the intention of the parties that, as long as the Note or any portion thereof remains outstanding and unpaid, the obligation of the Borrower to repay the Loan and provide such moneys shall continue in all events. The provisions of Loan Agreement summarized in this paragraph shall not be construed to release the Authority from any of its obligations under the Loan Agreement, the Trustee from any of its obligations under the Indenture, or, except as provided in the Loan Agreement, to prevent or restrict the Authority from asserting any rights which it may have against the Borrower under the Note or the Deed of Trust or under any provision of law or to prevent or restrict the Borrower, at its own cost and expense, from prosecuting or defending any action or proceeding by or against the Authority or the Trustee or taking any other action to protect or secure its rights.

Borrower Not to Dispose of Assets; Conditions Under Which Exceptions Permitted

The Borrower agrees that during the term of the Loan Agreement it will not dispose of all or substantially all of its assets nor consolidate with nor merge into any entity unless: (i) the acquirer of its assets or the entity with which it shall consolidate or into which it shall merge shall be (A) an organization described in Section 501(c)(3) of the Code that agrees to operate the Project in a manner that does not constitute an unrelated trade or business of such organization or a governmental unit (as described in Section 145 of the Code) or (B) an entity that will not, in the opinion of Bond Counsel, adversely affect the exclusion of interest on the Tax-Exempt Bonds from the gross income of the owners of the Tax-Exempt Bonds for purposes of federal income taxation and is permissible under State law; (ii) such acquiring or remaining entity shall assume in writing all of the obligations of the Borrower under the Loan Agreement, the Regulatory Agreement, the Continuing Disclosure Agreement, the Note and the Deed of Trust; (iii) the Authority, after having consulted with such counsel or advisor as deemed by the Authority to be necessary, shall have consented in writing to such transfer, such consent not to be unreasonably withheld; and (iv) the written instrument or instruments evidencing such assumption are promptly provided to the Trustee and the Authority.

In no event shall the Borrower sell the Project for an amount that, when added to the amount of all moneys held in the funds and accounts established under the Indenture that are legally available to redeem Outstanding Bonds, is less than the sum of one-hundred percent (100%) of the Outstanding principal amount of the Bonds plus accrued interest, unless the Borrower obtains and provides to the Trustee the written consent to such sale of one-hundred percent (100%) of the Owners of the Outstanding Bonds. This provision shall not be amended without the written approval of one-hundred percent (100%) of the Owners of the Outstanding Bonds.

Cooperation in Enforcement of Regulatory Agreement

The Borrower covenants and agrees as follows: (a) to comply with all provisions of the Regulatory Agreement; (b) to advise the Authority, the Trustee and the Oversight Agent in writing promptly upon learning of any default with respect to the covenants, obligations and agreements of the Borrower set forth in the Regulatory Agreement; (c) upon written direction by the Authority, the Oversight Agent or the Trustee, to cooperate fully and promptly with the Authority, the Oversight Agent and the Trustee in enforcing the terms and provisions of the Regulatory Agreement; and (d) to file in accordance with the time limits established by the Regulatory Agreement all reports and certificates required thereunder.

Neither the Trustee nor the Authority shall incur any liability in the event of any breach or violation of the Regulatory Agreement by the Borrower, and the Borrower agrees to indemnify and hold harmless the Authority and the Trustee from any claim or liability, joint or several, for such breach pursuant to the Loan Agreement.

Additional Instruments

The Borrower covenants to execute and deliver such additional instruments and to perform such additional acts as may be necessary, in the opinion of the Authority or the Trustee, to carry out the intent of the Loan and the Note or to perfect or give further assurances of any of the rights granted or provided for in the Loan and the Note.

Books and Records; Annual Reports

The Borrower covenants to grant the Authority, the Oversight Agent and the Trustee or their duly authorized representatives, access to the books and records of the Borrower pertaining to the Loan and the Project during normal business hours and upon prior notice, and to make such books and records available for audit and inspection to the Authority, the Oversight Agent, the Trustee and their duly authorized representatives at reasonable times and under reasonable conditions.

Prior to the delivery date and at least 60 days prior to the beginning of each fiscal year of the Borrower, the Borrower shall prepare an annual budget and submit such budget for approval by the Authority and the Oversight Agent. Such annual budget shall provide that the sum of Net Operating Revenues, including projected interest income on the Debt Service Reserve Fund and moneys in the Coverage Fund, will be at least equal to (i) 1.30 times scheduled debt service on the Bonds, (ii) 1.00 times the sum of (A) the aggregate scheduled debt service on the Bonds in such fiscal year, and (B) the annual fees of the Trustee and the Oversight Agent for such fiscal year, (iii) amounts necessary to replenish the amount on deposit in the Repair and Replacement Fund to the amount required under the Indenture, (iv) amounts necessary to replenish any withdrawal from the Debt Service Reserve Fund, and (v) an amount sufficient to pay the Authority Annual Fee and the fees and expenses of the Fiduciaries. Within 20 days of receiving such annual budget, the Authority, and the Oversight Agent shall provide comments (not inconsistent with the requirements of the Loan Agreement and the Regulatory Agreement), if any (including any suggested changes acceptable to the Oversight Agent), in writing to the Borrower. The Borrower shall attempt in good faith to address comments and concerns of the Authority in its final budget. The Borrower shall prepare a revised annual budget and provide such revised budget to the Authority and the Oversight Agent for their review and comment. The Borrower shall provide a copy of the final annual budget to the Authority and the Oversight Agent prior to the beginning of the Borrower's fiscal year. In the event the annual budget as adopted does not provide for the coverage set forth in the second sentence of this paragraph, then in the case of a failure to meet the coverage requirement set forth in subsection (i) of said sentence, the Owners of a majority in Outstanding Principal Amount of the Bonds each shall have the right, in addition to all other rights provided under this Loan Agreement and the Indenture, to direct the Borrower to remove the Project Manager and appoint a Project Manager acceptable to the Authority and such Owners.

Within 30 days after the last day of each quarter, the Borrower shall prepare a statement for the immediately preceding quarter for review by the Authority and the Oversight Agent, which will include statement of income, balance sheet, cashflow, budget variances, occupancy rates, rental activity and average rental rates for the Project.

Within 60 days after the last day of each fiscal year of the Borrower, the Borrower will provide a certificate to the Authority and the Oversight Agent, that the Borrower has made a review of its activities during the preceding fiscal year for the purpose of determining whether or not the Borrower has complied with all of the terms, provisions and conditions of the Loan Agreement, the Regulatory Agreement and the Deed of Trust and will certify that the Borrower has kept, observed, performed and fulfilled each and every covenant, provision and condition of the Loan Agreement, the Regulatory Agreement and the Deed of Trust on its part to be performed and is not in default in the performance or observance of any of the terms, covenants, provisions or conditions thereof, or if the Borrower shall be in default then such certificate shall specify all such defaults and the nature thereof. All affordability restrictions required under the Regulatory Agreement shall be subject to review by the Oversight Agent, and the Authority.

The Borrower also shall furnish the Oversight Agent and the Trustee the audited financial statements of the Borrower within 180 days after the end of its fiscal year, and agrees that Bondholders,

upon written request, may receive information on the Project and the Borrower, including audited financial statements, from the Oversight Agent.

Notice of Certain Events

The Borrower covenants to advise the Authority, the Oversight Agent and the Trustee promptly in writing of the occurrence of any Event of Default under the Loan Agreement or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default under the Loan Agreement, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. In addition, the Borrower covenants to advise the Authority, the Oversight Agent and the Trustee promptly in writing of the occurrence of any default under the Loan Agreement or of the occurrence of an Act of Bankruptcy.

Consent to Assignment

The Authority has made an assignment to the Trustee under the Indenture for the benefit of the Owners of the Bonds of all rights and interest of the Authority in and to the Loan Agreement (except its rights under the Loan Agreement to be provided certain information with respect to the Project, to be indemnified and to be paid its fees and expenses), the Note, and the Deed of Trust; and the Borrower consents to all such assignments.

The Borrower has fee title to the Property and title to the Improvements free and clear of any lien or encumbrance except for (i) liens for non-delinquent assessments and taxes not yet due or which are being contested in good faith by appropriate proceedings; (ii) the Regulatory Agreement; (iii) the Deed of Trust; and (iv) Permitted Encumbrances. On or prior to the Closing Date as required by the Loan Agreement, the Borrower shall cause to be delivered to the Trustee and the Authority one or more ALTA title policies, insuring the lien interests of the Authority and the Trustee as the insureds, as their respective interests may appear under the Deed of Trust.

Continuing Disclosure

The Borrower covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of the Loan Agreement, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default under the Indenture or the Loan Agreement; however, the Trustee shall, at the written request of any Participating Underwriter (as defined in the Continuing Disclosure Agreement) or the holders of at least 25% in aggregate principal amount of Outstanding Bonds, upon receipt of satisfactory indemnification from any related liability, payment of its fees and expenses, including reasonable attorneys' fees, or any Bondholder may, take such actions as may be necessary and appropriate, including

seeking specific performance by court order, to cause the Borrower to comply with its continuing disclosure obligations under the Continuing Disclosure Agreement.

