- (d) Money on deposit in any fund or account in connection with the Bonds, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower in a manner which would cause the Series A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Series A Bonds from being “arbitrage bonds” under the Code.
- (e) The Borrower will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the sale of the Bonds to be applied in a manner contrary to the requirements of the Indenture, the Loan Agreement, the Other Regulatory Agreements and this Regulatory Agreement.

(f) Should involuntary noncompliance with the provisions of this Regulatory Agreement be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu

of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Authority from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, it will either prepay the Note or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements hereof.

(i) In the aggregate, no more than two persons per bedroom, plus one person shall occupy any Space in the Project, not including children born after the date of initial occupancy by a household. For example, with respect to a two bedroom mobile home, maximum occupancy shall be five (5) persons (exclusive of post-occupancy children described above).

(j) None of the Spaces in the Project shall at any time be utilized on a transient basis; none of the residents of the Project are residing at the Project for any ancillary purpose unrelated to housing; none of the Spaces in the Project are being leased or rented to a person or person who does not occupy such Space; and neither the Project nor any portion thereof shall be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, retirement home, sanitarium, rest home, or by a cooperative housing corporation (as defined in Section 216(b)(1) of the Code). Neither the Project nor any portion thereof shall be used for homestay or vacation rentals (such as Airbnb or VRBO), transitional housing (such as halfway housing), recovery homes, or child care services.

(k) Substantially all (i.e., not less than ninety-five percent (95%)) of the Project shall consist of proximate structures located on one or more contiguous tracts of land which have similarly constructed Spaces financed pursuant to a common plan together with Functionally Related and Subordinate facilities, all of which shall be owned by the same “person” (as such term is used in the Treasury Regulations) for federal tax purposes.

(a) The Borrower shall notify the Authority and the Oversight Agent of the operations/management company it will employ for the Project no less than thirty (30) days

prior to the signing of a contract with any such entity. Qualifications of the firm(s) shall also be provided at that time and the Authority shall have the right to submit comments on the qualifications of the firm, which shall be considered by Borrower prior to execution of a contract.

(b) The Borrower is responsible for all management functions with respect to the Project including without limitation the selection of tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The Authority shall have no responsibility over management of the Project. In no instance shall the Borrower delegate or forego its responsibility to operate the Project in the manner set forth in this Agreement and the Loan Agreement, except as expressly provided in Section 4(a) above.

(c) The Authority, through its Authorized Officer, reserves the right to conduct on or about January 15 of each year, commencing [January 15, 2023], an annual (or more frequently, if deemed necessary by the Authority) review of the management practices and financial status of the Project. The purpose of each periodic review will be to enable the Authority to determine if the Project is being operated and managed in accordance with the requirements and standards of this Agreement. The Borrower shall cooperate with the Authority in such reviews, including but not limited to making its books and records regarding the Project available for inspection by the Authority.

(d) The Borrower agrees, for the entire term of this Agreement, to maintain all common area interior and exterior improvements and common buildings on the Project (exclusive of the mobile homes and tenant spaces), including, without limitation, landscaping at the Project, in good condition and repair, including necessary replacements (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials.

(e) The Authority places prime importance on quality maintenance to ensure that all affordable housing projects that receive financing assistance within the jurisdiction of the Authority are not allowed to deteriorate due to below-average maintenance. Normal wear and tear of the Project will be acceptable to the Authority assuming the Borrower agrees to provide all necessary improvements to assure the Project is maintained in good condition. The Borrower shall make all repairs and replacements necessary to keep the Project in good condition and repair.

(f) In the event that the Borrower breaches any of the covenants contained in this Section 4 and such default continues for a period of ten (10) days after written notice from the Authority, with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from the Authority with respect to landscaping and building improvements, then the Authority, in addition to whatever other remedy they may have at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of

entry, the Authority shall be permitted (but are not required) to enter upon the Project and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Project, and to attach a lien on the Project, or to assess the Project, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Authority and/or costs of such cure, including a fifteen percent (15%) administrative charge, which amount shall be promptly paid by the Borrower to the Authority upon written demand

Section 5. Qualified Residents. Pursuant to the requirements of the Code and the Act, the Borrower hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:

(A) where a Very Low Income Resident is both the registered and legal owner of the mobile home and is not making mortgage payments for the purchase of that mobile home, the total rental charge for occupancy of the Space (excluding a reasonable allowance for other related housing costs determined at the time of acquisition of the Project by the Borrower and excluding any supplemental rental assistance from the State, the federal government, or any other public agency to the Very Low Income Resident or on behalf of the Space and the mobile home) shall not exceed one-twelfth of 30 percent (30%) of 50 percent (50%) of Median Income for the Area, adjusted for household size in the manner set forth below.