Minimum Rents; Coverage Requirement Certificate

The Borrower shall, at all times while any of the Bonds remain outstanding, fix, prescribe and collect rents, fees and charges in connection with the Project, so as to yield Net Operating Revenues, including any earnings on the Debt Service Reserve Fund and moneys in the Coverage Fund for the immediately preceding 12 month period, that will result in a Coverage Ratio at least equal to 1.30 (rounded up to the nearest hundredth) with respect to the Bonds debt service. The Borrower shall file with the Authority, the Oversight Agent and the Trustee, a Coverage Requirement Certificate demonstrating compliance with the Loan Agreement: (i) within 60 days of the last day of the first six months of each fiscal year based on unaudited financial statements, and (ii) within 180 days of the last day of each fiscal year beginning with fiscal year 2021 based on audited financial statements. The Borrower agrees to cause to be performed a preliminary inspection by a consultant experienced in mobilehome parks, selected by the Borrower and approved by the Authority, of the Project at such time or times as the Oversight Agent may reasonably determine to be necessary based on information with respect to the Project available to the Oversight Agent, and, if it is determined that further inspection is needed after a preliminary inspection, such further inspection, providing a report of a licensed contractor qualified to do the type of work proposed to be performed to identify any repairs, replacements or capital improvements required to maintain the Project as a safe and sanitary mobile home park in accordance with the Loan Agreement, the Regulatory Agreement and all associated agreements. Any such inspections shall be at the expense of the Borrower. All such repairs, replacements or capital improvements and costs of inspections will be paid for from moneys on deposit in the Repair and Replacement Fund to the extent of the moneys deposited in such Fund.

In the event that expenses are incurred, or in the opinion of the Borrower ought properly be incurred for replacement or additional improvements on the Project, for the design, approval, development, repair and construction of other capital improvements which may be of direct or indirect benefit to the Project which are not identified in a report of a licensed contractor qualified to do the type of work proposed to be performed (pursuant to the Loan Agreement), which are beyond ordinary and necessary maintenance and repairs and which are not then included in the annual budget or Exhibit C to the Loan Agreement (as such Exhibit may be amended from time to time with the approval of the Borrower and the Oversight Agent) which are paid as part of the Operation and Maintenance Expenses, the Borrower shall submit to the Oversight Agent a request for payment or reimbursement of such costs. The request shall (a) identify the total amount of such costs to be paid pursuant to such requisition, including all items of cost in such detail as may be available to the Borrower, (b) state with respect to such disbursement (i) the amount to be disbursed for payment of such costs, and (ii) that each item of costs identified therein has been properly incurred and has not been the basis of any previous disbursement; and (c) be accompanied by an invoice, if any. Moneys deposited in the Restricted Account of the Repair and Replacement Fund on the Closing Date shall be applied to pay for or reimburse the Borrower solely for capital improvements to the Project, including capital improvements set forth in Exhibit C to the Loan Agreement, as said Exhibit C may be amended from time to time with the approval of the Borrower and the Oversight Agent, capital improvements set forth in the annual budget or capital improvements approved by the Oversight Agent as described in the preceding paragraph. Disbursements from the Restricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower and approved in writing by the Oversight Agent.

Moneys deposited in the Unrestricted Account of the Repair and Replacement Fund pursuant to the Indenture may be used for the purpose of effecting the remaining items set forth in Exhibit C to the Loan Agreement or for any purpose for the benefit of the Project in accordance with the annual budget or for such other similar purposes, including maintenance costs and replacement of machinery and appliances. Disbursements from the Unrestricted Account of the Repair and Replacement Fund shall be made upon the written request of the Borrower, with a copy of such request to the Oversight Agency.

If requested by the Oversight Agent pursuant to the Loan Agreement, the Borrower shall cause an updated report with respect to the physical needs of the Project (the “Updated Physical Assessment Report”) to be prepared by a qualified professional approved by the Oversight Agent and a copy of said Updated Physical Assessment Report shall be filed with the Oversight Agent and the Authority. Thereafter, to the extent specified in the Updated Physical Assessment Report, the Borrower shall cause Exhibit C to the Loan Agreement to be amended and shall cause to be deposited into the Repair and Replacement Fund pursuant to the Indenture the amount specified in said Updated Physical Assessment Report.

Replenishment of Debt Service Reserve Fund

The Borrower agrees to make payments sufficient to restore the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement (a) in 12 consecutive equal monthly installments beginning in the month following any withdrawal from the Debt Service Reserve Fund which causes the amount therein to be less than the Debt Service Reserve Fund Requirement, or (b) in four consecutive equal monthly installments beginning in the month following any calculation of the value of the Debt Service Reserve Fund at an amount less than the Debt Service Reserve Fund Requirement.

Project Management Agreements

Any project management agreement shall permit the Borrower to remove the Project Manager (without penalty) for nonperformance or if the Borrower fails to meet the ratio covenant set forth in the Section entitled “Minimum Rents; Coverage Requirement Certificate” (unless it could be established that causes outside the operator’s control were causing the ratio covenant violation). If the Borrower removes the Project Manager, the Borrower shall promptly appoint a replacement Project Manager acceptable to the Oversight Agent and the Authority, and pending such appointment, may act as Project Manager on a temporary basis.

Operating Fund

The Borrower shall have an operating cash balance for the Project equal to at least 15 days of annual budgeted Operation and Maintenance Costs as of the Closing Date and as of the last day of each fiscal year (such cash balance shall be exclusive of any amounts in the funds and accounts held by the Trustee or funds representing resident security deposits).

Events of Default Under the Loan Agreement

Each of the following is an “Event of Default” under the Loan Agreement.

(a) The Borrower shall fail to pay when due the amounts required to be paid under the Loan Agreement or the Note when the same shall become due and payable in accordance with the terms of the Loan Agreement or the Note, including a failure to repay any amounts which have been previously paid but are recovered, attached or enjoined pursuant to any insolvency, receivership, liquidation or similar proceedings; or

(b) The Borrower shall fail to perform or observe any of its covenants or agreements contained in the Loan Agreement, the Regulatory Agreement, the Indenture, the Note or the Deed of Trust, other than as specified in paragraph (a) above, and such failure shall continue during and after the period specified below; or

(c) Any representation or warranty of the Borrower shall be determined by the Trustee or the Authority to have been false in any material respect when made; or

(d) The Borrower shall generally not pay its debts as they become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors or shall institute any proceeding or voluntary case seeking to adjudicate it a bankrupt or insolvent or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief or protection of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property; or the Borrower shall take any action to authorize any of the actions described above in this paragraph (d), or any proceeding shall be instituted against the Borrower seeking to adjudicate it a bankrupt or insolvent or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief or protection of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property, and, if such proceeding is being contested by the Borrower in good faith, such proceeding shall remain undismissed or unstayed for a period of 60 days; or

(e) An event of default shall have occurred under the Indenture and the Bonds have been declared due and payable pursuant to the Indenture.

No default under paragraph (b) above shall constitute an Event of Default until:

(i) The Trustee, by registered or certified mail, shall give notice to the Borrower of such default specifying the same and stating that such notice is a “Notice of Default”; and

(ii) The Borrower shall have 60 days after receipt of such notice to correct the default and shall not have corrected it; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default under the Loan Agreement so long as (a) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected, and (b) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds.

Remedies

Whenever any Event of Default under the Loan Agreement shall have happened and be continuing, the following remedial steps shall be taken:

(a) Immediately upon the occurrence of any Event of Default under the Loan Agreement the Trustee shall declare all amounts due under the Loan Agreement and the Note to be immediately due and payable; provided, however, that in the case of an Event of Default described in (b), (c) or (d) above, the amounts due under the Loan Agreement and the Note shall not be accelerated unless the Trustee receives either (i) written notice from the Authority to accelerate the Loan and declare all amounts due under the Loan Agreement and the Note or (ii) an opinion of Bond Counsel that the failure to accelerate the Loan under such circumstances will adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds;

(b) Subject to the provisions of the Indenture, the Trustee shall take whatever action at law or in equity may appear necessary or desirable to collect the payments required to be made by the Borrower under the Loan Agreement, the Deed of Trust, and the Note, or to enforce performance and observance of any obligation or agreement of the Borrower under the Loan Agreement, the Note, the Deed of Trust or the Regulatory Agreement, but in no event shall the Trustee be obligated to take any such action which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until an indemnity bond satisfactory to it has been furnished to it;

(c) The Authority may, upon consultation with the Oversight Agent, terminate the Project Manager and shall upon the recommendation of the Oversight Agent or such other advice as the Authority deems appropriate, select a new Project Manager;

(d) Upon an Event of Default under the Loan Agreement, either the Authority may operate and administer, or cause to be operated and administered, the Project in the place and stead of the Borrower and in the manner required by the terms and provisions of the Regulatory Agreement. In so doing, the Authority or such party as it may appoint to operate and administer the Project, to the extent it may have moneys available under the Loan Agreement for such purposes, shall complete the rehabilitation and equipping of any incomplete component of the Project to be funded with proceeds of the Bonds, and shall pay from the Operating Revenues received with respect to the Project (to the extent available) the Loan Repayments and Fees and Charges, if any, which the Borrower was obligated to pay pursuant to the terms and provisions of the Loan Agreement and the Deed of Trust. The Trustee or other depository shall be authorized to pay the Authority or its designee as directed by an Officer's Certificate any moneys on deposit in the Project Fund to the extent that the Authority shall certify in writing that such moneys are required by the Authority or its designee to pay any items that would have been included in the cost of the Project had the Authority or its designee not acquired the same;

(e) The Authority may, upon the recommendation of the Oversight Agent or such other advice as it may deem appropriate, commence foreclosure proceedings as set forth in the Indenture; and

(f) Upon an Event of Default and continuing until at least one year after all Events of Default have been cured, all Operating Revenues then on hand and thereafter received by the Borrower or otherwise shall be delivered to the Trustee, for deposit to a depository account for the benefit of the Bond Owners to be applied by the Trustee first to the payment of debt service on the Bonds and then to the payment of reasonable and necessary Operation and Maintenance Costs, with any remaining amounts used as provided in the Indenture.

Any amounts collected as payments made on the Note, or applicable to such payments, and any other amounts which would be applicable to payment of principal of, premium, if any, and interest on the Bonds collected pursuant to action taken under the foregoing provisions under this heading shall be applied in accordance with the provisions of the Indenture. Upon payment in full of all amounts owing under the Indenture, including all fees and expenses of the Trustee, the Oversight Agent and the Authority, the Authority and the Trustee shall transfer any remaining right, title or interest that each has in the Indenture, the Loan Agreement, the Note and the Deed of Trust to the Borrower, except any rights to receive payment of fees and expenses and to be indemnified, as provided for in the Loan Agreement and the Indenture.

Beneficiaries

So long as any of the Bonds are Outstanding and the Note has not been paid-in-full, the Authority shall be an intended third party beneficiary of the Loan Agreement.

THE REGULATORY AGREEMENT

The following is a summary of certain provisions of the Regulatory Agreement and does not purport to be complete. Reference is hereby made to the Regulatory Agreement which is available from the Trustee upon request, and to Appendix A for the definition of certain terms used herein. Any capitalized terms not otherwise defined herein or in Appendix A are as defined in the Regulatory Agreement.

Residential Rental Property; Qualified Residents

The Borrower represents, as of the date of the Regulatory Agreement, and warrants, covenants and agrees as follows:

(a) The Project is being owned and operated for the purpose of providing qualified residential rental housing, consisting of one mobile home Space for each household, together with facilities which are Functionally Related and Subordinate to such Spaces.

(b) All of the mobile homes in the Project will contain separate facilities for living, sleeping, eating, cooking and sanitation, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) All of the Spaces will be available for rental on a continuous basis to members of the general public during the Qualified Project Period, and the Borrower will not give preference to any particular class or group in renting the Spaces in the Project, except to the extent that Spaces are required to be leased or rented to Low Income Residents or Very Low Income Residents

(d) The Project comprises a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(e) No part of the Project will at any time be owned or used as a condominium or by a cooperative housing corporation, and the Borrower shall not take any steps toward such conversion without an opinion of Bond Counsel that interest on the Tax-Exempt Bonds will not thereby become includable in gross income for federal income tax purposes.

(f) Should involuntary noncompliance with the provisions of the Regulatory Agreement be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Authority from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, it will either prepay the Note or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of the Regulatory Agreement.

(g) There shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, ancestry, national origin, source of income (e.g. AFDC (or its successor program, if any) or SSI) or disability in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Project nor shall the transferee or any person claiming under or through the transferee, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Project.

(h) The Low Income Spaces and Very Low Income Spaces in the Project shall be intermingled with, and shall be of comparable quality to, all other Spaces in the Project. Tenants in all Spaces in the Project shall have equal access to and enjoyment of all common facilities of the Project.

(i) In the aggregate, no more than two persons per bedroom, plus one person shall occupy any Space in the Project not including children born after the date of initial occupancy by a household. For example, with respect to a two bedroom mobile home, maximum occupancy shall be 5 persons.

(j) None of the Spaces in the Project shall at any time be utilized on a transient basis; none of the residents of the Project are residing at the Project for any ancillary purpose unrelated to housing; none of the Spaces in the Project are being leased or rented to a person or person who does not occupy such Space; and neither the Project nor any portion thereof shall be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, retirement home, sanitarium, rest home, or by a cooperative housing corporation (as defined in Section 216(b)(1) of the Code).

(k) Substantially all (i.e. not less than 95%) of the Project shall consist of proximate structures located on one or more contiguous tracts of land which have similarly constructed Spaces financed pursuant to a common plan together with Functionally Related and Subordinate facilities, all of which shall be owned by the same “person” (as such term is used in the Treasury Regulations) for federal tax purposes.

(l) Borrower covenants and agrees that consistent with the tax exempt purpose of its sole member, pursuant to Section 501(c)(3) of the Code, that not less than fifty-five percent (55%) of the Spaces in the Project (not including any Spaces required to be occupied by Very Low Income Residents under the Regulatory Agreement) shall be continuously occupied by Low Income Residents during the Qualified Project Period.

Authority Requirements

The following provisions shall apply during the term of the Regulatory Agreement, irrespective of whether any Bonds are outstanding.

(a) The Borrower shall notify the Authority and the Oversight Agent of the operations/management company it will employ for the Project no less than 30 days prior to the signing of a contract with any such entity. Qualifications of the firm(s) shall also be provided at that time and the

Authority shall have the right to submit comments on the qualifications of the firm, which shall be considered by Borrower prior to execution of a contract.

(b) The Borrower is responsible for all management functions with respect to the Project including the selection of tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The Authority shall have no responsibility over management of the Project. In no instance shall the Borrower delegate or forego its responsibility to operate the Project in the manner set forth in the Regulatory Agreement and the Loan Agreement.

(c) The Authority through its Authorized Officer, reserves the right to conduct on or about November 15 of each year, commencing November 15, 2022, an annual (or more frequently, if deemed necessary by the Authority) review of the management practices and financial status of the Project. The purpose of each periodic review will be to enable the Authority to determine if the Project is being operated and managed in accordance with the requirements and standards of the Regulatory Agreement. The Borrower shall cooperate with the Authority in such reviews, including but not limited to making its books and records regarding the Project available for inspection by the Authority.

(d) The Borrower agrees, for the entire term of the Regulatory Agreement, to maintain all common area interior and exterior improvements on the related Project (exclusive of the mobile homes and tenant spaces), including landscaping and common buildings on the Project in good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials.

(e) The Authority places prime importance on quality maintenance to ensure that all Authority-assisted affordable housing projects are not allowed to deteriorate due to below-average maintenance. Normal wear and tear of the Project will be acceptable to the Authority assuming the Borrower agrees to provide all necessary improvements to assure the Project is maintained in good condition. The Borrower shall make all repairs and replacements necessary to keep the Project in good condition and repair.

(f) In the event that the Borrower breaches any of the covenants contained in the Regulatory Agreement and such default continues for a period of 10 days after written notice from the Authority with respect to graffiti, debris, waste material, and general maintenance or 30 days after written notice from the Authority with respect to landscaping and building improvements, then the Authority may enter upon the Project and perform or cause to be performed all work necessary to cure the default. Pursuant to such right of entry, the Authority shall be permitted (but is not required) to enter upon the Project and perform all work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Project, and to attach a lien on the Project, or to assess the Project, in the amount of its expenditures, including a 15% administrative charge.

Qualified Residents

Pursuant to the requirements of the Code and the Act, the Borrower covenants and agrees as follows:

(a) During the Qualified Project Period: not less than twenty percent (20%) of the Spaces in the Project shall be continuously occupied by Very Low Income Residents. The monthly rent charged for

not less than one-half of such Spaces required to be occupied by Very Low Income Residents (i.e., not less than ten percent (10%) of the Spaces in the Project) shall be not greater than as follows:

(A) where a Very Low Income Resident is both the registered and legal owner of the mobile home and is not making mortgage payments for the purchase of that mobile home, the total rental charge for occupancy of the Space (excluding a reasonable allowance for other related housing costs determined at the time of acquisition of the Project by the Borrower and excluding any supplemental rental assistance from the State, the federal government, or any other public agency to the Very Low Income Resident or on behalf of the Space and the mobile home) shall not exceed one-twelfth of 30 percent of 50 percent of Median Income for the Area, adjusted for household size in the manner set forth below.

(B) where a Very Low Income Resident is the registered owner of the mobile home and is making mortgage payments for the purchase of that mobile home, the total rental charge for occupancy of the Space (excluding any charges for utilities and storage and excluding any supplemental rental assistance from the State, the federal government, or any other public agency to the Very Low Income Resident or on behalf of the Space and mobile home), shall not exceed one-twelfth of 15 percent of 50 percent of Median Income for the Area, as adjusted for household size in the manner set forth below.

(C) where a Very Low Income Resident rents both the mobile home and the Space occupied by the mobile home, the total rental payments paid by the Very Low Income Resident on the mobile home and the Space occupied by the mobile home (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to that Very Low Resident or on behalf of that Space and mobile home) shall not exceed one-twelfth of 30 percent of 50 percent of Median Income for the Area adjusted for household size in the manner set forth below.

In adjusting rent for household size, it shall be assumed that one person will occupy a recreational vehicle, two persons will occupy a single-wide mobile home and three persons will occupy a multi-sectional mobile home; or as permitted under Section 52102(a) of the California Health and Safety Code, it shall be assumed that one person will occupy a studio unit, two persons will occupy a one-bedroom unit, three persons will occupy a two-bedroom unit, four persons will occupy a three-bedroom unit, and five persons will occupy a four-bedroom unit.

(b) Reserved.

(c) In the event a recertification of such tenant's income in accordance with paragraph (e) below demonstrates that such tenant no longer qualifies as a Qualified Resident, the Space occupied by such Resident shall continue to be treated as a Qualified Space unless and until any Space in the Project thereafter is occupied by a new tenant other than a Qualified Resident of the applicable category. Moreover, a Space previously occupied by a Qualified Resident and then vacated shall be considered occupied by a Qualified Resident of the applicable category until reoccupied, other than for a temporary period, at which time the character of the Space shall be redetermined. In no event shall such temporary period exceed thirty one (31) days. Notwithstanding anything in the Regulatory Agreement to the contrary, if at any time the number of Qualified Residents falls below the number required by such Regulatory Agreement, the next available vacant Space shall be rented to a Qualified Resident of the applicable category.