(B) where a Very Low Income Resident is the registered owner of the mobile home and is making mortgage payments for the purchase of that mobile home, the total rental charge for occupancy of the Space (excluding any charges for utilities and storage and excluding any supplemental rental assistance from the State, the federal government, or any other public agency to the Very Low Income Resident or on behalf of the Space and mobile home), shall not exceed one-twelfth of 15 percent (15%) of 50 percent (50%) of Median Income for the Area, as adjusted for household size in the manner set forth below.

(C) where a Very Low Income Resident rents both the mobile home and the Space occupied by the mobile home, the total rental payments paid by the Very Low Income Resident on the mobile home and the Space occupied by the mobile home (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to that Very Low Resident or on behalf of that Space and mobile home) shall not exceed one-twelfth of 30 percent (30%) of 50 percent (50%) of Median

Moreover, a Space previously occupied by a Qualified Resident and then vacated shall be considered occupied by a Qualified Resident of the applicable category until reoccupied, other than for a temporary period, at which time the character of the Space shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days. Notwithstanding anything herein to the contrary, if at any time the number of Qualified Residents falls below the number required by subparagraphs (a) of this Section, the next available vacant Space shall be rented to a Qualified Resident of the applicable category.

(d) Immediately prior to a Qualified Resident's occupancy of a Qualified Space (or prior to the Closing Date with respect to Spaces previously occupied), the Borrower will obtain and maintain on file an Income Certification form from each Qualified Resident occupying a Qualified Space, dated immediately prior to the initial occupancy of such Qualified Resident in the Project (or prior to the Closing Date in the case of existing Qualified Residents). In addition, the Borrower will provide such further information as may be required in the future by the State of California, and by the Act, as the same may be amended from time to time, as requested by the Authority or the Oversight Agent. The Borrower shall verify that the income provided by an applicant with respect to a Space to be occupied after the Closing Date is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from applicant's current employer, such as a current pay stub or W-2 form, (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income reasonably satisfactory to the Oversight Agent or (4) such other information as may be reasonably requested by the Oversight Agent.

Within ten days after the last day of each calendar quarter during the term of this Regulatory Agreement commencing with the quarter ending [____], 2022, the Borrower shall advise the Oversight Agent or in the absence of an Oversight Agent, the Authority, of the status of the occupancy of the Project by delivering to the Oversight Agent

a Certificate of Continuing Program Compliance; provided, however, with the prior written approval of the Oversight Agent or the Authority, as the case may be, such Certificate need be filed only semi-annually. Copies of the most recent Income Certifications for Qualified Residents commencing or continuing occupancy of a Qualified Space shall be made available to the Authority or Oversight Agent upon request.

(e) Annually, the Borrower shall recertify the income of the occupants of such Qualified Spaces by obtaining a completed Income Certification based upon the current income of each occupant of the Space. In the event the recertification demonstrates that such household's income exceeds one-hundred forty percent (140%) of the income at which such household would qualify as a Qualified Resident of the applicable category, such household will no longer qualify as a Qualified Resident of the applicable category, and the Borrower either (i) will designate another Qualified Resident and Space in the Project as a Qualified Resident of the applicable category, and a Qualified Space of the applicable category, respectively, or (ii) will rent the next available vacant Space to one or more Qualified Residents of the applicable category.

(f) The Borrower will maintain complete and accurate records pertaining to the Qualified Spaces, and will permit any duly authorized representative of the Authority, the Oversight Agent, the Trustee (who shall have no duty to inspect), the Department of the Treasury or the Internal Revenue Service to inspect during normal business hours and with prior notice the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Qualified Spaces.

(g) The Borrower shall submit to the Secretary of the Treasury annually beginning on the anniversary date of the start of the Qualified Project Period (or such other date as is required by the Secretary) and ending in [20__], a certification that the Project continues to meet the requirements of Section 142(d)(7) of the Code (currently IRS form 8703) and shall provide a copy of such certification to the Oversight Agent.