(d) Immediately prior to a Qualified Resident's occupancy of a Qualified Space (or prior to the Closing Date with respect to Spaces previously occupied), the Borrower will obtain and maintain on

file an Income Certification form from each Qualified Resident occupying a Qualified Space, dated immediately prior to the initial occupancy of such Qualified Resident in the Project (or prior to the Closing Date in the case of existing Qualified Residents). In addition, the Borrower will provide such further information as may be required in the future by the State of California, and by the Act, as the same may be amended from time to time, as requested by the Authority or the Oversight Agent. The Borrower shall verify the income provided by an applicant with respect to a Space to be occupied after the Closing Date in the manner described by the Regulatory Agreement.

(e) Annually, the Borrower shall recertify the income of the occupants of such Qualified Spaces by obtaining a completed Income Certification based upon the current income of each occupant of the Space. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as a Qualified Resident of the applicable category, such household will no longer qualify as a Qualified Resident of the applicable category, and the Borrower either (i) will designate another Qualified Resident and Space in the Project as a Qualified Resident of the applicable category, and a Qualified Space of the applicable category, respectively, or (ii) will rent the next available vacant Space to one or more Qualified Residents of the applicable category.

(f) Each lease or rental agreement pertaining to a Qualified Space occupied after the Closing Date will contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Qualified Resident in determining qualification for occupancy of the Qualified Space, and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease. Each lease or rental agreement will also contain a provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant to paragraph (e) above will disqualify the Space as a Qualified Space and provide grounds for termination of the lease. The Borrower agrees to provide the Oversight Agent and the Authority a copy for the form of application and lease to be provided to prospective Qualified Residents and any amendments thereto.

(g) In the event, despite Borrower's exercise of best efforts to comply with the foregoing provisions of the Regulatory Agreement, the Borrower shall have been out of compliance with any of the restrictions of the foregoing provisions of such Regulatory Agreement relative to Qualified Residents for a period in excess of six months, then at the sole option of the Authority the terms of such Regulatory Agreement shall be automatically extended for the period of non-compliance upon written notice to the Borrower, the Trustee and the Oversight Agent from the Authority, such extension to relate to the Qualified Spaces and Qualified Residents as to which such noncompliance relates.

Sale or Transfer of the Project

The Borrower intends to hold the Project for its own account and has no current plans to sell, transfer or otherwise dispose of the Project, and covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated under the Regulatory Agreement), without obtaining the prior consent of the Authority and upon satisfaction of the other requirements of the Regulatory Agreement and the Loan Agreement.

Term

The Regulatory Agreement and all and several of the terms will become effective upon its execution and delivery and will remain in full force and effect during the Qualified Project Period, it being expressly agreed and understood that the provisions are intended to survive the retirement of the Bonds and expiration of the Indenture, the Loan Agreement and the Note.

Enforcement

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Authority or the Trustee to the Borrower (provided, however, that the Authority may at its sole option extend such period if the Borrower provides the Authority with an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds, and provided further, in the event any default relates to Section 4 of such Regulatory Agreement and the Borrower is exercising best efforts to comply with such restrictions as determined by the Authority in its sole discretion, then the cure period described above shall be 6 months and the Qualified Project Period shall be extended for a like period as provided in such Regulatory Agreement). If the Borrower fails to cure within the specified period then the Trustee, subject to the provisions of the Regulatory Agreement and acting on its own behalf or on behalf of the Authority, shall declare an “Event of Default” to have occurred, and, at its option, may take any one or more of the following steps:

- (i) by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants under the Regulatory Agreement or enjoin any acts or things which may be unlawful or in violation of the rights of the Authority or the Trustee under the Regulatory Agreement;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; and
- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower under the Regulatory Agreement.

The Trustee shall have the right, in accordance with the Regulatory Agreement and the provisions of the Indenture, without the consent or approval of the Authority, to exercise any or all of the rights or remedies of the Authority under the Regulatory Agreement; provided that prior to taking any such act the Trustee shall give the Authority written notice of its intended action. All fees, costs and expenses of the Trustee, the Authority and the Oversight Agent (including, without limitation, reasonable attorneys’ fees) reasonably incurred in taking any action pursuant to the Regulatory Agreement shall be the sole responsibility of the Borrower; provided the Trustee will not be obligated to take any action under the Regulatory Agreement that results in expenses or liability to the Trustee unless it is compensated and reimbursed for its expenses, including reasonable attorneys’ fees, and indemnified to its satisfaction against liability.

After the Indenture has been discharged, or if the Trustee fails to act under the Regulatory Agreement, the Authority may act in its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified above to the same extent and with the same effect as if taken by the Trustee.

THE BORROWER

Neither the Authority nor the Underwriter have made any independent investigation of the information presented herein as to the Borrower. Such information has been provided solely by the Borrower, and neither the Authority nor the Underwriter have verified the accuracy or completeness of such information, nor do they assume any responsibility or liability therefor.

Organization

The Borrower is a California limited liability company. The Borrower has been formed for the purpose of owning the Project and other similar mobile home parks.

Augusta Homes, the sole member of the Borrower, is organized exclusively under the California Nonprofit Public Benefit Corporation Law for charitable purposes. Its specific purpose is to encourage, preserve, rehabilitate, develop, operate, and maintain decent, safe, sanitary and affordable housing for very low, low and moderate income persons in the State of California.

The Internal Revenue Service for federal tax purposes establishes the tax-exempt status of the Borrower based on the tax-exempt status of its sole member, Augusta Homes. Based on the foregoing, the Borrower is considered by the Internal Revenue Service to be tax-exempt under Section 501(c)(3) of the Tax Code.

Augusta Homes was created to provide affordable housing through the acquisition and rehabilitation of mobilehome and apartment communities. Augusta Homes's goals are to encourage and empower its residents to take an active role in budget and management decisions, provide enhanced maintenance and services; and to ensure that its communities remain valuable sources of quality affordable housing.

Augusta Homes received a determination letter from the Internal Revenue Service as to its status as an organization described in Section 501(c)(3) of the Code on September 24, 1999, and a letter from the State of California Franchise Tax Board confirming its exemption from State franchise or income tax on August 26, 1999. The Borrower received a letter from the State of California Franchise Tax Board dated March 4, 2013 confirming its tax-exemption from the California franchise or income tax as stated in Section 23701(h) of the California Revenue and Taxation Code. Augusta Homes has agreed to maintain its Section 501(c)(3) status and its exemption from federal income taxation under the Code.

The Borrower currently owns other mobile home parks in addition to its investment in the Project. None of the other mobile home parks owned by the Borrower are pledged as security for the Bonds and the Bondholders have no lien or claim on those parks or their revenues.

Either the Borrower or Augusta Homes may purchase other mobile home parks in the future, none of which will be pledged as security for the Bonds and the Bondholders will have no lien or claim on such parks or their respective revenues.

The current Board of Directors of Augusta Homes, the sole member of the Borrower, is as follows:

Mobile Home Park Overview

General. Mobile homes are sometimes referred to as an intermediate step between apartments and owner occupied housing (condominiums and detached homes). At the same time, those with sufficient income and cash for down payments typically prefer to buy a traditional home, rather than rent space in a mobile home park. Thus, the space rent plus the mobile home (coach) mortgage payment must generally be less than the mortgage payment on traditional housing in the area.

Increasing land values near urban areas (especially during the 1980's) significantly curtailed the development of new parks. Also affecting new park construction was the advent of rent control during the 1980's. Many cities throughout the State have enacted rent control ordinances as a result of previous rent increases.

Because of the lack of supply and a growing demand for affordable housing in urban areas, mobile home parks were able to steadily increase space rents even during the recession years of the early 1990's. While rents for most types of real estate in California dropped during the recession, mobile home park rents have continued to rise, although not at their historic rates. No assurance can be given that such trends will continue.

Stable Resident Base. Residents of mobile home parks are homeowners and make significant investments in their homes and in on-site improvements. Moving a mobile home from one community to another requires substantial cost and effort and often requires abandonment of on-site improvements such as landscaping, decks and carports. Because of the loss of equity in site improvements, the high cost of moving and the limited availability of vacant mobile home park spaces, mobile homes are seldom moved from their original locations. Instead, mobile homes are usually sold in place when the homeowner wants to move.

The high costs associated with moving a mobile home also serve to reduce rent delinquencies and collection losses. Pursuant to Section 798 et seq. of the California Civil Code (the "Mobile Home Residency Law"), a mobile home park owner (after complying with the notice, cure period and other procedural requirements of the Mobile Home Residency Law) has the right to cause the removal of a mobile home if a resident fails to pay rent. Since the loss in value caused by the removal of the mobile

home would usually far exceed the amount of the rent delinquency the mobile home owner, or the holder of a lien on the mobile home, has a strong incentive to cure the rent default.

The Project

The Project comprises approximately 17.2 acres and is located at 26814 S. Mooney Blvd., Visalia, California. It consists of 170 mobile home Spaces. The Project includes a recreation center with assembly room, service kitchen, pool, shuffleboard courts, laundry room, and office. See “APPENDIX C—Appraisal” attached hereto.