(h) Each lease or rental agreement pertaining to a Qualified Space occupied after the Closing Date shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Qualified Resident in determining qualification for occupancy of the Qualified Space, and that any material misstatement in such certification (whether or not intentional) may be cause for immediate termination of such lease. Each lease or rental agreement will also contain a provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant to Section 5(e) above will disqualify the Space as a Qualified Space and provide grounds for termination of the lease. The Borrower agrees to provide to the Oversight Agent, and the Authority, a copy of the form of application and lease to be provided to prospective Qualified Residents and any amendments thereto.

(i) In the event, despite Borrower's exercise of best efforts to comply with the provisions of Section 5 of this Regulatory Agreement, the Borrower shall have been out of compliance with any of the restrictions of Section 5 hereof relative to Qualified Residents, for a period in excess of six months, then at the sole option of the Authority the term of the Regulatory Agreement shall be automatically extended for the period of non-compliance

upon written notice to the Borrower, the Trustee and the Oversight Agent from the Authority, such extension to relate to the Qualified Spaces and Qualified Residents as to which such noncompliance relate.

Section 6. Tax Status of the Bonds. The Borrower and the Authority each hereby represents, as of the date hereof, and warrants, covenants and agrees that:

(a) It will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Series A Bonds or the exemption from California personal income tax of the interest on the Bonds and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof;

(b) It will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the Authority, the Trustee and the Borrower, to comply fully with the Act and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations issued under Section 145 of the Code to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Series A Bonds; and

(c) It will file of record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Authority, the Trustee and the Borrower, in order to ensure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.

The Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any document transferring any interest in the Project (other than leases of Spaces in the Project to individual tenants) to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 7. Modification of Special Tax Covenants. The Borrower, the Trustee and the Authority hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Authority, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series A Bonds, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Authority, the Trustee and the

Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment approved and signed by the Authority (in its sole and absolute discretion), the Trustee and the Borrower and approved by the written opinion of Bond Counsel that such amendment (a) will not affect the exclusion from gross income for federal income tax purpose of interest on the Series A Bonds, and (b) shall not conflict with any restrictions imposed by the Authority, the Act, the regulations promulgated under the Code or the Code, as applicable.

(c) The Borrower, the Authority and, if applicable, the Trustee shall execute, deliver and, if applicable, file of record any and all documents and instruments, necessary to effectuate the intent of this Section 8, and each of the Borrower and the Authority hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Authority, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if either the Borrower or the Authority defaults in the performance of its obligations under this subsection (c); provided, however, that the Trustee shall take no action under this subsection (c) without first notifying the Borrower or the Authority, or both of them, as is applicable, unless directed in writing by the Authority or the Borrower and without first providing the Borrower or the Authority, or both, as is applicable, an opportunity to comply with the requirements of this Section 8.

Section 8. Indemnification. The Borrower shall indemnify, hold harmless and defend the Authority, the Oversight Agent and the Trustee and the respective officers, members, directors, officials and employees of each of them (the “Indemnified Party”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly resulting from or arising out of or related to (a) the operation, use, occupancy, maintenance, or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto); (b) any written statements or representations with respect to the Borrower, the Project or the Bonds made or given to the Authority, the Oversight Agent or the Trustee, or any underwriters or purchasers of any of the Bonds, by the Borrower, or any of its agents or employees, including, but not limited to, statements or representations of facts or financial information; or (c) any actions taken by the Court in joining the Authority as an associate member or holding a public hearing with respect to the financing of the Project by the Authority through the issuance of the Bonds; provided, however, the Borrower shall not be obligated to indemnify the Authority, the Trustee, the Oversight Agent or the Oversight Agent for damages caused by the gross negligence or willful misconduct of the Authority, the Trustee or the Oversight Agent. The Borrower also shall pay and discharge and shall indemnify and hold harmless the Authority, the Oversight Agent and the Trustee from (x) any lien or charge upon payments by the Borrower to the Authority and the Trustee hereunder and (y) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the Authority, the Oversight Agent or the Trustee shall give prompt notice to the Borrower, and the Borrower shall assume the investigation defense thereof,

including the employment of counsel selected by the Indemnified Party and reasonably acceptable to the Borrower and the payment of all reasonable expenses related thereto, with full power to litigate, compromise or settle the same, provided that the Authority, the Oversight Agent and the Trustee, as the case may be, shall have the right to review and approve or disapprove any such compromise or settlement, such approval shall not be unreasonably withheld. The Authority shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defeasance thereof, and the Borrower shall pay the costs incurred by the Authority in connection with any such action or proceeding, including the reasonable fees and expenses of such separate counsel, as such costs are incurred by the Authority. The determination by the Authority to retain such separate legal counsel shall be at the sole discretion of the Authority.

The rights of any persons to indemnify hereunder and rights to payment of fees and reimbursement of expenses pursuant to this Regulatory Agreement shall survive the final payment and defeasance of the Bonds and in the case of the Trustee and the Oversight Agent any resignation or removal. The provisions of this Section shall survive the termination of this Regulatory Agreement.

Section 9. Consideration. The Authority has issued the Bonds to provide funds to make the Loan under the Loan Agreement to finance the Project, all for the purpose, among others, of inducing the Borrower to own and operate the Project such that the Project shall contribute to the Authority's efforts to provide affordable housing to Low Income Residents and Very Low Income Residents in the City and to the satisfaction of the City's ongoing housing burden. In consideration of the issuance of the Bonds by the Authority, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

Section 10. Reliance. The Authority and the Borrower hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, and in the exclusion from gross income for federal income tax purposes of the interest on the Series A Bonds and the exemption from California personal income tax of the interest on the Bonds. In performing their duties and obligations hereunder, the Authority and the Trustee may rely upon statements and certificates of the Borrower and Qualified Residents, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Authority and the Trustee may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Authority or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely upon any notice or certificate delivered to the Trustee by the Borrower, the Authority or the Oversight Agent with respect to the occurrence or absence of a default.

Section 11. Sale or Transfer of the Project. The Borrower intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project, and hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the Authority and upon receipt by the Authority and the Trustee of (i) evidence

satisfactory to the Authority that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and under the Administration Agreement, (ii) an opinion of counsel for the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and the Administration Agreement and that such obligations and this Regulatory Agreement and the Administration Agreement are binding on the transferee, (iii) the Authority receives evidence acceptable to the Authority that either (A) the transferee has experience in the ownership, operation and management of comparable projects without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the transferee agrees to retain a property management firm with the experience and record described in subparagraph (A) above, and in either case, at its option, the Authority may cause the Oversight Agent to provide on-site training in program compliance if the Authority determines such training is necessary and (iv) an opinion of Bond Counsel to the effect that such sale will not in and of itself cause interest on the Series A Bonds to become includable in the gross income of the recipients thereof for federal income tax purposes, and (v) evidence that the Borrower has complied with any applicable provisions of Section 6.2 of the Loan Agreement. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Not less than ninety (90) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Borrower shall deliver to the Authority, the Oversight Agent and the Trustee a notice in writing explaining the nature of the proposed transfer. Notwithstanding the foregoing, the Borrower may transfer ownership of the Project to an affiliated entity of the Borrower with prior written notice to the Authority accompanied by an opinion of counsel to the affiliate that it has assumed the obligations of the Borrower under this Regulatory Agreement and the Administration Agreement and an opinion of Bond Counsel to the effect that such transfer will not in and of itself cause interest on the Series A Bonds to become included in the gross income of the recipients thereof for federal income tax purposes..

Section 12. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect during the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and expiration of the Indenture, the Loan Agreement and the Note. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the Authority, the Trustee and the Borrower, subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received an opinion of Bond Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series A Bonds or the exemption from State personal income tax of the interest on the Bonds.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement, and all and several of the terms hereof, shall terminate and be of no further force and effect in the event of (a) a foreclosure or delivery of a deed in lieu of foreclosure whereby a third party shall take possession of the Project, (b) involuntary non-compliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the date hereof which prevents the Authority and the Trustee from enforcing the

provisions hereof, or (c) condemnation or a similar event, and, in each case, the payment in full and retirement of the Bonds theretofore or within a reasonable period thereafter. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

When all of the Bonds have been paid or deemed paid pursuant to Article XIII of the Indenture, the Trustee shall no longer have any duties or obligations hereunder, and all references to the Trustee shall thereafter be deemed references to the Authority.

Section 13. Covenants to Run With the Land. The Borrower hereby subjects the Project (including the Project site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Authority and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that upon the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

Section 14. Burden and Benefit. The Authority and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Authority and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Residents and Very Low Income Residents, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 15. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the Project.