Environmental Site Assessment

A Phase I Environmental Site Assessment of the Project dated October 22, 2015 was prepared by DCI Environmental Services (“DCI”) in connection with the issuance of the Prior Bonds. The assessment revealed no evidence of any recognized environmental conditions in connection with the Project. DCI had no recommendation for further investigation of the Project. A complete copy of the assessment, which describes the findings and conclusions made by DCI, is available upon request to the Borrower or the Underwriter. No additional environmental assessment of the Project has been completed.

These capital improvements will be funded from the initial deposit from proceeds of the Bonds to the Repair and Replacement Fund on the Closing Date and from subsequent deposits to such Fund from surplus cash flow from the Project.

Historical Operating Results

The following table summarizes the historical cash receipts and disbursements of the Project for the three years ended December 31, 2018, 2019, and 2020. No opinion has been expressed about whether the financial statements and supplementary schedules used to prepare the following table were prepared in accordance with generally accepted accounting principles. The operating results shown below could differ significantly from those that would have been obtained if audits had been performed and if such statements had been prepared in accordance with such principles.

Management Agreement and Qualifications of Manager

The project will be managed by Richmond Management (“Agent”) pursuant to a Property Management Agreement (“Agreement”) between the Borrower and the Agent. The term of the Agreement is for one (1) year, and thereafter for annual periods, unless on or before sixty (60) days prior to the expiration of any such period, either party thereto notifies the other in writing of its intention to terminate the Agreement, in which case the Agreement will be terminated on the last mentioned date. Per the Agreement, the Borrower shall pay Agent for its property management services an initial fee of \$ _____ per month. The fee shall only be increased on annual extensions of the Agreement based upon the average annual percentage increase in rents during the preceding 12 month period. Agent is authorized to deduct

the amount of said fee for said services each month, plus any other fees due Agent, as the first charge upon all gross monthly rental income.

The Agent has agreed to use its best efforts to fully, effectively and efficiently manage, operate, maintain, lease and rent the park so as to provide the park owner with the maximum economic return consistent with proper and professional operation and management. The Agent's responsibilities with respect to the park include maintenance of a trust account for the collection and disbursement of all funds from the park; collection of tenant rents and other charges in accordance with the terms of their tenancies; employment, supervision, and discharge of all personnel; contracting to maintain and repair the park as needed; procurement of any services and utilities necessary to operate the park; procurement of any insurance the Agent deems necessary to protect the park, including Workers' Compensation Insurance; prompt compliance with any applicable federal, state, and municipal laws, ordinances and regulations having jurisdiction over the park; payment of all operating expenses; maintenance of full and accurate books and records of the park accounts and submission of monthly financial statements to the park owner.

The Agent is a California registered Limited Liability Corporation engaged in the business of real estate management and investment. The Agent owns and manages properties in California, Arizona, and Hawaii. The Agent's Principal, Randal Ratkay, has been involved in real estate management, investment, and development since 1983 working with several full service nationwide real estate firms before establishing Richmond Capital Group in 2005. He earned BBA and MBA degrees from Southern Methodist University, has been a licensed California Real Estate Broker since 1990, is active with WMA, the mobilehome industry trade association concerned with all mobilehome park issues, and has extensive expertise on California's Mobilehome Residency Law. The Agent's corporate philosophy is that in order to manage properties effectively, property managers must adopt a "hands on" approach and be onsite frequently overseeing operations.

Oversight Agent

Wolf & Company Inc. ("Wolf") has agreed to serve as the initial Oversight Agent under an Oversight Agreement, among the Authority, Wolf and the Borrower, to monitor the Borrower's compliance with certain provisions of the Indenture, Loan Agreement and the Regulatory Agreement.

Wolf provides municipal consulting services to state and local governments and not for profit corporations with a specialized emphasis on Mobile Home Park Acquisitions-Program Administration and Oversight Agent Services, Mortgage Program Administrative Services and Continuing Disclosure Dissemination Agent Services.

Wolf is the Oversight Agent on 52 mobile home parks and 1 apartment complex located in California and 7 mobile home parks located in Oregon. Wolf provides administration/oversight agent duties for the Cities of Daly City, La Verne, Seal Beach, County of Riverside, 24 parks financed by the Independent Cities Finance Authority of which 20 are financed for Millennium Housing or one of its affiliates, 21 parks financed by California Municipal Finance Authority of which 18 are financed for the Caritas Corporation, 7 parks financed by National Finance Authority for the Caritas Corporation, 3 mobile home parks owned by the Caritas Corporation or one of its affiliates and 1 mobile home park owned by Augusta Communities II LLC.

Wolf is also the program administrator/compliance agent on the County of San Bernardino's 1997 and 2001 Single Family Mortgage Programs.

THE AUTHORITY

The Independent Cities Finance Authority is a joint powers authority created pursuant to a joint exercise of powers agreement, dated May 5, 1988, as amended, and the joint exercise of powers law of the State of California. The Authority has 7 members and 71 associate members.

The Authority is authorized under the Act to issue the Bonds as provided in the Indenture and to loan the proceeds of the Bonds to the Borrower, as provided in the Loan Agreement.

The Bonds are not a debt of the Authority, members of the Authority, the State of California or any of its political subdivisions for purposes of any constitutional or statutory debt limitation or restriction, nor in any event shall the Bonds be payable out of funds or properties other than as pledged pursuant to the Indenture. The Authority has not assumed responsibility for any information in this Official Statement, except for the information under this caption and the caption "LITIGATION—The Authority."

RISK FACTORS

The following factors, which represent major risk factors that have been identified at this time, should be considered along with all other information in this Official Statement by potential investors in evaluating the Bonds. There can be no assurance made that other major risk factors will not become evident at any future time. Potential investors are advised to consider the following factors along with all other information in this Official Statement in evaluating the investment quality of the Bonds.

Bonds Are Limited Obligations of the Authority

The Bonds are special limited obligations of the Authority, payable solely from and secured as to the payment of the interest on, and the principal of, and the redemption premiums, if any, in accordance with their terms and the terms of the Indenture, from Pledged Revenues and other funds as provided therefor in the Indenture. The Bonds are not a debt of the Authority, members of the Authority, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation, nor in any event shall the Bonds be payable out of funds or properties other than as described in the preceding sentence.

Pledged Revenues consist primarily of payments to be made by the Borrower under the Loan Agreement and Note. The obligations of the Borrower (or any future owner of the Project) under the Loan Agreement and Note, are not enforceable personally against the Borrower and such obligations are secured only by the properties and liens specifically conveyed or encumbered as security therefor, consisting of the Project. No representation or assurance can be given that the Project will generate

sufficient revenues to enable the Borrower to meet its payment obligations under the Loan Agreement and Note. In the event that the Borrower defaults in its obligations, payment of the principal of and interest on the Bonds will be payable from amounts on deposit in the Coverage Fund, the Debt Service Reserve Fund and from amounts, if any, available in certain other funds held by the Trustee. See “THE INDENTURE” herein.

Loan Payments Non-Recourse

The Borrower agrees to repay the Loan from Net Operating Revenues. The Loan is secured by a pledge of Operating Revenues and a security interest in the Project pursuant to the terms of the Deed of Trust. Neither the Borrower’s directors, officers, employees and agents, nor any of its other affiliates, has or is intended to have any liabilities under or in respect of the Loan Agreement, the Indenture, the Note, the Deed of Trust, the Regulatory Agreement or any of the other documents or transactions contemplated by any of them.

Loan Payments Not Preference Proof

Payments by the Borrower on the Loan are not subject to aging requirements for purposes of satisfying the preference-proofing requirements of federal bankruptcy laws. In the event of bankruptcy of the Borrower, payments to Bondholders within 123 days (one year in certain cases) prior to the date of such bankruptcy may be subject to disgorgement and other preference restrictions.

Restrictions Under the Regulatory Agreement

Under the Regulatory Agreement, the Borrower is to rent at least 20% of the Spaces in the Project to Very Low Income Residents. The monthly rental rate which the Borrower may charge some of the Very Low Income Residents is also restricted by the Regulatory Agreement, as discussed herein. The Borrower will also agree in the Regulatory Agreement to rent an additional 55% of the Spaces in the Project (not including any Spaces required to be occupied by Very Low Income Residents) to Low Income Residents during the Qualified Project Period. See “THE REGULATORY AGREEMENT” herein.

These provisions may limit the Net Operating Revenues available to pay debt service on the Bonds. These restrictions have the effect of limiting the market for restricted Spaces in the Project in that certain otherwise eligible tenants are excluded on the basis of the restrictions, and also limit the monthly rental and rental increases which may be charged for restricted Spaces. In the event of an economic downturn, the “Median Income for the Area,” on the basis of which certain rent ceilings are to be calculated, is likely to decline, causing a decline in the monthly rental which the Project is able to realize for certain restricted Spaces. See “THE REGULATORY AGREEMENT” herein.

Risk of Taxability

The failure of the Borrower or the Management Agent to abide by the covenants and conditions of either the Regulatory Agreement or the Loan Agreement may cause the interest on the Tax-Exempt Bonds to become includable for federal income tax purposes in the gross income of holders of such Bonds, in some cases retroactive to the date of issuance of the Tax-Exempt Bonds. There is no provision in the Tax-Exempt Bonds or the Indenture for an acceleration of the Tax-Exempt Bonds or the payment of additional interest in the event interest becomes so includable, and the Authority is not liable for any claims or damages resulting from any such includability in gross income. While failure to comply with the tax covenants of the Loan Agreement and the Regulatory Agreement is an event of default which will entitle the Authority to accelerate the Borrower’s indebtedness and commence foreclosure proceedings,

pursuit of such remedies is subject to delays as a result of bankruptcy, limits on creditor's remedies and other practical considerations. There can be no assurance that such remedies will be achieved or proceeds of such remedies will be adequate to fund a redemption of all or part of the Tax-Exempt Bonds following the Borrower's noncompliance with such tax covenants, or that the Authority will be able to compel compliance in a timely manner to avoid an event of taxability described above. See "THE REGULATORY AGREEMENT" and "TAX MATTERS" herein.

In the event of foreclosure and sale of the Project, there can be no assurance that the purchaser thereof will not render the Tax-Exempt Bonds ineligible for tax-exempt status.

Conditions Which May Affect Borrower's Ability to Pay

Numerous conditions, which are not accurately predictable, could have an impact upon the revenues and expenses of the Borrower and, as a result, upon its ability to make timely payment under the Loan Agreement and the Note. In particular, the ability of the Project to generate revenues and sufficient rental income to pay all interest on and principal of the Bonds as due will depend on maintaining a high occupancy rate, and sustaining the rental rates, in the Project. Factors that may affect the ability of the Borrower to lease the mobile home sites of the Project and thus generate sufficient income include the demand for mobile home facilities in the market area, the availability and costs of other competing housing facilities and the ability of potential residents to meet payments.

The ability of the Borrower to generate sufficient income in the future will also depend upon other factors which cannot be predicted with any assurance. Such factors include general and local economic conditions which may affect demand for mobile home units. Units such as those which form the Project are subject to rising operating costs, fluctuating occupancy levels, adverse economic conditions and changes in neighborhood preferences. The ability of the Borrower to generate sufficient income will depend on its ability to lease the Project units promptly and maintain occupancy.

The Appraisal. The appraisal is based upon certain assumptions, limiting conditions, certifications and definitions set forth therein. An appraisal is only an estimate as to value as of the specific date stated therein. As an estimate, an appraisal is not a measure of realizable value and may not reflect the amount which would be received if the property which is the subject of the appraisal is sold. The appraisal should be read in its entirety for an understanding of the assumptions and rationale which underlie its conclusions. **Appendix C hereto contains a copy of the appraisal without the complete addenda thereto. The appraisal with the complete addenda is available upon request from the Borrower or the Underwriter.**

Leasing and Income Risks. The availability of sufficient operating income to pay the obligation of the Borrower with respect to the Loan Agreement is subject to the ability of the Borrower to establish appropriate rental rates for, and the continuing ability to rent units in, the Project, subject to the limitations of the Regulatory Agreement. Any constraint on rental increases due to regulatory (including, but not limited to, rent control) or market demand factors that inhibit annual rent increases may adversely affect the Borrower's ability to cover expenses and financing costs of the Project.

Projected Operating Results of the Project. The cash flow projections of the Project (see "THE PROJECT—Projected Operating Results" herein) are based upon certain assumptions, limiting conditions, certifications and definitions as set forth under such captions. There can be no assurance that the projected results contained therein will approximate actual results or that any projected results will continue beyond the projection period.

Operation of the Project. The primary source of payment of the Loan is the Project's revenues available after payment of operating expenses of the Project. Accordingly, the Bondholders are exposed to the risk that, if the expected operating cash flow is not achieved, actual payments of the Borrower pursuant to the Loan Agreement may be insufficient to timely pay all amounts due on the Loan. In the event that interest and principal are not paid with respect to the Loan Agreement, or only partially paid, there will be insufficient Revenues to make scheduled principal and interest payments to Bondholders. The Trustee may be required to draw on amounts in the Coverage Fund and the Debt Service Reserve Fund to make up such deficiencies. Once amounts in the Coverage Fund and the Debt Service Reserve Fund have been depleted, estimated payments of principal and interest on the Bonds may be delayed or unpaid.

The availability of revenues of the Project to make payments under the Loan could be adversely affected by a failure or inability to (i) continue to rent or lease the Project at the rental rates expected by the Borrower, and (ii) to maintain the operating expenses and capital expenses at or below the level expected by the Borrower.

Risks Associated with Operating Expenses. The Borrower's ability to raise rents is limited under the Regulatory Agreement. An extended period of inflation may cause the rate of increases in operating expenses to outpace the ability to raise rents. See "THE REGULATORY AGREEMENT" herein. In addition, any underestimation by the Borrower in the operating expenses of the Project may materially affect its projections of the operating income of the Project. The consequences of this risk are similar to a deterioration in the base rental income and would adversely affect the Project's revenues. The Borrower has committed no other resources outside of the revenues generated from the Project to repay the Loan and to pay increased operating expenses.

Additionally, the cost of electricity in the State of California has risen and is expected to rise over the course of the next few years. Electricity is a cost that is paid directly by the tenants in the Project. The increasing cost of electricity is likely to result in the increased operating costs of the Project to the Borrower.

Property reserves are an important consideration for long-term borrowers who will have to replace major capital items to maintain the quality of the property over time. See "THE INDENTURE-Revenue Fund" and "THE LOAN AGREEMENT-Repair and Replacement" herein. The deterioration and replacement of capital items is not predictable with certainty, and real estate properties such as the Project may encounter a periodic need for capital for replacement and repair of capital items in excess of budgeted amounts.

In the event that additional capital is needed for the replacement of capital items, it is likely that the Borrower will either have to seek additional debt capital from third party lenders or pay for such capital replacement and improvement out of residual cash flow from the Project, if any. The Authority has no obligation with respect to any operating, reserve or capital expenses of the Project and no assurance can be given that such moneys will be obtained. If not, the viability of the Project may be adversely affected over time.

Risks Associated with Other Expenses. To the extent there are any expenditures required to maintain the Project that are not foreseen by the Borrower, any uninsured losses, or additional property taxes due on the Project as a result of a change in the law, regulation or interpretation of a court of competent jurisdiction, the only source of moneys to pay such expenses would be additional resources available to the Borrower. The Borrower has pledged no assets, other than the revenues of the Project, to make debt service payments and to pay for operating expenses. Accordingly, the Borrower may be unwilling or unable to pay for such additional expenditures.

Risks Associated with the Management of the Project. A disruption in management continuity may temporarily impact the operations of the Project. In addition, a new manager of the Project may not have the same ability to realize rental increases or to contain operating expenses as the current manager. If authorized compensation to the management agent proves to be inadequate, the Borrower may have difficulty securing quality management. If no other money than approved amounts are available to pay such increased costs, the quality and revenues of the Project could be adversely affected.

The Deed of Trust. The Borrower has executed the Deed of Trust for the Project in favor of the Authority and the Trustee to secure the Borrower's obligations under the Loan Agreement. Because the Borrower may have limited financial assets, and because the Borrower is not personally liable for the amounts owing under the Loan Agreement (other than the indemnity and for certain fees as provided thereunder), if there is a default under the Loan Agreement, the primary remedy of the Trustee and the Authority is to foreclose on the real and personal property security granted pursuant to the Deed of Trust and related documents. All amounts collected upon foreclosure of the Project pursuant to the Deed of Trust will be used to pay amounts owing under the Loan Agreement pursuant to the provisions of the Deed of Trust.

Rent Control Ordinances. The City of Visalia does not have a currently enacted rent control ordinance applicable to the Project. However, no assurance can be given that the City will not in the future enact rent control ordinances that could restrict the Borrower's ability to raise rents for spaces in the Project.

Value of Project; Economic Feasibility

There can be no assurance that the appraised value would be realized upon sale of the Project. In the event of a forced sale of the Project due to economic distress, the amount realized upon such distress sale would likely be less than the fair market value. Furthermore, there can be no assurance that funds sufficient to pay the principal amount of the Bonds at maturity or earlier redemption could be obtained through the sale or refinancing of the Project.

The Borrower believes that proceeds from the foreclosure of the Project would be sufficient to pay the principal of and interest on the Bonds. Such payments will, however, be additionally secured by the Coverage Fund and the Debt Service Reserve Fund, and by certain other funds held by the Trustee, if available.

The economic feasibility of the Project depends in large part upon its being substantially occupied. Under the Regulatory Agreement, the Borrower is to rent not less than 20% of the Spaces in the Project to Very Low Income Residents. The monthly rental rate which the Borrower may charge some of the Very Low Income Residents is also restricted by the Regulatory Agreement, as discussed herein. The Borrower will also agree in the Regulatory Agreement to rent an additional 55% of the Spaces in the Project (not including any Spaces required to be occupied by Very Low Income Residents) to Low Income Residents during the Qualified Project Period. See "THE REGULATORY AGREEMENT" and "RISK FACTORS - Restrictions Under the Regulatory Agreement" herein.

There can be no assurance that the Borrower will be able to rent units to comply with these requirements or at rental rates which will enable it to make timely payments under the Loan Agreement and the Note.

Competing Facilities

The Authority may finance other facilities and other facilities may be financed, developed, constructed and operated by any party that could compete with the Project for tenants. The existence of competing facilities could adversely affect occupancy and revenues of the Project.