Section 16. Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the Authority or the Trustee to the Borrower (provided, however, that the Authority may at its sole option extend such period if the Borrower provides the Authority with an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series A Bonds, and provided further in the event any default relates to Section 5 hereof and the Borrower is exercising best efforts to comply with such restrictions as determined by the Authority in its sole discretion, then the cure period described above shall be 6 months and the Qualified Project Period shall be extended for a like period under Section 5(i) hereof), then the Trustee, subject to the provisions of Section 9 hereof and to the extent

directed in writing by the Authority, subject to the provisions of the Indenture, acting on its own behalf or on behalf of the Authority, shall declare an “Event of Default” to have occurred hereunder, and, at its option, may take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Authority or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

The Trustee shall have the right, in accordance with this Section 17 and the provisions of the Indenture, without the consent or approval of the Authority, to exercise any or all of the rights or remedies of the Authority hereunder; provided that prior to taking any such act the Trustee shall give the Authority written notice of its intended action. All fees, costs and expenses of the Trustee, the Authority and the Oversight Agent (including, without limitation, reasonable attorneys’ fees) reasonably incurred in taking any action pursuant to this Section 17 shall be the sole responsibility of the Borrower; provided the Trustee shall not be obligated to take any action hereunder that results in expenses or liability to the Trustee unless it is compensated and reimbursed for its expenses, including reasonable attorneys’ fees, and indemnified to its satisfaction against liability.

After the Indenture has been discharged, or if the Trustee fails to act under this Section 17, the Authority may act in its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The Montclair Housing Authority is a beneficiary of the provisions of Sections 3 and 4 of this Regulatory Agreement and shall have the right to enforce the provisions of Sections 3 and 4 of this Regulatory Agreement as well as those provisions of the Affordable Housing Agreement which provide for the operation of affordable rental housing (but not those provisions therein requiring repayment of a loan); such right of enforcement shall require the prior written consent of the owners of not less than 50% of the principal amount of the outstanding Bonds and shall be subordinate to the rights of the Authority and Trustee to enforce such provisions for so long as (i) any of the Bonds remains outstanding, and (ii) any bonds which refund the Bonds (“Future Refunding Bonds”) remain outstanding provided that in connection with the issuance of Future Refunding Bonds, the period during which the affordability requirements as described in the Regulatory Agreement are extended. Whenever (i) notice is given by Authority or Trustee to Borrower under this Regulatory Agreement or (ii) notice is given by Borrower to Authority or Trustee, the party giving such notice shall concurrently give notice to the Montclair Housing Authority at the address set forth therefor in Section 21 of this Regulatory Agreement. Notwithstanding anything herein to the contrary, the Montclair Housing Authority shall have no right to enforce any provision of the Affordable Housing Agreement beyond its original term

Section 17. Recording and Filing. The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto, to be recorded and filed, prior to the recording of the Deed of Trust and the disbursement of the Loan, in the real property records of the County and in such other places as the Authority or the Trustee may reasonably request (including, but not limited to, in the grantor-grantee index to the name of the Borrower as grantor and to the Authority as grantee). The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 18. Payment of Fees. The Borrower will pay to the Authority the Authority Annual Fee, including the portion thereof billed currently by the Authority to the Borrower for the Authority's audit fees and expenses, which shall be paid by the Borrower promptly upon receipt of such invoice and to the Oversight Agent, the Oversight Agent's Fee, each when due. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Authority the Authority Annual Fee, and to the Oversight Agent, the Oversight Agent's Fee, and, in the event of a default hereunder, to the Authority and the Trustee reasonable compensation for any services rendered by either of them hereunder and reimbursement for all expenses reasonably incurred by either of them in connection with such default.

Section 19. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. Except as expressly provided herein and in the Agreement, the Trustee's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Indenture.

Section 20. Amendments. Except as provided in Section 8(a) hereof, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County. The parties hereto acknowledge that, as long as the Bonds are outstanding, the owners of the Bonds are third party beneficiaries to this Regulatory Agreement.

Section 21. Notice. All notices, certificates or other communications shall be in writing and will be sufficiently given and (except for notices to the Trustee, which shall be deemed given only when actually received by the Trustee) shall be deemed given on the date personally delivered or on the second day following the date on which the same have been mailed by certified mail, return receipt requested, postage prepaid, addressed as follows:

Section 23. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 24. Trustee Acting Solely in Such Capacity.