Risks of Ownership of Real Property

The Bondholders will be subject to the risks generally incident to an investment in real estate, including, without limitation: (i) the uncertainty that the Project will produce sufficient revenues to enable the Borrower to make timely payments pursuant to the terms of the Loan Agreement; (ii) adverse changes in local market conditions, such as changes in the market value of real property in the vicinity of the Project, the supply of or demand for competitive properties in such area, and the market value of the Project in the event of sale or foreclosure; (iii) changes in interest rates and the availability of financing moneys that may render any refinancing or sale of the Project difficult, unattractive, or impossible; (iv) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws) and fiscal policies; and (v) natural disasters (including, without limitations, earthquakes and floods), which may result in uninsured losses.

The Bondholders will be subject to the risk that the Project will be unable to attract and retain tenants as a result of adverse changes affecting the Project, the local real estate market or other factors, including the restrictions on the Project imposed under the Regulatory Agreement. Such inability to attract and retain tenants would result in a decline in rental income and may affect the ability and willingness of the Borrower to make timely payments due with respect to the Loan Agreement. There can be no assurance that the Project will generate sufficient revenue to cover operating expenses and meet required payments due under the Loan Agreement.

Residential real estate, including the Project, can be subject to adverse housing pattern changes and uses, vandalism (resulting in extra security costs), vacancies, rent controls, rising operating costs, and adverse changes in local market conditions, such as a decrease in demand for residential housing due to a decline of the local economy and a decrease in employment. Rationing or other restrictions with respect to the availability or use of utilities could significantly affect the profitability of operating the Project. Similarly, governmental or administrative entities may impose restrictions requiring structural alterations of or capital improvements to residential buildings, resulting in significant additional costs to the Borrower that the Borrower may be unwilling or unable to finance, and which would significantly impact the Project cash flow. If the local regulatory bodies having jurisdiction over the Project restrict or limit rent increases imposed by the Borrower to offset increased costs, the Project's cash flow may be reduced. Any future organization of the tenants of the Project could also result in resistance against rent increases, in the form of rent strikes, litigation or other action. If rental receipts after operating expenses (other than debt service) are insufficient to service the debt with respect to the Loan, foreclosure and sale of the Project is possible. Some of the risks mentioned in this subsection are more particularly described in the following subsections.

Environmental Risks

The Borrower knows of no environmental problems or liabilities in or on the real property or on adjacent properties which would adversely affect the value of the Project as security. Since certain environmental problems are hidden by time, nature, or both, it is possible that there could exist soil or other groundwater contamination on site, which at some point in time might require remediation.

In the event the Project is determined at some future time to require any further environmental remediation, the result could be a substantial or total loss of market value. Further, under the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), the owner or operator of property is potentially liable for the full amount of the costs of cleanup of hazardous substances, and, in certain cases, secured creditors can incur liability as an operator by participating or having the capacity to participate in the management of a facility prior to foreclosure, and after foreclosure may have absolute liability as an owner.

Insufficient Insurance and Sale Proceeds Relating to the Project

The Indenture requires that in the event of damage to, destruction of or a title defect relating to the Project and the Improvements which the Borrower determines not to repair or replace, the Borrower will notify the Trustee of such events and the Trustee shall promptly exercise its remedies under the Deed of Trust and as soon as practicable, sell the real property and title to personal property acquired through or in lieu of such exercise. The proceeds together with any Net Proceeds are to be used to redeem all or a pro rata share of the Bonds, as described in the Indenture. The Borrower is required to maintain casualty insurance only in the amount equal to the replacement value of the Improvements (see the discussion under the heading “THE LOAN AGREEMENT”). In addition, the Borrower could violate its covenant to maintain insurance by allowing the insurance on the Project to lapse, or an insurance company providing such insurance could become insolvent or otherwise not honor claims on policies. In such event, if such a loss occurs, a default in payment of the Bonds would almost certainly result and, if such loss is substantial, a non-payment of all or a portion of the Bonds could occur.

Based on current value of the real property comprising the Project, the Borrower expects that there would be sufficient revenues available from the sale of the real and personal property and Net Proceeds to redeem the Bonds; however, if real property values decline, or the Project cannot be sold at an adequate price, the Net Proceeds may not be sufficient to redeem the Bonds in a principal amount sufficient to reduce debt service to a level that can be supported by the Revenues from the remaining Project and Improvements.

Enforceability and Bankruptcy

The remedies available upon a default are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided under the financing documents described herein may not readily be available or may be limited. Recent revisions of the federal bankruptcy laws may have an adverse effect on the ability of the Trustee to enforce its claim to the security granted by the Deed of Trust. The bankruptcy court may also have the power to invalidate certain provisions of the Loan Agreement and the Deed of Trust that make bankruptcy and related proceedings by the Borrower an event of default thereunder. The various legal opinions to be delivered concurrently with the delivery of the Bonds and the aforesaid documents will be qualified to the extent that the enforceability of certain rights related to the Bonds are subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Anti-Deficiency Laws of the State of California

Section 726 of the California Code of Civil Procedure provides (among other matters) essentially that any suit to recover a debt or to assert other rights secured by a trust deed on real property must be an action to foreclose that trust deed, thus prohibiting a direct action on the debt or the exercise of other rights by the holder of that trust deed (commonly called the “one form of action rule”). This section has been interpreted by the California courts to require a lender to exhaust all collateral security on a debt in a

single action and to limit a lender's right to set-off. This section also specifies the procedures for the sale of the encumbered property, the application of proceeds, the availability in certain cases of a deficiency judgment, the limitation on the amount thereof, and other related matters.

In the event of an action in violation of the one form of action rule, it is virtually certain that the benefit of the real property security would be lost. Further, in the event that an action were taken by the Trustee with regard to funds or other security other than with regard to the application of funds pursuant to the Indenture other than the real property security prior to a "trustee's sale" of the real property security (as discussed below) it is possible that the sanctions contained in the one form of action rule would thereby be incurred.

Sections 2924 and 2924(c) of the California Civil Code require the following of certain procedures by the holder of a trust deed or mortgage before exercising a power of sale included under a trust deed or mortgage, which procedures are designed to protect the rights of the borrower and certain other persons and under certain circumstances to reinstate the obligations secured by such trust deed. Section 2924(c) of the California Civil Code provides that whenever the maturity of an obligation secured by a trust deed is accelerated by reason of a default in the payment of interest or of any installment of principal or other sum secured thereby, the trustor and certain other entitled persons have the right, at any time within the period remaining with the date of recordation of the notice of default until five business days prior to the date of sale set forth in the notice of default if the power of sale under such trust deed is to be exercised or, otherwise, at any time prior to the entry of the decree of foreclosure, to cure such default by paying the entire amount then due (including certain reasonable costs and expenses incurred in enforcing such obligations, but excluding any amount that would not otherwise be due but for such acceleration) and thereby reinstate such trust deed and the obligations secured thereby to the same effect as if no such acceleration had occurred.

The instance of multiple securities to a creditor is also subject to the one form of action rule, thus requiring that creditor to foreclose on all security in a single action. If this procedure is not followed, and any part of the security is omitted in the foreclosure action, the debtor may treat the omitted security as freed from the encumbrance once any judgment has been taken on the debt. *Walter v. Community Bank* (1974). Under the terms of the Indenture, the Trustee has been instructed to cause a foreclosure action to be filed on the Deed of Trust in the event of default under the Deed of Trust.

California Code of Civil Procedure Section 580(d) prohibits the rendering of any deficiency judgment after a trustee's sale. Paradoxically, California Civil Procedure Section 580(a) essentially limits the amount of a deficiency judgment after a trustee's sale to the difference between the appraised value of the secured property sold and the sales price at the trustee's sale. Although on their face these Code sections do not limit the Trustee's rights to recover a deficiency under the Note, at least with respect to the Borrower, since the Loan is non-recourse, these Code sections could limit or hamper the enforcement of certain rights of the Bondholders since the combined effect of these Code sections has been held to cut off the subrogation rights of guarantors. Therefore, in effect, California courts have refused to enforce guarantees where guarantors have lost their rights of subrogation through the secured party's conduct of a trustee's sale.

Under California law, guarantees by corporate shareholders may not be given effect if the corporation is found to be a mere instrumentality or "alter ego." However, the mere fact that guarantors are shareholders, officers or directors will not be grounds for applying anti-deficiency protections absent a showing that adherence to a separate existence would promote an injustice or fraud.

Section 9501 of the Uniform Commercial Code as adopted in California is intended to facilitate the employment of remedies permitted under the Uniform Commercial Code with regard to personal

property used as security for a debt also secured by real property. Such remedies would include a deficiency judgment after the sale of personal property security and multiple, as opposed to unitary sales of security.

It is the opinion of leading California legal scholars that the employment of Uniform Commercial Code Section 9501 is subject to a commercial reasonableness test which could impair a creditor's right to proceed against real property security after a sale or other action under the Uniform Commercial Code. Therefore, prudence dictates that all collateral be sold in a single sale when a debt is secured by mixed collateral. Any other course of action, such as a sale of personal property or seizure of funds or the use of an offset of funds, might invoke the sanctions of Civil Code Section 726.

The Deed of Trust provides for an absolute assignment of rents to the Trustee as the assignee thereunder. Although these provisions are absolute in form, until the assignee perfects its assignment by taking possession pursuant to the Indenture or by receivership, it may have no claim to the rents as against either the Borrower or a junior lien or with a similar assignment of rents clause who earlier perfected its own lien through possession or receivership. Further, it is probable that a judgment appointing a receiver to enforce a rents and profits clause or the use of such proceeds to service or satisfy a debt would invoke the sanctions of the one form of action rule.

The provisions for penalties, late charges or additional interest in the event of a default by the Borrower under the Loan Documents will be subject to factual determinations required under California law in the evaluation of late payments and liquidated damages provisions.

Limited Secondary Market

Prices of bond issues for which a market is being made will depend upon then-prevailing circumstances. Such prices could be substantially different from the original purchase price. No assurance can be given that the market price for the Bonds will not be affected by the introduction or enactment of any future legislation (including without limitation amendments to the Internal Revenue Code), or changes in interpretation of the Internal Revenue Code, or any action of the Internal Revenue Service, including but not limited to the publication of proposed or final regulations, the issuance of rulings, the selection of the Bonds for audit examination, or the course or result of any Internal Revenue Service audit or examination of the Bonds or obligations that present similar tax issues as the Bonds.

TAX MATTERS

In the opinion of Bond Counsel to the Authority, the interest on the Bonds (i) is excludable from gross income for federal income tax purposes, (ii) is exempt from State of California personal income taxes, and (iii) is not an item of tax preference for purposes of computing the federal alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the Authority and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Authority and the Borrower have covenanted to comply with all of these requirements. Failure to comply with certain of these requirements may cause the interest on the Bonds to be included in gross income for federal and State of California income tax purposes retroactive to the date of issuance of the Bonds. Bond Counsel expresses no opinion regarding any other tax consequences relating to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

The Code establishes certain requirements which must be met on a continuing basis subsequent to the delivery of the Bonds for interest on the Bonds to be excludable from gross income for federal income tax purposes. The Authority and the Borrower have covenanted in the Indenture and the Loan Agreement to take all reasonable steps to comply with all of the requirements of the Code so that interest on the Bonds will be excludable from gross income for federal income tax purposes. Bond Counsel has assumed continuing compliance by the Authority and the Borrower with the above covenants and procedures in rendering their opinion with respect to the interest on the Bonds being excludable from gross income for federal income tax purposes. Failure to comply with certain tax requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of such bonds. To the extent that the opinions rendered by Bond Counsel are dependent on the organization and operation of the Borrower as an organization described in Section 501(c)(3) of the Code and exempt from tax under Section 501(a) of the Code, no part of the net earnings of which inures to the benefit of any person, Bond Counsel is relying on the representations of the Borrower and the opinion of the Borrower's counsel dated as of the date of issuance of the Bonds. Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) or any other matters coming to the attention of Bond Counsel after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject directly or indirectly, to federal income taxation or interest on Bonds to be subject to or exempted from state income taxation, or otherwise prevent bondholders from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority or the Borrower or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS.

Although Bond Counsel expects to render an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, such bonds may otherwise affect a bondholder's federal or state tax liability. The nature and extent of these other tax consequences will depend upon a bondholder's particular tax status and the bondholder's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

A form of the proposed opinion of Bond Counsel to the Authority is attached as "APPENDIX B—FORM OF OPINION OF BOND COUNSEL."

LEGAL OPINIONS

The opinion of Gilmore & Bell, P.C., Bond Counsel to the Authority, approving the validity of the Bonds and stating that interest on the Bonds is excludable from gross income under Section 103 of the Code and that interest on the Bonds is exempt from personal income taxes of the State of California, will be rendered simultaneously with the issuance of the Bonds, in substantially the form shown in Appendix B hereto. The legal opinion is not intended to be nor is it to be interpreted or relied upon as a disclosure document or an express or implied recommendation as to the investment quality of the Bonds.

Certain matters will be passed upon for the Authority by Authority Counsel, Best Best & Krieger LLP, Los Angeles, California, and by Gilmore & Bell, P.C.; and for the Borrower by Goldfarb & Lipman LLP, Oakland, California.

Compensation for the services of Bond Counsel is contingent upon the sale and delivery of the Bonds.

The provisions of the Disclosure Agreement are intended to be for the benefit of the Owners and are enforceable by the Trustee on behalf of the Owners, provided that any enforcement action by any such person shall be limited to a right to obtain specific enforcement of the Borrower's obligations under the Disclosure Agreement and any failure by the Borrower to comply with the provisions thereof shall not be an event of default under the Indenture or the Loan Agreement. The form of the Disclosure Agreement is attached hereto as Appendix D.

APPENDIX B

FORM OF OPINION OF BOND COUNSEL

We have acted as bond counsel to the Independent Cities Finance Authority (the “Authority”) in connection with the issuance of its Mobile Home Park Revenue Refunding Bonds (Rancho Robles Mobile Home Park) Series 2021 (the “Bonds”). The Bonds are being issued pursuant to: (i) Chapter 8 of Part 5 of Division 31 of the Health and Safety Code of the State of California, as amended (the “Act”); (ii) a resolution adopted by the Authority (the “Resolution”); and (iii) an Indenture of Trust dated as of November 1, 2021 (the “Indenture”) between the Authority and U.S. Bank National Association, as trustee (the “Trustee”). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the following: the Act, an executed copy of the Indenture, an executed copy of the Loan Agreement (the “Loan Agreement”) dated as of November 1, 2021 among the Authority, the Trustee and Augusta Communities III LLC, a California limited liability company (the “Borrower”), the Regulatory Agreement and Declaration of Restrictive Covenants, dated as of November 1, 2021 among the Authority, the Trustee and the Borrower (the “Regulatory Agreement”), the Tax Certificate and Agreement (the “Tax Certificate”) dated the date hereof between the Authority and the Borrower, an opinion of counsel to the Authority, opinions of counsel to the Borrower, certificates of the Authority, the Borrower and others and such other documents, instruments, proceedings and opinions as we have deemed relevant in rendering this opinion.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions or events are taken or do occur. We disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by any parties other than the Authority. We have not undertaken to verify independently, and have assumed, the accuracy of the factual matters represented, warranted or certified in the documents and of the legal conclusions contained in the opinions referred to herein. To the extent that the opinions rendered herein are dependent on the organization and operation of the Borrower as an organization described in Section 501(c)(3) of the Code and exempt from tax under Section 501(a) of the Code, no part of the net earnings of which inures to the benefit of any person, we are relying on the representations of the Borrower and the opinion of the Borrower’s counsel dated the date hereof. Furthermore, we have assumed compliance with the covenants and agreements contained in the Indenture, the Loan Agreement, the Regulatory Agreement and the Tax Certificate, including (without limitation) covenants and agreements, compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be includable in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations of the Authority under the Bonds, the Indenture, the Loan Agreement, the Regulatory Agreement and the Tax Certificate may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable, to the application of equitable principles and to the exercise of judicial discretion in appropriate cases. We express no opinion with respect to any indemnification, contribution, choice of law, choice of forum or waiver provisions contained in the foregoing documents. Finally, we undertake no responsibility for the accuracy, completeness or fairness of any offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, it is our opinion that:

1. The Authority is a joint powers authority organized and existing under the laws of the State of California with the power to enter into and perform its obligations under the Indenture, the Loan Agreement and the Regulatory Agreement and to issue the Bonds.

2. The Indenture, the Loan Agreement and the Regulatory Agreement have been duly authorized, executed and delivered by the Authority and, assuming due authorization, execution and delivery by the other parties thereto, are valid and binding obligations of the Authority. The Indenture creates a valid lien on the rights of the Authority under the Loan Agreement (except for certain rights of the Authority reserved therein).

3. The Bonds are valid and binding special obligations of the Authority payable solely from the revenues and other assets pledged therefor under the Indenture and from the enforcement of the security provided therefor and do not constitute a general obligation debt or liability of the Authority, the State of California or any political subdivision thereof.

4. The interest on the Bonds (i) is excludable from gross income for federal income tax purposes, (ii) is exempt from State of California personal income taxes, and (iii) is not an item of tax preference for purposes of computing the federal alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the Authority and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Authority and the Borrower have covenanted to comply with all of these requirements. Failure to comply with certain of these requirements may cause the interest on the Bonds to be included in gross income for federal and State of California income tax purposes retroactive to the date of issuance of the Bonds.

Although we have rendered an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on such bonds may otherwise affect a bondholder's federal, state or local tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and the bondholder's other items of income or deduction. We express no opinion regarding any such other such tax consequences.

The Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel hired by the Issuer, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

c. The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel hired by the Issuer, materially impair the interests of the Owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Company shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Company. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(f) of this Disclosure Agreement, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Company from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Company chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the Company shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

10. Default. In the event of a failure of the Company or the Dissemination Agent to comply with any provision of this Disclosure Agreement, any Participating Underwriter, the Issuer or any Beneficial Owner or holder of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, but expressly excluding any action for money damages, to cause the Company or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Company or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article VIII of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture and the Dissemination Agent shall be entitled to the same protections, limitations from liability and indemnities afforded the Trustee thereunder. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Company agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless from and against any loss, expense, claim and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or misconduct. The Dissemination Agent and the Trustee shall have no duty or obligation to review any information provided to them hereunder and shall not be deemed to be acting in any fiduciary capacity for the Company, the Bondowners, or any other party. The obligations of the Company under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

All notices, certificates or other communications required by this Disclosure Agreement shall be in writing and shall be sufficiently given and sent by: (i) mailed by certified mail, return receipt requested, postage prepaid; (ii) personal delivery, overnight delivery by a recognized courier or delivery service; or (iii) electronic transmission, which includes fax machine, email with an imaged or scanned attachment (such as a .pdf) or other similar electronic transmission, with confirmation of receipt of such transmission and shall be deemed given on the second day following the date on which the same have been personally delivered or mailed or when delivered when sent by electronic transmission to the addresses set forth below:
